

# Let Me Tell You Something

A woman who is sick and suffering, and won't at least try a medicine which has the record of Lydia E. Pinkham's Vegetable Compound, is to blame for her own wretched condition.

There are literally hundreds of thousands of women in Canada and the United States who have been benefited by this famous old remedy, which was produced from roots and herbs over thirty years ago by a woman to relieve woman's suffering.

Read what these women say:

**Belleriver, Que.**—"Without Lydia E. Pinkham's Vegetable Compound I would not be alive. For five months I had painful irregular periods and inflammation of the uterus. I suffered like a martyr and thought often of death. I consulted two doctors who could do nothing for me. I went to a hospital, and the best doctors said I must submit to an operation, because I had a tumor. I went back home much discouraged. One of my cousins advised me to take your Compound, as it had cured her. I did so and soon commenced to feel better, and my appetite came back with the first bottle. Now I feel no pain and am cured. Your remedy is deserving of praise."—Mrs. Emma Chateau, Valleyfield, Belleriver, Quebec.

**Eric, Pa.**—"I suffered for five years from female troubles, and at last was almost helpless. I tried three doctors but they did me no good. My sister advised me to try Lydia E. Pinkham's Vegetable Compound, and it has made me well and strong. I hope all suffering women will just give Lydia E. Pinkham's Vegetable Compound a trial, for it is worth its weight in gold."—Mrs. J. P. Endlich, R.F.D. 7, Eric, Pa.

Since we guarantee that all testimonials which we publish are genuine, it is not fair to suppose that if Lydia E. Pinkham's Vegetable Compound had the virtue to help these women it will help any other woman who is suffering from the same trouble.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit.

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health free of charge. Address Mrs. Pinkham, Lynn, Mass.

## SUNDAY SCHOOL LESSON

S. S. LESSON.

April 11th, 1909.

Easter Lesson. I Cor. xv. 12-28. Now is Christ risen from the dead, and become the first fruits of them that slept. I Cor. xv. 20.

Verses 12-13—Does the doctrine of the resurrection of the body, rest upon revelation or upon reason?

Providing the soul is immortal is it or not, of material importance whether the body is raised or not?

If there is no resurrection of the dead, it follows as Paul here states, that Christ is not risen, but is the converse true, that if Christ is risen, then all human beings will necessarily be resurrected?

It seems that some in Corinth denied the resurrection of the dead in the sense that there is no life after death, now if that were true, then how much would there be left for Christianity?

What is the process of reasoning that demonstrates the fact of immortality?

What is the scripture proof of life after death?

Can you mention a single nation or tribe of the past, or at the present, which has not believed in immortality in some shape?

Verses 14-17.—If there is no resurrection of the dead, how would that make their preaching vain, make our faith vain, and make them false witnesses?

Verses 18-19.—How is it that all men instinctively believe in the immortality of their departed friends, and expect to meet them again?

It was doubtless true in Paul's day that if there was no immortality Christians were of all men most miserable, because, they were then despised, imprisoned and put to death; but is the same true to-day? Is not Christ's religion now a grander thing for this world, even if death did end all?

Verse 20.—What is the chief evidence of the truth of Christianity?

What is the proof that Jesus did rise from the dead? (See Matt. xxv. 16-18; Mark xvi. 1-7; Luke xxiv. 36-38; John, xx. 1-10, 14, 26; xxii. 1, 3, 13, 30, 31; I Cor. xv. 3-8, et seq.)

Is the fact of the resurrection of Jesus to be proved by evidence, like any other fact, and is there any other historic fact better attested?

Why was it, when Jesus was crucified that His disciples were a dispirited band, having lost heart, and going back to their former occupation, and what was it afterwards that put new life in them, and made them the most courageous men that ever lived?

What question must be answered in writing by members of the Club?

What became the prominent theme of their preaching?

Is it credible that such noble men who afterward laid down their lives for the truth, would testify that they had seen and talked to Jesus after his death, if they had not seen him?

Verse 21-22.—Would there have been natural death if there had been no sin?

Would there have been any resurrection of the dead, if Jesus had not been resurrected?

Verse 23-28.—Was Christ the first man to rise from the dead?

When will the general resurrection be?

Will Christ finally abolish death and destroy sin?

