

SUPPORT THE LEGION

THEY GAVE--WILL YOU? — Objective \$15,000

Sketch of front view of renovated Legion Building, Grafton St

On Thursday and Friday, 17 and 18 January, you will have the opportunity of expressing in some small way the gratitude which is in your heart for the men who cheerfully offered their all for you.

You have thrilled to the story of Sicily, Italy, Normandy, and countless other places where thousands of Canadians fought to preserve the way of life which we hold dear.

Today these boys, now returned to civilian life, request your support in their efforts to raise funds. Funds which will be used to build a home where they can occasionally gather and meet old comrades and work together in the interest of themselves and the community.

When the ex-soldier approaches you for your contribution on Thursday or Friday, remember to whom you are giving and do so as generously as you possible can.
