THE BACK STRETCH

(Continued from page 7)

way for wealthy owners with marked success, brought with him the well-bred stallion Dillington (3) 2.13 1-4, and a non-record pacing mare, Edith Direct by Napoleon Direct, dam Dot's Enid by John R. Gentry, breeding almost identical with Marjorie M. 2.07 3-4.

Dillington is nine years old and a very beautiful horse, 15.2 hands high, standard and registered, by that great sire Dillon Axworthy (3) 2.10 1-4, sire of 45 in 2.10, among them many great futurity winners and the super pacer Margaret Direct 1.58 1-4. The dam of Dillington is Helene Bingen by Bingen 2.06 1-4 out of Ann McGregor. Helene Bingen was the dam of four better than 2.16 and her granddam was the dam of six in the list. Dillington started once last year at Montague with slight preparation and was second in the second heat to High Toby 2.13 3-4. Edith Direct started the same day but met with an injury which prevented her showing her real speed capacity. It is Mr. MacDonald's intention to allow Dillington service of a number of mares before conditioning him for racing purposes.

Mac Steele of Summerside has had a good trotter sent to h'm by brother Danny from the Metropolitan Speedway. This is the four year old Helen D. by Atlantic Express. She was raced as a three year old last year, taking part in five races and winning $924.83, making her eligible to the 2.20 Trot. Her record of 2.19 1-4 was taken in a winning race, the Senior Yankee Stake for thre year old trotters at South Weymouth, Mass., Sept. 26th, 1932. As the get of Atlantic Express race on improving with the years we look to see this mare a formidable competitor for the trotters here in her class.

In addition to the above Mac has that game little pacer Because 2.12 a son of the great Grattan Royal 2.06 1-4. This lad is owned by Mr. J. P. Smith, Kinkora, and was one of the best pacers out in 1930, but met with an accident last year, from which he has fully recovered. Mac also has a two year old by Lacopia out of Miss Belle Rico 2.16 1-4, owned by A. J. Barter, Saint John, N. B., and a three year old owned by Mr. Arthur Allen, Summerside, in addition to the well known performer Lucky Lindy 2.11 1-2 and the trotter Mr. Squires 2.16 both answering to the ownership of Wellington McNeill, Charlottetown.

We would not be surprised to see the fur fly in Cape Breton as arguments re the relative speeds of Calumet Brownie 2.01 1-2 and Marjorie M. 2.07 3-4 are frequent down in the coal country. Marjorie M. was at one time owned by the lady owner of Calumet Brownie, but Trainer Hood did not think she was quite up to the scratch and sold her, with the result that under the new ownership, Kasouf and Jabblee, she has been a bearcat.

The best mile reported for a three year old pacer for a half mile track this season was that of Calumet Dayton at Pinehurst, N. C., when he stepped that oval in 2.13 1-2. He is by Truax 2.03 1-2 out of Elsie Scott (3) 2.10, a full sister of three better than two minute performers.

How would you like to be at Goshen, N. Y., right now? If you were you could watch horses training from morning till night, as there are no less than 200 race horses stabled there now and taking their work every day. There is an early meeting in June and the track is a peach to train over.

Walter Cox, Goshen, N. Y., now possesses the distinction of being the oldest campaigning driver on the Grand Circuit. His contemporaries have either passed to the great beyond or have given up racing. Just a few years ago Walter was fighting it out with Lon McDonald, Ed. F. Geers, Fred Edman, Tommy Murphy, Dick McMahon, Nat McCarthy, Vic Fleming, etc. Of that bunch Vic Fleming alone remains with Walter as a race track driver, but he is a comparatively young man having driven his first races in 1913. Walter is training 35 head, mostly colts for this season's racing.

A writer in the American Sportsman says: "A good horse, well driven, affords a real treat to the eye of an observing horseman. The slow moving, slow thinking driver naturally handicaps his mount in the gateway, is inclined to alibi his tardiness by saying that the starter has his favorite and pets. The winning combination consists of a good horse competently trained and skillfully driven."

