

IMPORTANT READING MATTER SELECTED FROM THE WEEK'S NEWS FOR THE GUARDIAN'S SATURDAY SUBSCRIBERS

TUESDAY.

Mrs. C. Gavin Duffy, of Charlottetown, is at Birchdale. She came here to attend the funeral of her brother, Frank Eden, which took place on Friday.—Halifax Chronicle.

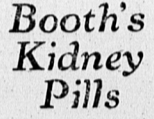

Clarence Harris, city, formerly of the staff of C.L. Grant & Co., has accepted the position of representative for this province for Vassie & Co., St. John. Mr. Harris' many friends will be delighted to learn of this as the new position carries with it a certain degree of promotion along his chosen line of work. He is a Charlottetown boy who has met with much success commercially and has in his business connections with firms all over the Province made hosts of friends by his prompt and courteous attention to customers.

The drawing room concert given last week at Ottawa by Lady Davies in aid of the day nursery for the settlement House was an unequalled success, both as regards the program and the number present, two hundred and fifty tickets having been sold. Lady Davies, who wore a lovely gown of black satin with steel trimmings, was assisted in receiving by her daughter, Miss Gertrude Davies, who was charmingly gowned in pale blue. The numbers on the program were all so well rendered that every one was thoroughly delighted.

What might have been a very serious accident occurred to Will A. Pooley, North Tryon, on Wednesday evening. While he was thrashing with his gasoline thrasher the elevating canvas on the separator caught

DISTRESSING HEADACHES

Headaches are largely the result of disordered kidneys. Mrs. Hall, 84 Flora Street, St. Thomas, Ont., says: "I suffered for years with headaches of a most distressing nature. They would come on me suddenly, and would last for days at a time. These were usually accompanied by spells of dizziness that would leave me unable to attend to any house duties. My back was weak and caused me much suffering through the night. I had doctored for years, but all to no avail. Nothing benefited me and my condition was gradually becoming worse. I learned of Booth's Kidney Pills. One box gave me a complete and lasting cure. I have not had a headache or dizzy spell since and I feel like a new person."

Booth's Kidney Pills are sold by all druggists, 50c. box, under a guarantee to refund your money if they fail to relieve any disease having its origin in the kidneys or bladder. Postpaid from The R. T. Booth Co., Ltd., Fort Erie, Ont. Sold and guaranteed by Geo. E. Hughes, city.

and while trying to release its hold his hand came in contact with the cylinder, smashing two fingers very badly. Mr. Pooley is very thankful that he got clear without losing the whole hand. His many friends wish him a speedy recovery and hope to see his machine in operation in a short time. He has been using his machine for two years, and was very successful, this being his first accident.

By the terms of the will of the late Frederick Gwinner, jr., a millionaire contractor, of Pittsburgh his fiancée, Miss Mary A. Leech, a glove buyer in a department store, will receive an annuity of \$11,000 a year, in addition to this she will receive the dividends from fifty shares of valuable stock.

The millionaire contractor and Miss Leech were engaged to be married for several years before his death, which occurred on April 27. They attended the Horse Show, grand opera and other social functions together, and the date for the wedding was set last spring.

A few days before Gwinner's death he took his fiancée to the theatre. He became ill with pneumonia and died a few days later. Miss Leech refused to discuss the will, although she admits that she will receive the annuity. Through her work at the department store she had provided for her aged mother, of whom she is practically the only support.

