ISLANDERS WIN GOODLY PRIZES

For Sheep and Pigs, Also in Women's Department at Halifax Exhibition—Twenty Thousand Visitors Estimated—Races Were Keen Each Won in Straight Heats.

HALIFAX, Sept. 27—(Special)—It is estimated that about twenty thousand attended the big fair today and all were delighted with the exhibition and races. The weather was fine throughout the day but in the evening rain set in necessitating cutting out the night program. The work of judging the live stock is not completed, but the returns so far received show Islanders well up in the prize list notwithstanding stiff competition in the sheep exhibit. Albert Boswell, T. Boswell, Silas Lane, P. H. Lane, Cephas Nunn and Roper Bros. carry off the lion's share of the prize money. Roper Bros have also done especially well with their pigs, capturing a goodly number of prizes. In the women's department Mrs McGregor and Miss McMurray, Charlottetown have been awarded prizes.

Mobile and New Orleans have suffered similarly though broken wires render details unavailable.

HEARST WILL GET THE NOMINATION

CONVENTION HALL, Buffalo, Thursday September 27.—In a session which began before eight o'clock last night and was still sitting at an early hour this morning the democratic state convention is endeavoring to nominate William R. Hearst for governor, a test vote on the adoption of the majority report of the committee on contested seats showing the Hearst element to have the necessary strength to win. By 244 to 142 the report was adopted. By this action the Hearst element secured two score additional votes. Congressman William Salter has also been placed in nomination, his name being greeted by a great outburst of cheering which continued fourteen minutes. John A. Dix, of Washington county, a manufacturer, has also been named for governor. The session has been marked by extreme bitterness, Mr. Hearst being arraigned and denounced roundly by a number of the speakers. The language indulged in stirred the delegates into wild demonstrations for and against the sentiments of the speakers. The voting for governor began at 1:45 a. m. Albany county led off with nine for Hearst. Minard's Liniment Cures Dandruff

ABOUT THE LIMIT SILLY BOSH

PITTSBURG, Sept. 26—"The Millionaire's Revenge," an exposition of the murder of Stanford White by Harry Thaw, was witnessed at the Bijou Theater here by Frank Ridgeway, director of the department of Safety, and Chief of Police McQuaide, who occupied a box. It was suggested that they had been appealed to by the Thaw family to stifle the performance, but Director Ridgeway today said they looked to him as though it had been created for the purpose of making public sympathy for Thaw. "As such it was a failure, so far as intelligent people are concerned," said Ridgeway. "The idea of going Harry Thaw on the stage or anywhere as a protector of young girls is too absurd to be accepted by any one family with his escapades." The Madison Square Garden tragedy and the troubles which led up to it are portrayed with thinly veiled names, such as Harold Doves for Harry Thaw, Eumelina Hudspeith for Florence Evelyn Nesbit, Stanford Black instead of Stanford White, and Mrs. William Dawes, mother of the stage hero. "Throughout the melodrama the sentence "The unwritten law will prevail" is repeated.

The minor losses were awarded as follows: Miss Brooks was insured in the Queen for \$800; damages assessed for \$600. Amos Brooks' claim was settled for \$120 and Clarence Chapman's for \$100. The insurance is distributed as follows: Hatford, \$3,800; Euna, \$2,000; Norwich Union, \$3,000; New York Underwriters \$2,000; Royal, \$2,000; Home, \$1,000; London Mutual, \$2,500; Montreal-Canada, \$2,000; Norwich, \$1,000; Commercial Union, \$1,000; total, \$25,000. Some of the firemen worked continuously for eighteen hours and much favorable comment is heard in reference to the manner in which the fire was handled. Much credit being due Deputy Chief N. D. Quigley, who, in the absence of Chief took charge of affairs. Silker & Co. expect to be at work in temporary quarters at once.

FORCED TO EAT THE FLESH RAW

NORFOLK Vt., Sept. 26.—From Men day morning at eight o'clock until Thursday evening following, as darkness was drawing near, thirstily and starving, but for three small fishes which were cast up by the sea upon the bit of wreckage on which they rode, and were divided and devoured raw, John Koerber and Karsten Bernsten, seamen aboard the three masted schooner Nelson E. Newberry, of New York, Captain Bernard, rode on raft on the sea off the coast alternating between faint hope and deep despair until the steamer Egea came along and saved them. The men, who were landed here Saturday by Captain Thomas Olsen, are absolutely destitute. They were turned over to the United States immigration inspector Mr. Morton, who having no authority to furnish the men with food or send them to New York, where they wish to go, sought the Rev. J. B. Merritt, of the Seamen's Friend Society, with a view to getting him to raise money for their needs.

BIG PRESERVE FOR SPORTSMEN

Acquired In New Brunswick Covers Nearly Two Million Acres—Wealthy Sporting Men of Montreal and New York Are Principals, —Chain of Hunting Camps.