G. Milton Hatch of New Vineyard, Maine, conducts a column of interesting horse notes in the American Horse Breeder weekly. Mr. Hatch is well known to many Prince Edward Islanders, particularly W. S. McKie, who was an old pal of his. We wonder if anyone of our horsemen friends will remember h'm as a starter at the Charlottetown Exhibition races some years ago.

Lilian 2.08 1-2, winner of the 2.22 pace at Charlottetown, driven by "Red" Hanafin, last Exhibition, has, we understand, been sold to a party in Woodstock, N. B., and perhaps we may see her again in action in this province. J. W. Gallagher is mentioned as the lucky owner.

Several stables are moving out to the Charlottetown race track this week among them being Jimmy Power's string consisting of Volo Rico 2.04, Billy Cope, 2.10 3-4, and Frisco Chenault, a promising green pacer. They will be under the watchful eye of Pat McKenna.

Clarence Schuman will occupy seven or eight stalls, his string consisting mostly of colts.

Jiggy Arbing, Charles Reardon and others will be locating there as well. The track is in great shape and will be fast now after the rain.

H. Stacy Smith of Newark, N. J., who set the team record for trotters over a half mile track of 2.13 1-4 in 1932, will try for pacing team honors with Zombro Hanover 2.00 1-4 and John Judy 2.01 1-2.

Willard Kelly, Southport, will have his good stallions Kalmuck 2.15 1-2 and Allworthy 2.15 1-2 in service again this year. The former is sired by Peter the Great, dam Esther Bells 2.08 1-2, granddam Expressive, the dame of Atlantic Express.

Kalmuck has beautiful trotting action and with his wonderful breeding is sure to make his mark as a sire. In fact he has already some nice youngsters coming along in the U. S. A.

Allworthy showed tremendous speed when trained and easily took a record of 2.15 1-2, but cut himself severely in a race at Saint Peters and has not been trained since. Several of his get will be in training at various points this year including two three year olds now in Willard's barn. These are respectively out of Breezy Todd by Mayor Todd and Helen R. 2.15 1-2, well known for her racing performances in 1914 and 1915. When in the McKinnon stables she won five races at Halifax and Charlottetown in ten days.

Willard also has a good green pacer in Dream Girl, trial 2.12 at two years old. This little lady is by Chestnut Peter 2.03 1-2 and was owned by an estate, hence did not get an opportunity to race either last year or the year previous. Nothing has been taken out of her and we look to see her one of the good ones in the slow classes this year.

It is understood that the good trotter May Tell 2.19 by Captain Aubrey 2.07 1-4, dam June Tell 2.23, bred by Hedley Fulton, Upper Stewiacke, N. S., now owned by James Hennessey, River Herbert, may come to Charlottetown shortly for training. May Tell is eligible to the 2.25 trot. She started in three races last year, winning one. Was second in the 2.27 trot at Charlottetown to Addie McGraw in 2.14 and second to High Toby in the 2.24 trot at Halifax, winning the last heat from High Toby over a heavy track. She won the Free For All at Port Elgin, Sept. 28th, in straight heats, best time 2.27.

Word has just been received that Orrin Jardine, the popular trainer, who made such a success with Lucky Lindy 2.11 1-2, King Spruce, 2.11 1-2 and other horses last year, will locate shortly at Northam race track, where he will be prepared to handle some speed prospects.

SPORT BRIEFS

(Continued from page 7)

tween the Moncton civic authorities and the Hawks management the team members can get berths elsewhere. We hope that nothing so unfortunate should occur as that Moncton will cease to be a member of senior hockey and that some method may be evolved that their grand Allan Cup team can be kept intact, or nearly so, for 1933-34 competition.

Elsewhere will be found particulars of an address and presentation made to Joey Beaton, popular centre player with the Abbies the past season. Joey has enjoyed a few days visit here together with his pal, Hymie McArthur, and their hundreds of friends have made it more than pleasant for them. We are all hoping to see the Kid Line in its entirety again with the Abbies in the Big Four.

You that are interested in horse racing either the Harness or Thoroughbred, must have noticed the tremendous interest being taken in dog racing, particularly in England, where greyhounds chasing eletcric rabbits, draw thousands of spectators nightly, partly on account of the sport and a good deal on account of the betting. However, there is a new element injected into the racing game, namely, cockroach racing. The gentleman who has brought this new form of sport to the front is Capt. Grantley Kim, and the first race was run in Greenwich Village, New York, this week. He states that it has become extremely popular on the continent.