The home of Jas. McLean, Orwell Cove, was the scene of a happy event on Wednesday night, Nov. 30, when his second daughter, Miss Katie, was united in the holy bonds of matrimony with Herman McDougall of New town. Miss Edith McDougall, sister of the groom, supported the bride while Wilfrid McLean, brother of the bride, supported the groom. At exactly six o'clock the contracting parties entered the parlor to the strains of the wedding march which was played by Miss Winnie McDougall, sister of the groom. The bride looked charming in a cream dress and carried a bouquet of roses and maiden hair ferns. The ceremony was performed by Rev. J. W. McKenzie of Belfast in the presence of about 75 immediate friends and relatives. After supper had been served, and to which everybody did ample justice, the night was most pleasantly spent in dancing, singing, etc. The violin music was furnished by Dan McLeod and Jos. Griffin and the bagpipes were played by Norman Gillis and added very much to the enjoyment of the evening. The esteem in which the young couple were held was evidenced by the many beautiful and costly presents, too numerous almost to mention. After everybody had expressed their thanks for the pleasant time spent and wishing Mr. and Mrs. McDougall success and happiness in their future career, the happy gathering came to an end. The Guardian joins with their many friends in wishing them a long, happy and prosperous life.

WEDNESDAY. The C. G. S. Minto will leave Halifax about the end of the week for this port to engage for the winter running between here and pictou.

The annual meeting of the Clyde River Farmers' Institute will be held in the Clyde River Hall on Monday evening, December 12 at 7 o'clock. Should weather prove unfavorable, meeting will be held on the first fine evening following.

Miss Teresa Morrison of Tracadie, while driving from a funeral Monday met with a serious accident which it is feared will prove fatal. The horse took fright and ran away and she leaped from the buggy landing on her head. The driver was also pitched out and picked up in an unconscious condition. Miss Morrison received a bad blow on the base of the skull and bled profusely behind the ear. The driver though badly shaken up was not seriously injured.

The following respecting the Hattie Le Blanc trial referred to in another column will be of particular interest to provincialists. During the course of the trial on Friday District attorney Higgins said to the court: "I wish a writ of habeas corpus for Mrs. Elizabeth Richmond." Mrs. Richmond is serving a life term in Sherbrooke reformatory for the murder of Stewart McTavish of Prince Edward Island and the district attorney wishes to show Richmond. Mrs. Richmond is served by her testimony that Hattie is familiar with the English language. Mrs. Richmond and the Le Blanc girl were prisoners together in the East Cambridge jail. This motion of the district attorney was taken under advisement by the court.

CHOICE BISCUITS FREE

Samples of White Lily Brand Biscuits Will be Given You Without Charge

You have recently heard much concerning White Lily Brand biscuits, how they were recently awarded the gold medal at the Dominion Exhibition at St. John, how they have caught the public taste and are selling rapidly. Very likely you have already tested their excellence, but in case you have not done so, please ask your grocer for an attractive box containing free samples of the biscuits. If your grocer cannot supply you drop a postal card to the manufacturers, Messrs. J. A. Marvin, Limited, Moncton, any time between December 12th and 17th and a small box of biscuits will be sent you by mail.

Attention is drawn to the adv. re farm of 50 acres of land for sale on the county-line road. All particulars can be obtained by applying to Roderick Munroe, Lyndale, as will be seen by adv. which appears elsewhere.

Lorne Unsworth, well known among athletes, at present Second Engineer of the D. G. S. Stanley, who recently took the Chief Engineer's exam. in St. John, N. B., before Mr. Dalton, Marine and Fishery department, Ottawa, has passed most successfully and now holds his Chief Engineer's certificate.

Says the Halifax Herald:—The commission on conservation, appointed by the Dominion government in September, 1909, have commenced their work in getting statistics and information in the connection with the natural resources, etc., of Canada. The commission is made up of seven committees and their work is divided as follows: Fisheries, game and fur-bearing animals, forests, lands, minerals, press and co-operative organizations, public health, water and water powers. The Hon. Clifford Sifton is chairman of the commission. Hon. F. L. Haszard, Charlottetown, is chairman of the fisheries committee; two members of the latter, Hon. A. K. McLean, attorney-general of Nova Scotia, and Professor Howard Murray, of Dalhousie college, held conference with the members of the fisheries committee of the Halifax board of trade on Friday evening last, December 2nd, when the views, from a merchant's standpoint, were discussed in regard to the curing, packing and inspection of fish and fish oils. The new lobster regulation were touched upon and also what could be done to revive interest in the cultivation of oysters.