Has God put all the forces of nature under the control of Jesus?

WINNIPEG, April 1—(Special)—Twenty thousand persons from the United States will arrive in Western Canada during the present year.

The newcomers will settle on 25,000 homesteads and will have under cultivation inside of the next two years over 50,000,000 square miles of territory.

The movement across the line is one hundred per cent greater than last year and it has been found necessary to put on extra inspectors to handle the work.

The greater portion are settling west of Moosejaw.

They are bringing stock and household effects with them.

**SCOTT'S EMULSION**

is the best remedy for rheumatism. It's a stubborn disease but Scott's Emulsion conquers in the end. Try it.

IF IT'S A **GENDRON** It's All Right

Right from hub to handle and right from top to tire. We know because we make every part of it in our own factory. We use only the highest priced materials for all the parts of the carriage—finest Prime German Reed in the bodies, the best satin for the parasols, the special electric welding for the wheels so they can't break, and the same care, in making as in material, all the way through.

Insist on your dealer showing you a Gendron. If he is unable to supply you, write us.

Says the Miller: "There's always a big demand for two kinds of wheat at the 'Model Mill'—Manitoba Hard and Ontario White, for it's the mixing of these two that makes the famous 'Queen City' Flour."

NO. 4

The Manitoba is the wheat for bread, and the Ontario wheat for cakes and pastry, so, you see, when you get 'Queen City' flour, you can use it equally well for all kinds of baking.

It is made at the "Model Mill" by THE CAMPELLO MILLING CO., LIMITED WEST TORONTO

**MOIR'S CHOCOLATES**

Suggest a Tele-a-Tele

The young man, who desires a quiet tête-à-tête with a particularly charming person of the opposite sex, should accept this gentle hint and take along a box of Moir's chocolates when he calls. We will wager his lady friend will readily discover a secluded corner wherein they can exchange confidences and enjoy the incomparable deliciousness of these pure, wholesome bonbons.

The only regret that accompanies a box of Moir's Chocolates occurs when the last one has vanished. Every ingredient the purest and best. Every bonbon the highest quality. Every box spiced with the charm of wide variety.

**Hewson Underwear UNSHRINKABLE**

It is highly important that underwear should fit perfectly and be nicely finished at the neck, as this is a point which is easily irritated.

Hewson Underwear fits "snug up" at the neck. It is finished with a neat collarette of fine imported yarn which is very soft to the touch.

In fact, Hewson Underwear is the acme of comfort from the ankles up. Insist on Underwear bearing our oval trade mark next time.

**The Philosopher of Metal Town**

"Now, I'm not a professional builder or a contractor or a carpenter, but it seems to me I have had some building problem or other on my hands for many years—first, my own, then my boys', then my nephews', and my grand-boys'.

"Twenty-five years ago I became a pioneer user of metallic building materials.

"It was only a barn, and not much of a barn at that which I first covered with metallic shingles—the first product of the Metallic Roofing Co.

"And, mind you, that was twenty-five years ago, and the roof is weather-proof now. It has never needed repairs. I have built many barns since then, but I have never discovered any sane reason for roofing them differently. You can't improve on a straight 25-year test.

"Then besides, I always believe in dealing with the biggest people in any manufacturing business. You share in the merit of their goods which have made them the biggest in their line. That's why I stick to the Metallic Roofing Co.—they're the largest architectural sheet metal firm in Canada, with an output larger than all others combined.

"But it is not of barns alone I would speak. You note, perhaps, that they call me the 'philosopher of Metal Town'. That's because I'm a public character in a way.

"I have been chairman of many building committees—church, school, library, et cetera, and I always find the metallic man has been my most useful assistant. Outside or inside, front or back, ceiling or sides, I find they all need the metallic man's aid.

"I will tell you more about our 'metal town' when we're better acquainted. I can quote some comparative figures which will interest you. To-day I'm emphasizing shingles.

"You can get them either galvanized or painted. They are always reliable. They are more economically durable and quicker to apply than any others, fitting accurately, and therefore most easily laid. They have been thoroughly tested in all kinds of climates, invariably proving fire, lightning, rust and weather proof.

"If you're building, make sure of satisfaction by ordering Eastlake's for the roof. Full information if you write."
