THE MORNING GUARDIAN

WEDNESDAY, MARCH 18, 1903.

WHITTAKER WRIGHT'S CASE.

The case of Whittaker Wright, mentioned in our despatches as under arrest in New York and to be extradited to London for trial, is exciting a large measure of interest from various reasons. His career was that of a great joint stock manipulator and he succeeded in getting some of the great ones in his toils. It was he that brought the gray haire of Lord Dufferin in sorrow to the grave, for whom great sympathy was felt in Canada, the British Isles and other parts of the world. It turns out that Wright also did much to discredit Canadian mining stocks by means of companies he promoted, including the British America Corporation and the Le Roi gold mine. Lord Dufferin was deceived by the arch-manipulator, and lent the use of his name to enterprises in which others lost heavily, and which occasioned great loss and suffering.

Our despatches of yesterday intimated that some member of the Royal Family had been in some way connected with Wright's criminal operations. Should this turn out to be true it will afford another and painfully striking instance of those high in station being themselves deceived by artful promoters and inadvertently aiding in the deception of others. These are emphatically the days of promoters, and it becomes a too frequently victimized public to scan with greatest caution, if not with suspicion the many new proposals into which they are invited to enter and invest their moneys. The most deceptive ventures are frequently those that are most loudly trumpeted as sure and safe investments.

CLOSING OF GEO. CARTER & CO.

Many citizens learned with deep regret yesterday of the closing of the large wholesale and retail store of George Carter & Co. of this City. The firm had transacted a very extensive trade for years past in books, stationery, fancy goods and seeds with general satisfaction to their many customers in town and country. It is therefore earnestly to be hoped and desired that some arrangement may be effected by which the business may be continued, the more especially as many country patrons who have hi herto depended largely upon this firm for their supply of seeds might otherwise suffer much inconvenience. The business has been ably and successfully managed by Isaac Carter, the junior partner and Isaac Lane the book-keeper of the firm. It is most unfortunate that after their close and careful attention to business the firm should now be so seriously embarrassed by circumstances which were entirely beyond their control. In saying this we feel that we are only expressing the feeling generally prevalent in our City.

NERVOUS SLEEPLESS AND EXHAUSTED.

Not sick enough to lay up, but you are out of sorts, blood is weak, nerves unstrung, kidneys deranged, vitality is low. You should take Ferrozone at once; it will enrich, strengthen and purify the blood, invigorate and pacify the nerves, and increase your energy, vitality and power. Ferrozone will renew your appetite and digestion, make you sleep soundly—in fact will make you well. Try Ferrozone. Price 50c per box, or 6 boxes for $2.50; at druggists, or N. C. Polson & Co., Kingston, Ont.

It turns out that the Stanley's propeller also has been seriously damaged, only one of the four blades being intact and a fourth part of each of the three remaining blades being broken away. The steamers have indeed had a narrow escape.

It transpires that as a result of Mr. Gamey's charges Hon. James R. Stratton, Provincial Treasurer of Ontario has tendered his resignation to Premier Ross. Mr. Stratton was born in 1859 and is the proprietor and publisher of the Daily Examiner of Peterboro. He was first elected to the Legislature in 1886 and has since been continuously re-elected. In October 1899 he was re-elected by acclamation on accepting the office of Provincial Treasurer in the Ross Administration. His resignation is held pending the result of the inquiry about to be held into the charges made by Gamey.

Almost as bad as the detention of our winter steamers has been the blockade on the Newfoundland railway. A St. John's despatch of the 13th instant tells of two women passengers reaching that city after being imprisoned on a snow-bound train. They were detained for a month and escaped by dog trains over a snowy waste of 40 miles. An American engineer with his wife, a Mr. and Mrs. Courtney had to travel by dog train 70 miles to reach a point at which the trains were running. And railway traffic in the more remote districts of Newfoundland was still suspended at latest advices.

The Guardian cordially seconds the proposal embodied in Mr. Haszard's letter which appears in another column of this issue. Very much depends upon the captains of our winter steamers. Courage, caution, watchfulness, good judgment and executive ability are demanded at their hands and for many winters especially in the case of Capt. Finlayson, they have been tried and not found wanting. The past winter has imposed upon them a double share of care and responsibility, and prolonged periods of intense anxiety. We believe the general public would gladly join in the proposal to do them honor in a fitting manner.

ANNUAL SESSION OF THE DISTRICT DIVISION, NO. 4 S. O. T.

The annual session of District Division, No 4, S. O.T. was held with 'Ever Onward' Division Mt Herbert, on Saturday March 14th at 2 30 p m Owing to then unfavorable state of the roads the attendance was not as large as expected. Encouraging reports were given from the following Divisions, which were well represented; Prince Edward, Victoria, Holdfast, Ever Onward, Eclipse, Elliot, and Hazelbrook.

The following officers were elected and installed for the ensuing year.

D. W. P.—S. F. Tarbush (Victoria)
D. W. A.—Kathie Mutch (Ever Onward)
D. Scribe—J. G. McFadyen (Eclipse)
D. Chap.—A. W. Tanton (Prince Edward.
D. Treas.—George Lewis (Mayflower)
D. Cond—Pope Noy (Hazelbrook)
D. Sentinel—S. R. Hooper (Elliot)
Sup't of Juvenile Work—Walter Burke (Mayflower)
D. P. W. P.—H. S. Bagnall (Victoria)

The following resolution was then unanimously adopted:

"Whereas a vigorous and ernest enforcement of the Prohibition Act is taking place at the present time in Charlottetown.

