Summerside I.O.D.E. Meeting

Acting Regent Abegweit Chapter I.O.D.E. submitted the following report at the annual meeting

Before taking up the business of the annual meeting I shall speak of the two very sad happenings since our last meeting in the passing of two of our most loyal members, Miss Eleanor Green and Miss Ethel Tanton. We shall miss their presence with us and their kindly support.

It is not my intention to speak at length as the report of our year's work will be given by the convenors of the different departments of work and will be more interesting than anything I can say, but I shall take this opportunity of thanking these officers and convenors for their untiring attention to duty in compiling difficult reports especially those of Mrs. Eric MacKay and Miss Wanda Wyatt who from time to time forwards them to National Headquarters in addition to giving them to us at our monthly meetings. One has to do this work in order to understand its extent and the time involved in its doing.

We are all looking forward to the end of the war, and the peace wonderful! As that day will be it will not mean that we can relax in our work. Our thanksgivings and our rejoicings must mingle with a resolve to meet the obligations the peace will bring, remembering that Our Order is recognized as the largest patriotic group of women in Canada—for this reason —possibly the Dominion Government has called upon us more than once, to do special work covering all of Canada, the most recent, being the desire for funds, to purchase books for the Forces, when our Province was the first to reach its objective. Abegweit Chapter's collection was $1,000. As Regent and on behalf of our members I wish to thank the citizens of Summerside for their generous contribution to this fund. We also thank the Women's Institutes throughout the County for their most helpful contributions.

This report would not be complete without mentioning our councillors—the strong arm of our activities. Under the convenership of Mrs. Lecky they have accomplished all the proposals presented to them in their usual cheerful and efficient manner.

Our thanks is extended also to our efficient Sewing Committee, Mrs. F. J. E. Wright and Miss Zilpha Sharp, also to our Wool Committee, Mrs. Arthur Clark and Mrs. Archie McMurdo who have accomplished excellent work.

We wish to thank Mayor Liddstone and our present Mayor Arnett for the use of the Council Chambers for our monthly meetings.

We thank the Press for their interest and splendid support in our work.

Press Speculation On Windsor Move

LONDON, March 16—(Friday)—(CP Cable)—News of the resignation of the Duke of Windsor as Governor of the Bahamas prompted the Daily Express to speculate today that the former king and his duchess might settle in Canada.

The Express recalled that when he was Prince of Wales the Duke purchased a ranch at High River, near Lethbridge, Alberta.

The Express diplomatic correspondent said the resignation, announced last night, was prompted by:

1. The Duke's wish not to begin a second term of office in the Bahamas since he felt the need for a change.

2. The Duchess' health, which has not been good for some time. It was recalled that since going to the Bahamas in 1940 she had two operations.

All other London morning newspapers front-paged the story without comment but they reprinted New York speculation that the Windsors might live in Paris.

New York Comment

NEW YORK, March 16—(Friday)—The New York Daily News said today in a newspage story it had been informed by a "close friend" of the Duke of Windsor that the Duke submitted his resignation as governor and commander-in-chief of the Bahamas "only after being turned down for high posts both in Canada and India."

The News' informant was quoted as saying: "The Duke thought he could do a better job in Canada, but the Canadians would not hear of it, presumably because of bad feeling still existing there over his abdication.

"Then the Duke hoped he might be sent to India, but it was believed his presence there would do nothing to allay the prevalent internal unrest."

TWO ICEBREAKERS BUSY ABOVE SOREL

MONTREAL, March 15 — The two ice-breakers, the N.B. McLean and the Lady Grey, which are clearing the St. Lawrence River and adjoining waters, were reported today operating above Sorel, about 45 miles from the Lachine Canal.

The two vessels are proceeding normally, it was said, with the McLean, the heavier craft, using its sharp steel nose to make the cuts and her companion, the Lady Grey, widening the fissures and moving jammed ice. The smaller boat also keeps watch on the ice in Lake St. Peter.

Authorities would not estimate when the ice-breakers would land here. The ice barriers in the Montreal area are considered the toughest on the long river stretch.

Many Regret Death Of Mr. A. S. McKay

Many friends throughout the Island will learn with regret of the death of Alexander Stirling McKay early yesterday morning at home in Summerside. About seven months ago Mr. McKay underwent a serious operation in the Prince County Hospital from which he never fully recovered. Although able to go for occasional car drives he had been mostly confined to his home ever since. Always friendly and courteous in manner he will be particularly missed by the staff and customers of Brace, McKay & Co., Ltd., of which firm he was secretary-treasurer.

The late Mr. McKay was born at New London in 1871, the son of Donald McKay and Jessie Cole. His mother passed away when he was only two months old, and he was brought up with his paternal grand parents and later, when his father remarried, by his stepmother. He came to Summerside in 1887 and secured a position with Sinclair and Stewart Ltd., and after remaining there a year he entered the Davis High School. It was his aim at the time to enter the ministry, but to his great regret sickness compelled him to change his plans and in 1890 he entered the employ of Brace, McKay and company. The members of the firm at that time were J.A. Brace, James McLeod and Wm. K. McKay. Shortly after, Wm. K. McKay retired and in 1899 James McLeod died and Mr. A.S. McKay became a member of the firm. In 1901 the firm was incorporated as Brace, McKay & Co. Ltd., and he was made secretary-treasurer, a position which he held until his death.