Notice to Fat Women

Presumably you know, ladies, that the proper caper nowadays is lines. Curves are passe. You have got to take off your fat. This must be done in one of three ways. By dieting, by exercises, or by means of Marmola Prescription Tablets. The former will keep you busy for months and punish you pretty severely, the latter will cost you 75 cents at the druggist's. The tablets will not make any alteration in your diet necessary, and yet in all probability, before you have used up one case, you will be losing from 12 to 16 ounces of fat a day. Which method do you like the best?

If you fancy this pleasant method of getting off the fat, see your druggist instantly, or else write the Marmola Co., 1201 Farmer Bldg., Detroit, Mich., to send you a case by mail. These cases contain 30 tablets, a quantity of tablets that is very economical. It is, also, quite harmless, for the tablets are made exactly in accordance with the famous Marmola Prescription.

The funeral of the late Mrs. John Creeman, Hope River, took place Friday morning from her late home to St. Ann's Church, Hope River. Rev. Father McAuley officiated at the services at the church and grave. There was a large attendance of mourners and friends. The late Mrs. Creeman, was 78 years of age and died on Wednesday last. Her husband John Creeman, died a number of years ago. Mrs. Creeman leaves three sons—James, Harry and Michael, all located abroad, and four daughters, Mrs. Patrick Doyle, Hope River; Mrs. Patrick Burns, City; Mrs. Frank Nonally, West Superior, and Mrs. Bernard Murphy, Freeland, Lot 11.

Style and beauty combined with speed add greatly to the selling value of a trotter. Strange to say no stallion with a trotting record of 2.05 or better has yet bred a trotter that has made so fast a record as 2.05.

Twelve Bingen weanling sold at Fasig Tipton sale last week which realized \$5,355. California trainers are buying hay for ten dollars per ton, for three to ten dollars \$20 per ton. The American Horse Breeder, Nov. 30th, is asking for the full breeding of Baby Logan also for her gait. Doctor this mare is too good to keep hidden.

John P. Irving is off to the Amherst Fair with quite a good string of trotters and pacers all of which will be sold.

Arion (2.07 1/2) has already surprised his own sire Electioneer 1.25 as a sire of 2.10 trotting speed. He is now credited with four trotters in the 2.10 list. Electioneer with three. Miss K. L. Wilks, filly, Princess Todd 2.24 1/2 is credited with a quarter in 32 seconds a 2.08 clip. She is some baby trotter, can you beat it.

Mr. Reay bought Vesta Boy at the New York sale and resold him to Daniel Steele, Summerside. The price paid by Mr. Reay was \$430.

Vesta has a mark of 2.05 1/2. She should gather in some free for alls next year. The Bondsman sire of Colorado E. (3) 2.04 1/2 brought \$11,000 at New York last week and is considered dead cheap at that. Colorado E. will be bred to about 30 mares next season all of which are booked at \$300 each a little in excess of P. E. Island service fees. Uhlan 1.58 1/2 The Harvester 2.01, Colorado E. (3) 2.04 1/2, Native Belle (2) 2.07 1/2 and Miss Stokes (1) 2.19 1/2 all from top record dams. Chcer up boys we have a chance yet.

The great brood mare Beautiful Belle (2.24 1/2) produced her 18th foal when 25 years of age yet she lived to be 32 yet none of her produce lived to a very ripe age.

Here is one that will bear retelling. It is the story of a very bashful young man and a girl. He was taking her out to drive on a lonely road one day recently.

He had a ribbon tied on a good buggy and a ribbon tied on his whip. The setting was perfect but he was very quiet and diffident. In fact his bashfulness was painful and the girl wanted to help him out so she said: "Oh dear I'm so sad nobody loves me and my hands are cold. Then the bashful young man looked down to see if the horse's hind legs were still on and I lied: You hadn't order say that. God loves yer'n yer. Mother loves yer'n if yer hands are cold yer can set on em."

