ROAD MAKING.—Mr. William Curran, Road Master for East Royalty is to be congratulated for the very satisfactory manner in which he performed his duties in the widening of the Union Road. It is pleasing to note that he and a staff of capable workmen are at present engaged in the opening of a winter Road at Wright's Hill, which has been a long felt necessity.

LIGHTING THE PARK ROADWAY—A commencement will be made shortly with the installation of the lamps that are to light the Park roadway. Already the positions have been marked out where the lights will be placed. Commencing at Government House terrace, they will extend up to the bathing houses. There will be about sixteen lamps, and they are being placed about 100 feet apart.

CONFEDERATION PROCESSION—In the Provincial Building last night there was held a meeting of representatives of the various societies which will take part in the grand parade of the Confederation Celebration. The purpose of the meeting was to decide the order of procession. As there was not an adequate attendance, however, owing no doubt to the unpleasant state of the weather, nothing definite was arranged. After this meeting there was held a meeting of the Celebration Committee at which the following route of procession was finally decided upon. Start-ing from the Provincial Building, the procession will march along Richmond Street to Queen Street; thence to Water Street; through Water to Prince, then into Kent. It will then proceed along Kent Street to Victoria Park, returning by Brighton Road, into Queen, stopping at the corner of Richmond and Queen Streets.

KELLY'S CROSS.—At their home in Maplewood on the 6th inst., the tenth anniversary of their marriage, Mr. and Mrs. John H. Nantess entertained a number of their friends. The evening was pleasantly and sociably spent in music and dancing till about midnight when the guests were drawn to the well laden tables. The appointments of the dining room went up to the top notch, while the music of the dance hall was of the order that induces select dancing. In the early hours of the morn all departed glad to have been there, and sorry to leave, with best wishes for their kind host and hostess.—Mr. Thomas McDonald, a prominent lawyer of New York City, who visited the island last summer, is at present with his wife at the old home of the latter, in Kelly's Cross parish. Mrs. McDonald was formerly Miss Agnes Malone—Rev. Dr. Curran, of Kelly's Cross, who accompanied the pilgrimage to St. Anne de Beaupre, Quebec, on the 14th inst, is at present visiting Father Higgins and other Canadian citizens. Father Higgins takes Father Curran's place in the parish during his absence.—Mrs. P. Duffy, Charlottetown, is at present the guest of Mr. and Mrs. Joseph Creamer, Maplewood.

NEW BAND STAND.—Work has been commenced on the new bandstand that is being built by the City Council. Its site is at Victoria Park, on a round plot of grassland just east of the battery, and overlooks the harbour from an excellent position. There can be little question about the suitability of the site. The new bandstand will be somewhat larger as regards floor-space than the bandstand in Queen Square Gardens, but unlike the latter it will not be roofed in. There will, of course, be a balustrade around the floor and it is proposed to encircle it with small columns which will bear electric lights. The bandstand at the Park will be a permanency.

DARNLEY SCHOOL.—The half yearly examinations of Darnley School took place on Monday 29th, inst. Quite a number of the ratepayers were present, but owing to the military fever consequent of the recruits preparations to go into camp and other causes the attendance was not as large as might be. The pupils were examined by the teacher Mr. Charles MacArthur and acquitted themselves with credit, and they showed a knowledge which was the source of the different subjects is a monument to the ability and energy of Mr. MacArthur. Although he was but six months in the school, and would not be entitled to all the credit, still the advancement is so marked in this short time, that he is entitled to more than ordinary mention. It is a matter of universal regret in the district that Mr. MacArthur could not see his way clear to stay another year, but no doubt he is aspiring to something higher. And if he retains the same energy in his chosen profession, whatever it may be, that he has displayed in teaching school, the future will have to record another successful Islander. Prizes were given to the pupils making the highest marks in each of the several classes, which are as follows:—Grade V.—Lila R. Mahar. Grade IV.—Russell E. Woodside. Grade III.—Gertrude Morrison. Grade II.—Arthur Mahar.

THURSDAY.

FUNERAL YESTERDAY.—The funeral of the late Mr. Thomas Butler took place yesterday morning to the Pro-Cathedral, where a Requiem Mass was sung by Rev. Father Duffy, and interment took place at the Catholic cemetery, where the service was conducted by Rev. Father McQuaid. The pall-bearers were: M. P. Hogan, John A. Griffith, William Corish, Patrick Clarkin, Joseph Warren and Peter McQuaid.

SAPR AT HOME.—Mr. Joseph Kenslow, formerly of this city, who was previously reported to have been among the crew that went down with the Empress of Ireland, is now it is pleasing to learn, safe and sound at his home in Liverpool, England, with his wife and family. His mother, Mrs. De Young, Charlottetown, has received a letter to this effect. Mr. Kenslow was a fireman on the Empress of Ireland and was in the "watch below" when the disaster occurred. He was one of those who were asleep in their bunks when the collier rammed the liner with sickening impact. Awakened by the crash he managed to secure a life-belt and with this on jumped overboard and was floating about on the wide waters for some time before he was picked up by one of the rescuing steamers.

Guard Against Cholera Infantum

Cholera infantum is one of the most fatal ailments of childhood and during the hot summer months thousands of little lives are lost by its ravages. The best way to guard against it is to give the baby an occasional dose of the latter, in Kelly's Cross parish. Mrs. McDonald was formerly Miss Agnes Malone—Rev. Dr. Curran, of Kelly's Cross, who accompanied the pilgrimage to St. Anne de Beaupre, Quebec, on the 14th inst, is at present visiting Father Higgins and other Canadian citizens.