The Captain has 700 racers in his stable and more than 75 of them are steeplechase bugs and one of them, Blarney Stone Tarzan, can leap a three inch obstacle during a driving finish.

"Almost all my racers" the Captain said, "are foreign born. Fifi von Kartoffeln is the fastest little cockroach ever seen in a claiming race. Can she run!"

When a boy the writer remembers in the old days of the great high desks at school, having a lot of fun with some chum, running races with small animals while the teacher was occupied with another classes. Afterncons from two to three were usually selected, but the pedagogue became suspicious and one day to our horror caught us while the excitement of a close finish was on. We got some awful bangs with the ruler, which cured us of that form of sport.

What a man! The proudest father, in South California is Wesley E. Morgan, 74 year old real estate man, whose two babies have been judged first and second best in a perfect baby contest. Herman, seven months old took first and Wesley Jr., two, won second. "It would have been a dead heat" Morgan boasted, "but Wesley had a cold and was handicapped."

A presentation from the undersigned friends and admirers of Joey Beaton was made to him last evening in the form of a beautiful Bulova wrist watch, suitably engraved, accompanied by the following address. Joey was greatly pleased and so expressed himself.

To Joey Beaton:—

Leading scorer and most valuable player in Maritime Big Three Hockey League season of 1932-1933.

Dear Joey:—

The undersigned, just a few of your many Charlottetown friends, take this occasion to welcome you back again after a brief visit to your home. We assure you it is a great pleasure to have you with us and that everywhere you will meet with a warm welcome.

Your achievements during the hockey season recently closed, have brought honor to you, the Abegweit hockey team and to Charlottetown, and we are proud of you. The leading sports writers of the leading Maritime newspapers have voted you the most valuable player in the Big Three Hockey League and have awarded you the trophy emblematic of that honor. You have also another honor, that of being the leading scorer.

It was a pleasure to see you on the ice at all times. You gave your best in every game and your courageous efforts were the means, together with that of your good comrades, in bringing many victories to the Abbies team. While they did not secure the Allan Cup or the right to play off for it, yet the margin of victory which their opponents secured over them was not great and almost every game was a desperate struggle.

Two games stand out, particularly the one in which we defeated Moncton two to nothing, January 23rd, in the third period of overtime and the game on February 8th at Halifax when we defeated the Wolverines two to one. Both opposing teams had their very best lineups on these evenings and the games were without doubt the fastest and most desperately contested in the history of hockey in the Maritimes.

As a small token of our esteem and something that you will have as a remembrance, we ask you to accept this gift.

TIME—About six p. m. Saturday night.
CHARACTERS—Husband—A man. Wife—A woman.
Hubby returns home for supper in no uncertain mood. Another operation on his pay envelope hasn't improved his temper. Throughout the action the wife is endeavoring to humor him.
HUBBY (entering dining room) "Well, my dear, what have we for supper?"
WIFE (enumerating items on her fingers as she answers) "We have bacon and eggs, stewed prunes, cake and tea."
HUBBY (assuming a pained expression) "Is that all?"
WIFE "Well, you could have ham and eggs, or lobster salad, or if you like, I'll give you some vegetable soup."
HUBBY (Becoming irritated) "Anything else?"
WIFE "What about some cold chicken, or pork pie. I could scramble some eggs in a few minutes. There is some lemon pie in the house."
HUBBY (Slowly working up a great fury, but controlling himself by a remarkable exertion of will power.) "Anything else?"
WIFE (now very much alarmed talks rapidly) "Why not have a few slices of that roast beef we had for dinner, or some nice cooked ham, boiled or poached eggs, some ready cooked cereal, macaroni and cheese, or some sardines on toast."
HUBBY (his temper at the bursting point says ominously) "Is that all?"
WIFE (backing away in terror) "I'm dreadfully sorry, there is nothing else."
HUBBY (thunders in his rage) "WHAT! NO BEANS?"
(Draws gun and shoots wife.)
Curtain.
