

PROWSE BROS. Limited

Held Their Annual Meeting Tuesday

And Will Continue Business as Usual Under the New Management of

Senator B. C. Prowse, President

T. W. L. Prowse, Vice Pres. and Gen'l Mgr

John S. Pierce, Managing Director

Mrs L. E. Prowse, Director, in place of the late Mr L. E. Prowse

THE LATE MR. L. E. PROWSE,
Founder and past President of the firm of
Prowse Bros., Ltd.

In 1881, just 45 years ago a small shop was opening its doors to the public of Charlottetown, by the late Mr. L. E. Prowse.

The small shop has grown into one of the largest and is now beyond a doubt, the Economy Centre of the city. Not many firms have to their credit such a record of success, and this success is due to an unflinching faith, a desire to serve and a clever foresight into the future—Qualities which were manifested in the founder of the house, we trust you will find under the new management, enhanced and stronger if possible?

In the loss of the late Mr. L. E. Prowse this firm has sustained a very severe blow; it was due to his ability and geniality that this firm made such a success of business; and we feel we are honoring his memory when we continue the business, as that was one of his wishes; and we bespeak for ourselves a continuance of your valued patronage, and you can rest assured that the new management will do all in their power to make your buying profitable.

T. W. L. PROWSE,
Son of the late L. E. Prowse, new Vice President and General Manager of Prowse Bros., Ltd.

The new General Manager of the firm has been associated with his father in the business since 1914 and the past four years has been Assistant Manager, looking after the financial and advertising departments, while his father looked after the buying; and we see no reason why he should not make a success in his new position.

Mr. John S. Pierce

Yours Very Truly

PROWSE BROS. Limited

SENATOR B. C. PROWSE,
New President of Prowse Bros., Ltd.

The new President of the firm, Senator B. C. Prowse, was associated with his brother, the late Mr. L. E. Prowse as a business partner the past forty odd years and contributed no little share in the success of the business. He will now take a more active part in continuing the splendid business of the firm which he helped to build up; and will be glad to meet all the old customers of the firm and trust that they will stick by the new management of which he is the President.

MR. JOHN S. PIERCE,

The new Managing Directors of Prowse Bros., Ltd.

Mr. Pierce was associated with us in business from 1900 to 1910 and is therefore quite familiar with all our business methods, being at one time manager of one of our important depts (Men's Wear) and made a success of it; he also made a success of the Charlottetown Selling Agency of which he has been manager the past number of years. In his new position we feel that he has the confidence and good will of the general public.