Resolved, that we desire to express our heartfelt approval of the enforcement of said Act."

The public meeting at night was fairly well attended. Owing to the unavoidable absence of Dr Dewar, one of the most prominent members of Ever Onward Division, Henry McKenzie was called to the chair and ably discharged the duties of his office. The following excellent program was rendered.

Chorus—Choir.
Remarks—Chairman.
Recitation—Kathie Mutch.
Address of Welcome—Henry MacLean.
Recitation—Charles McKenzie (encored)
Address—Rev R Opie.
Reading—Henry McLean.
Reply to Address of Welcome—H. S. Bagnall.
Recitation—Pope Noy (encored)
Chorus—Choir.
Reading—Perle Mutch.
Instrumental Music—Henry McLean (encored)
Recitation—H. S. Bagnall (encored)

The different parts were so well rendered that we need add little comment. The Rev. Mr Opie in an able speech strongly denounced the use of alcoholic drinks and clearly proved to his hearers that the best way to obtain a country, peopled by law abiding citizens is to have—Total abstinence for the individual and Prohibition for the State. In concluding he paid a glowing tribute to Ever Onward Division and made an eloquent appeal to all the young people present to resolve by the Grace of God to abstain from the use of that which is wrecking the bodies and souls of men.

Mr H. S. Bagnall, the District P. W. P. with his usual eloquence drew the analogy between the Pyramids of Egypt and th Divisions.

Starting with the Subordinate Divisions as a foundation, then the District Divisions, the Grand Divisions, and on the summit, towering above them all but yet depending on them for its position, the National Division.

After a vote of thanks moved by Henry B. MacLean seconded by H. S. Bagnall, and carried unanimously, was tendered the Rev. Mr Opie and the chairman, Mr Henry MacKenzie, the meeting was dismissed by singing the Doxology.

According to invitation the next session of the District Division will be held with Mayflower at West Royalty, in the latter part of June. With the excellent staff of officers, with our noble temperance worker S. F. Tarbush at their head this promises to be an interesting session.

BORN.

At Grafton Mass on the twelfth of Mar, to Alexander J. and Mrs. Ross, a daughter.

DIED

Entered into rest at Union Road Lot 57 on March 12th, Jane Moore aged 72 years and 9 months widow of the late Jas. A. [illegible] and daughter of the late John Lane formerly of De Sable.

IN ALBERTON AND VICINITY

Interesting Items Gathered By the Guardian.

MISS Irene Clark, of Bay View, was in Alberton on Monday.

REVS. Howard and Gratz exchanged pulpits on Sunday, the 15th inst.

MISS Rettie G. Leard is visiting in Summerside, the guest of C. R. and Mrs. Rogers.

ROBERT Bell had the misfortune to crush the second finger of his left hand on Saturday. Dr. Ross found it necessary to amputate the finger at the second joint.

A SCARCITY of kerosene in the town is reported. Unless those steamers get out of the ice pretty soon we may be somewhat like the people who sit in darkness—only we won't see any light.

REV W. J. Howard has resigned his position as pastor of the Methodist church of this place, and will leave for Vermont in the course of a few weeks. The state of Mrs. Howard's health necessitates the change. Mr and Mrs. Howard are at present visiting relatives in the eastern part of the island.

MISS Martha Clark, a missionary lately returned from India, addressed a large meeting in the Baptist church on Monday night. Miss Clark spoke of the social and religious life of the people of India, and of the great need of sending them the gospel. Special mention was made to her own work among the Telugus. The address throughout was an earnest appeal for greater missionary enterprise, and was much appreciated. A silver collection was taken in aid of missions.

WEAK LUNGS.

Made Sound and Strong by the Use of Dr. Williams' Pink Pills.

Weak lungs mean weak health, continual coughs and colds—touches of grip and bronchitis, then deadly pneumonia or lingering, hopeless consumption. Weak lungs are due to weak blood. The one sure way to strengthen weak lungs is to build up your blood with Dr. Williams' Pink Pills. Every dose makes rich, red blood, and every drop of rich, red blood adds strength, vigor and disease-resisting power to weak lungs. Thousands of weak-lunged, narrow chested men and women have been made sound, healthy and happy by the use of Dr. Williams' Pink Pills—and they will do the same for you. Mrs. J. D. Naismith, Winnipeg, Man., says: „I contracted a severe cold, which developed into bronchitis and lung trouble. The best of doctors and many different kinds of medicine failed to help me, and my friends all thought I was going into rapid consumption. I had no appetite, was forced to take to bed, and felt that only death would release me. My brother urged me to try Dr. Williams' Pink Pills, and to please him I began them. A few boxes proved they were helping me, and I began to get real strength. I continued the use of the pills and was soon able to leave my bed and sit up. I grew stronger day by day. The cough had racked me almost beyond endurance disappeared, my appetite returned and I am again strong and healthy much to the surprise of all who saw me while I was ill. Dr. Williams' Pink Pills cured me after other medicines failed and I shall always praise them."

Bear in mind that substitutes and ordinary medicines will not cure. See that the full name, 'Dr. Williams' Pink Pills for Pale People,' is printed on the wrapper around every box. Sold by all medicine dealers or sent post paid at 50c. a box or six boxes for $2.50 by writing direct to the Dr. Williams' Medicine Co., Brockville, Ont.