Mr. McKay is a past grand master of the Loyal Orange Association of P.E.I. and a Past Grand Master of the Masonic Order. He was one of the founders of the Protestant Orphanage and was president of the Y.M.C.A. for twenty years when the organization had a branch in Summerside. He also played a part in the founding of the Prince County Hospital and was a trustee for many years. Mr. McKay also served on the Summerside Town Council for a number of terms. During the first great war he was president of the citizens recruiting committee.

Mr. McKay was one of the charter members of the Summerside Board of Trade, formed about 46 years ago.

He was an elder of Trinity United Church and on the formation of the United Church of Canada he was selected as the representative of this province on the Maritime Executive that had to deal with many important questions effecting the entire church.

Mr. McKay was married twice, his first wife being Bessie Waugh, of Wilmot and from this union there was one son, Albert of Boston. His second wife was the former Ella Ruth McLeod of Boston who survives him, also a son Lieut. Alexander stationed in Bermuda and Effie at home.

The funeral will be held Monday afternoon at 30 o'clock from Trinity United Church. The services will be conducted by the Masonic Order.

Diocesan Church Society Annual Meeting Concludes

The 101st annual general meeting of the Diocesan Church Society took place in St. Paul's Parish Hall yesterday afternoon, with the President, the Lord Bishop of the Diocese in the chair. The meeting was opened with prayer, and after the minutes and reports had been received the Bishop thanked the meeting for its kindly words of welcome, which had been extended to him by Archdeacon Harrison on behalf of those present. His Lordship stated he had noted with pleasure the worship, love and happy relations existing amongst the Church people on the Island. In passing the Bishop spoke of the splendid support of the local press in connection with the meetings.

In a general address about the work of the Church in Canada, Bishop Kingston spoke of prayer Book Revision; of conversations with other Christian Bodies concerning points of agreement and difference; of the need of men for the Ministry and of women for full time service as workers in the Indian Residental Schools and as Van workers. He expressed the great satisaction which came to us all in paying the missionary apportionments in full, both in the Island and in Nova Scota. He announced the following coming events. The Synod during the first week of June, the A.Y.P.A. Conference on June 30th to July 1st to be followed by a Summer School at King's College School Windsor, N. S., from July 1st to July 8th.

After the election of officers and special committees, the following were elected a committee to consult with the other religious bodies in regard to the needs for expansion in Social Service Work in the Province, Rev. J.S. Davies, T.E. MacNutt and Gerald Hooper.

The following resolution was carried by a standing vote. "Resolved, That we, the members of the Diocesan Church Society, this day in session assembled, do now extend to the family of the late Venerable Archdeacon H.D. Raymond, our deepest sympathy in their loss occasioned by his death. May God comfort them with his most gracious consolations. And, we wish here to record our deep appreciation of the faithful and devoted service which he has rendered to the Church in our Diocese and Province during the period of his labours among us as Rector of St. Paul's Cnurch, Charlottetown, and as Archdeacon of Prince Edward Island,

The resolution was followed by a short prayer by His Lordship.

A vote of appreciation was tendered to the Woman's Auxiliary, when it was announced that they had set apart a sum of money for Church extension in the western end of the Island.

After Bishop Kingston had spoken about the step to be undertaken in a year or so to raise money for the Clergy Pension Fund, considerable discussion followed, during which it was stated it was felt that the Church people of this Island would shoulder their share of the undertaking.

The Archdeacon moved a vote of thanks to the Bishop for his sermon at the Church service and for his having presided at the meeting. This was seconded by Mrs. Cosh and adopted by a standing vote

The thanks of the delegates to the meeting from the outside parishes for hospitality extended to them was conveyed to those of the two City congregations, after which the meeting was dismissed with the Blessing by the Bishop.

Navy Veteran Is Afloat Again

A BRITISH PORT, March 15 — (CP) — Pioneer of the sea and veteran of the North Atlantic, Cmdr. Ken Adams of Victoria is afloat again in command of his third sea-going ship in this war, the battle-scarred, fighting Canadian Tribal Class destroyer Iroquois.

After 14 months ashore, first as director of naval warfare and training and then as commanding officer of the navy's new base at Bermuda, Cmdr. Adams assumed his new appointment early this year, a navy release said tonight.

And though he had to "dip" from the rank of acting captain to do it, he's one of the most enthusiastic commanding officers of the Royal Canadian Navy.

A graduate of Canada's Royal Naval College, Cmdr. Adams joined the permanent R.C.N., back in 1919, at the war's outbreak was appointed executive officer of H.M.C.S. Stadacona, the navy's shore establishment at Halifax. Later he commanded the auxiliary cruiser H.M.C.S. Prince David and then became commanding officer of Stadacona with the rank of acting captain.

After that came a term as commander of the River Class destroyer H.M.C.S. Assiniboine during which he tangled with a U-boat.

"That action lasted less than a half hour," he said. "We thought we had a kill, but we were not officially credited."