ST. JOHN, Sept. 27—(Special)—A company composed of wealthy sporting men of Montreal and New York have taken over the lease of the New Brunswick Railway Co's land in the centre of the province, comprising a million and three quarter acres and propose to make it one vast game preserve. It will establish a complete system of fire protection for these valuable timber lands and will arrange a chain of hunting camps, provide members with boats and launches and in general make the most complete arrangement possible for hunting and fishing in comfort. The lands are situated on the Tobique River in four or five counties. This is easily the largest sporting preserve on the continent and probably the best. The membership fee in the company has been placed at one thousand dollars and the annual assessment will be as required, the amount probably varying from fifty to five hundred dollars. The membership is limited to one hundred. The officers of the club are: Lord Strathcona, Honorary President, Robt. Meighen, of Montreal President. H. H. McLean, Vice President. Alfred Seely, Treasurer; W. T. Whitehead, Manager; On the list of provisional directors are the names of a number of New York sportsmen.

ZEMSTVO MEN WERE SUSPENDED

ST. PETERSBURG, Sept. 26.—By order of the Governor of Tver, three of the most prominent constitutional democratic members of the late parliament, Ivan and Michael Patrunkevitch, and Dmitri Yankovlevich Medvedieff, the latter the secretary of the Agrarian Commission of Parliament, have been suspended from their functions in the provincial zemstvo because they are under indictment for promoting rebellion by signing the Viborg manifesto. Corresponding action has been taken by the marshals of the nobility of Kurak against A. N. Von Rutzsch, M. Sherkof and V. A. Yaku-shakin in addition to Prince Peter Dolgoroukoff, vice-president of the Lower House as previously reported. This is further to indicate that the government is determined not to abandon proceedings against every one of the two hundred and eleven signers of the manifesto. The most serious feature of these proceedings is disqualification to stand for election in the new parliament, unless the cases are brought speedily to trial. Judging from the provincial slowness of Russian justice which has been illustrated in the case of M. Kinstaloff, President of the Council of Workmen, who has not yet been tried, though he has been in custody since last November, no decisions are expected in the other cases for six months to come.

CLIMBED ALPS TO HIS DEATH

LONDON Eng, Sept 26. One of the most thrilling incidents in the season's Alpine climbing has cost the life of a German school teacher, who was attempting the ascent of Weisshorn. Herr Overbeck, of Aix-la-Chapelle, and Herr Kueppers, of Bonn, both school teachers, set out to make the climb without the aid of guides, and all went well until they came to an ice bridge. Herr Kueppers got over safely, but as Herr Overbeck was crossing the bridge gave way, and Herr Overbeck was precipitated into the crevice, hanging from the rope attached to his friend's waist. Herr Kueppers had neither his support nor the strength to draw his friend to safety and after many fruitless attempts had been made, Herr Overbeck begged him to cut the rope, trusting to chance that he himself might survive the fall, while Herr Kueppers could hasten for aid. Finally Herr Kueppers cut the rope and Herr Overbeck fell. Herr Kueppers groped his way to safety, and told the mountaineers of the plight of his friend. A relief expedition found Herr Overbeck at the bottom of the crevice, his body at the bottom of the peak, cut steps morning. He had after his fall, cut steps almost to the top of the peak, and then with safety only a few feet away, he slipped and falling to the bottom was killed.

COLD WEATHER CLOSE SCHOOL

WORCESTER, Sept 26.—The absence of the superintendent of the public building from the city and the fact that many of the bids have not received their supply of coal caused several of the cold. Quigley, who, in the absence of Chief took charge of affairs. Silker & Co. expect to be at work in temporary quarters at once.

MARITIME WOMEN METHODISTS MEET

SACKVILLE, Sept 26.—The twenty-first annual convention of the N. B. and P. E. I. branches opened at Sackville yesterday with a larger attendance of delegates than on any previous convention. First session was held last evening, President Mrs. J. D. Chipman in the chair, Rev. J. L. Dwyer, son opened with scripture lesson and prayer, after which the delegates enrolled. Miss Mellish gave an excellent paper on Temperature of Delegates, explaining how the success of a convention depended upon the enthusiasm and interest of its delegates, each individual having a part to perform. A helpful delegate must hear, help, hasten and show a live interest in all the meetings. The remainder of the morning was given to statistical reports of the different branches of the society.

DESERTS LOVER TO MAKE MONEY

PITTSBURG Pa. Sept 26.—Margaret Duffy a pretty nurse girl, for years connected with the family of A. C. Dinkey, president of the Carnegie Steel Company, has disappeared on the eve of her wedding, leaving a young man named Brady to mourn. Brady had arranged to marry Miss Duffy on last Thursday. The police of Turtle Creek have been asked to take a hand in the search, as it is there the young woman's home is, but they are doing nothing, as it is intimated that the young woman has fled to Europe rather than marry the poor clerk. Miss Duffy, according to her friends, has caught the gold fever, living among millionaires, and lately turned some stock into profit. She then sent for her parents who were in the old country. "Maggie is going to make a lot of money, and she is too busy to get married. She has gone away, and it's one's business where she is," was the way Maggie's mother put the case today.