Walter Cox who is well known as an expert reinsman lives and trains horses in the shank end of New Hampshire where they have plenty winter. On a sweltering hot day in July during the Grand Circuit meeting at Kalamazoo he told a bunch of Kentucky drivers. "Any man that couldn't take a horse up to Labrador and get him ready to race by August first could put his head in a doughnut hole." On the Island most part of April and May put our horses on the rough and out of six as the roads and tracks are frequently unfit to move on.

Dominion "D" owned by W. H. P. Irving, Cape Traverse and who holds the Maritime record for three year olds came very nearly hanging hands recently, but Mr Irving declined and turned down the purchaser who is none other than the genuine horseman and true sport from Tryon. The gentleman in question offered \$550 so it is understood and claimed he was (low spirited) and wished to make his happiness complete. Laton on his spirits were raised but now it is reported insomnia set in and it is confidently expected that Mr Irving will accede to the wishes of the Tryon horseman.

THURSDAY.

There died at Bradalbane on the 21st November after several months of painful sickness, Catherine, the beloved wife of Duncan McKinley, Elder, aged 69 years, leaving a sorrowful husband one brother and four sisters to mourn their loss—Viz: Duncan McDonald, Elder of Rose Valley; Mrs. Alexander Buchanan, Bradalbane; Mrs. Neill Matheson, Rose Valley; Mrs. Donald McLennan, of Wetsmoreland and Mrs. Roderick Nicholson of Charlottetown. Apart from the deep sympathy felt for the bereaved husband the community in which she lived and the church of which she was a member for many years feel their loss in her demise. She was a woman of more than ordinary intelligence and God's word was her delight and constant companion and was often at the bedside of the sick and infirm reading for them God's message of love to a lost and sinful world. Being blessed with a fair share of this world's goods her generosity to the deserving poor will be long remembered in the community. A few weeks before her death the writer of this obituary visited her and expressed his sympathy with her. She expressed in complete resignation to the Divine will in her affliction and said "My Redeemer speaks peace to my soul and I often experience his spiritual presence with me and can sometimes say with his servant Jacob this room is none other but the House of God and this is the gate of Heaven." She lived a consistent Christian life and died trusting in the merits of her Saviour whom she loved. The service at her late home and the grave was conducted by her

Public Notice

As measles seem to be getting prevalent in the schools of Charlottetown owing to the neglect of some citizens, public notice is called to the Regulations of the Board of Health, especially to Rules 1 and 6. Rule 1 states that any household in whose house occurs a case of measles shall immediately notify the Board of Health, through its Health Officer or secretary, of the same. Rule 6 states that no member of any household where measles exists shall be permitted to mingle with children in schools, churches, or other public places. There is a penalty of \$40.00 for failure to obey the rules. The Board of Health requests all citizens to comply with the regulations at once, and assist in stamping out the disease. W. W. in generation after generation of rugged manhood—are built by pure, wholesome bread, the bread that nourishes childhood, invigorates youth and supports the burden of mature manhood's daily toil. The basis of pure bread is pure flour—not a flour that is prepared only for certain baking operations, but a flour that excels in them all. Many generations of hardy Canadians have been raised on the nutritious bread that is made from

"Beaver" Flour

It is a perfect blend of the rich Manitoba Spring wheat and the lighter and more readily assimilated Ontario Fall wheat. It provides a perfect food, rich in the gluten that builds bone and muscle, but also supplying those qualities that make bread light and white.

BEAVER FLOUR is equally efficient in the making of tasty cakes and delicate biscuits and pastry. It aids the housewife to establish new records for the quality of her baking. It never fluctuates or presents unwelcome surprises, as so often happen with ordinary flours. It just makes pure, nutritious Bread, light in texture and white in appearance, and Pastry that is readily distinguished by its crispness and refinement of flavor.

BEAVER FLOUR has a permanent home in every kitchen it once enters. Have you tried it? If not, you are missing half the pleasure of baking, paying more and giving yourself unnecessary trouble. Today is the day to order it from your grocer. DEALERS—Write for prices on Feed, Coarse Grains and Cereals.
