Sharp Demand For Gold Issues At N. Y., Toronto

NEW YORK, Dec. 16 (AP)—
Demand for gold issues gave a fillip to stock trading today.

While the general level of stocks declined, gold issues moved up fractions to around 2 points.

Three gold issues were among the 15 most active issues on the big board. They were: Homestaking Mining, largest gold producer in this country, which advanced 1-8 to 34, Alaska Juneau up 1-8 to 3, and Dome Mines up 1-4 to 13.

Higher in the curb were Wright-Hargreaves, Mining Corporation of Canada, Lake Shore Mines and Hollinger Gold. Other Canadian issues higher were McIntyre, up 1-4, Diablers Seagrams, up 1-4 and Giant Yellowknife, up 1-8. Canadian Pacific was unchanged and Hiram Walker fell 3-8.

Elsewhere in the market losses had a clear decision over gains, but most changes were around a point or less.

At Toronto

TORONTO, Dec. 16 (CP)—Gold issues ballooned ahead on the Toronto Stock Exchange today to climb to the best price levels since October. The group advanced strongly for the second day this week. Base metals showed a slightly firmer tone. Western oils moved quietly downwards.

Senior producers led the advance in gold and juniors showed gains ranging up to 15 cents. Early action spread to the speculative and gains outnumbered losses by a ratio of 4 to 1. The group made its best showing in the first hour and spent the remainder of the session holding morning gains. Dome was up 1-8 in seniors and McIntyre added a point at 52 1/2.

Gains more than doubled losses in a dull base metals list. Falconbridge, Labrador, Steep Rock and Quebec Manitu were ahead while Consolidated Smelters dipped 1-4.

Summerside, Cuba and International Nickel lost 1-4.

Western oils moved slowly downhill. Pacific Petroleum, Home Oil, British Dominion Oil and Decalita showed small declines. Calgary and Edmonton rose 25 cents at \$5.10.

At Montreal

MONTREAL, Dec. 16 (CP)—Losses by selected industrials narrowly edged out gains today on the Montreal Stock Exchange and Curb Market. Most drops, however, were fractional. Two issues slipped more than a point. Trading was light and only four stocks had turnover exceeding 1,000 shares each.

Mines moved into slightly higher ground in a narrow list while trading was fairly active.

Base metals were on a decided downswing. Consolidated Smelters lost 1-4 points and closed at 126 1/4. Aluminum and Noranda dipped 3-4 and 3-8 respectively. International Nickel fell a minor point.

Bell and International Utilities were shaded as Brazilian and Shawinigan added minor fractions.

Cans were also on a down-trend. Powell River slipped 3-4 to 40 1/4. Both Abitibi Common and Pfd. were off 3-8 while Fraser and Connacona fell 1-4 each. Brown and Consolidated first hour managed to gain a minor fraction.

Imperial Oil rose 1-4 as McColl added the minimum fraction and Gaspe Oil moved up five cents.

Home Oil and E. A. Oil dropped 1-4 each while Globe touched a low of 71 1/4.