BANISHED FROM THE PROVINCE

Michael Kruntz, who was found guilty last Monday before Judge Forbes of being an accomplice with Minnie Wilson in stealing a silk skirt belonging to Mrs. Ferris of the Lorne Hotel, was brought before Judge Forbes yesterday morning to have sentence passed. His honor gave him a severe lecture and then allowed him to go on condition that he left the province inside 24 hours. Kruntz was banished for a period of five years and was told by Judge Forbes if he returned within that time he would be sent to Dorchester for five years. Kruntz was released from custody at one o'clock. J. B. M. Baxter appeared on behalf of the prisoner, —St. John Telegraph.

MESSRS LEFURGY AND FOWLER ABSENT

TORONTO, Sept. 26.—"I desire to call public attention to the fact that Messrs. G. Fowler, M.P., and A. Lefargy, M.P., who were both subpoenaed, have not appeared, though the time has arrived," said Mr. G. F. Shepley to the Insurance Commissioners when the session opened this morning. "A gentleman representing Mr. Lefargy saw me this morning to know when he would be wanted, and I understand Mr. Fowler has gone West and will be back shortly. That sort of thing, of course, cannot be allowed. These gentlemen must obey the subpoenas and attend the sessions of the Commission as requested," Hon. Geo. Foster replied to Dr. Oronhyatska's statement yesterday regarding alleged mismanagement of Union Trust money, but hinted that Mr. Shepley had gone out of his way to extract certain statements from the Supreme Chief Ranger. "I am bound to protect myself," said Mr. Foster, "but where can I go to do so?" This was interpreted to mean that he might go to some other tribunal to clear his skirts of charges made against him. He contended his conduct in the matter of investments had been perfectly straight. He again refused to produce the Union Trust stock book.

NEW PROPHET IN ZION CITY

CHICAGO, Sept 26.—A new leader has arisen in Zion city. He is Charles F. Farr, an evangelist of the apostolic faith as it that has 5000 followers, chiefly in Kansas and California. In a single week he has attracted several hundred followers, and last night General Overseer Voliva held a special meeting of officers of the church to see if some prompt and effective measures could not be taken against the proselyter. His converts include some of the prominent elders. "You must choose either me or this intruder who has stolen into our church," said Voliva at the meeting at Zion college. "You cannot serve two leaders. This man is winning some of our most faithful people from their allegiance at a critical time. The only thing that will result is to weaken the present storm is unity. I fear that this unity is threatened." Meanwhile, Perham was holding an enthusiastic meeting not more than a block away from the college. The house was crowded and the congregation covered the lawn. PRESIDENT LOOKS AFTER SAILORS

OSYER BAY, N. Y. Sept 26.—President Roosevelt has contributed one hundred dollars, to be used by Rear Admiral Thomas in a legal suit to determine whether or not a sailor may be excluded from a public place of entertainment because he wears the uniform of the United States Army or Navy. Rear-Admiral Thomas is reported to be paying half the expenses of a suit for \$500 damages brought by Chief Yeoman F. J. Buzelle, against the Newport Amusement Company, of Newport, on the ground that he was excluded from a dance hall while in uniform.

MANY LIVES LOST IN RIVER INDUS

LONDON, Sept. 26.—In a despatch from Lucknow the correspondent of the Standard says that a boat containing 500 persons was capsized in midstream while crossing the River Indus at a point where it separates the Northwest frontier province from the Attock district. The passengers were swept down by the stream and only thirty were saved. They are supposed to have been traders from the province going to the interior.

CZAR ESCORTED BY SQUADRON

LONDON, Sept 26.—A despatch to the "Morning Leader" from Copenhagen says that information has been received from Helsingfors, Finland, that a Russian squadron is escorting the yacht "Standard," on which the Czar and his family are making a cruise, giving the excursion a warlike appearance. The news compares the squadron with Admiral Rajestvensky's armada. The "Standard" is surrounded day and night by torpedo boats. At night every passing vessel is closely investigated with searchlights.

A GRAFTER OF MEAN DEGREE

MACLEOD, Alta., Sept 26.—Frank Wilson, son of the Dominion land agent at Macleod and employed by the Dominion Government as assistant to his father, has been sent to jail for two years by Chief Justice Sifton for extorting a bribe of \$25 and some chickens from a German farmer who wanted a homestead. The facts are that a poor German came into the land office to apply for a homestead. Wilson told him that he could not have a homestead, but a few days afterwards he wrote or sent word to the old man that if he put up a certain amount of money to another fellow he could have the homestead. The German was advised by his neighbors that it was a hold up, but he went to the land, and the matter was eventually arranged by giving Wilson \$25 and six thoroughbred roosters.
