

For "EXAM" Time Dad Offers Him One for Passing

"Look here, Bill, if you'll pitch in and pass your exams, I'll get you a C.C.M. Bicycle. How does that strike you?"

"Dad, I'd do almost anything for a C.C.M. You just watch me."

"And, dad, a C.C.M. won't cost you as much this year either. I saw in the paper that C.C.M. bicycle prices were the lowest in thirty years."

"Well, that's certainly good news, son. Most everything else I know of costs a lot more than thirty years ago. Is the C.C.M. quality as good?"

"I asked the bicycle dealer about that, dad. He said C.C.M.'s were, if anything, better than ever. Anyway, they've got the same six big C.C.M. features."

"What do you mean, six features?"

"See, dad, don't you know anything about bikes?"

"First, there is the C.C.M. 20-year Nickel Plating.

"Second, the C.C.M. Triplex Crank Hanger that makes for easy riding.

"Third, the C.C.M. Improved Hercules Coaster Brake that makes it so safe.

"Fourth, the three Coats of C.C.M. Enamel baked on over a Coat of Rust-Proof.

"Fifth, the Gibson Pedals, (on most models).

"Sixth, the Dunlop Tires."

"Why, Bill, you must have been hanging around that bicycle store lately, to pick up all that information. I did not know you were so keen about a bicycle."

"I'm so crazy to own one, dad, that I'll study my head off to win a C.C.M."

(Why not offer your boy a C.C.M. for passing?)

Prices are the lowest in thirty years.

RIFLE SHOOT

600 YARDS TRICKY RANGE FOR MARKSMEN

The second spoon shoot of the Lt. Col. D. A. MacKinnon, D. S. O., Special Spoon Matches took place on the ranges Saturday afternoon and nineteen riflemen took part in the competition.

During the first two ranges, 200 and 500 yards the conditions were very good and high scoring prevailed, but on going back to the 600 yards a fish tail wind and low drifting smoke which sometimes almost screened the targets, some of the marksmen got caught badly and ruined splendid scores. However, conditions such as these merely tend to create a more determined desire to beat the weather, wind and mirage.

Next Saturday, May 24th., the range will be open from 9 a.m., when the final spoon shoot in this series will be shot in conjunction with the first elimination practice shoots for the Inter Maritime Team. Some of the match committee will be on hand all day to certify and check scores.

The punishment inflicted upon Driver Sep. F. Palin for his alleged attack on Joseph M. McGraw, a judge at the Kentucky "Trots" at Lexington last fall, has been mitigated from a suspension to a \$500 fine, with the result that the Hoosier reinsman will be allowed to race the extensive stable he now is preparing at Indianapolis.

Last week over the mile track at Indianapolis, Ind., Sep. F. Palin trained the world champion Winnie peg, 1:57 3/4 a mile in 2:12 and let the gelding brush the last two furlongs in 30, Chester Stout, 2:03 3/4 and Saint Guy, 2:04 3/4, the Hoosier reinsman's candidates for the all-age trotting stakes, also put on a speed exhibition, rehearsing around 2:15, with the last quarter in 30.

MILK TO BE SOLD BY THE FOOT
Milk to be sold in Copenhagen by the foot following recent experiments at the Danish farm. Tests have shown that the natural water may be withdrawn from the cow's milk and the remaining pulpy substance rolled into sheets similar in appearance to paper. The rolling is done by special machines, and the milk becomes so highly concentrated that it is a food in itself. When required in liquid form it is easily dissolved in boiling water.

Withers, King's Printer, said, "At that time house, nor chimney, nor barn was allowed to be erected, nor any business other than fishing permitted." Ryan sought formal permission under the seal of the Governor, Sir Erasmus Gower, and put out the first edition of the Gazette after obtaining type and press from New Brunswick.

An advertisement in the copy of 1841, when the publication was 18 inches by 12 and printed on four sides, gave the original spelling of Twillingate as Toulinguet, "20 acres more or less of land situated at Back Harbor, Toulinguet, is to be sold by the Deputy Surveyor, at his office in Toulinguet." Until the latter part of the last century, maps and charts almost invariably spelled it "Toulinguet." An old map of Europe, giving the name of Toulinguet to two small islands off Brest harbor, led to the belief that the similar appearance of these islands won their name from Breton fishermen who came to this coast for cod.

The most important news in the Gazette of June 1st, 1841, so far as Newfoundland was concerned, was the appointment of Major-General Harvey, K. C. B., late Lieutenant-Governor of New Brunswick and Commander-in-Chief of troops in the lower Provinces, to succeed His Excellency H. Prescott, C. B., as Governor of Newfoundland. Sir John Harvey had been Lieutenant-Governor of Prince Edward Island before his appointment to New Brunswick.

New York Yankees are making a long stay at Boston. They don't leave Beantown until this Tuesday evening. Then they go to Philadelphia to tackle the Athletics again.

A wager of \$1,300 against \$1,000 recently was made that neither Main McElwyn, 2, 2:02 3/4, nor Hanover's Bertha, 2, 2:02, will top the summary of Hambletonian Stake No. 3, to be raced at Goshen, August 27th.

Fredericton's hockey team next season will be called "The Millionaires." The club directors have decided and one well known wag says the name must apply to the directors themselves instead of the players.

Joe Ford, the Boston baseball promoter, says that he would like to bring a ball team composed of former favorites in these parts for a trip

to New Brunswick during the week from Saturday, June 28, to Saturday July 6th—a period inclusive Dominion Day for Canadian holiday dates as well as July 4th games on the other side of the border. Jimmy McCourt, Danny Clancy, Bill Dean, Paaky Noonan and Elmer McCarthy are among the former New Brunswick favorites that are lined up and "Sugar" Kane and some other well known players would like to make the trip, too. Joe Ford can be communicated with at 3 South Central Avenue, Wollaston, Mass., by any interested baseball managers. Note—How about it Abegweits?

ORGANIZATION

Outside of a few "workouts" here and there, little or nothing has been done with regard to organization, in either local or provincial baseball. In the good old days the ball season was inaugurated with a Saint-Abbe game on Victoria Day, May 24th.

It's not too late yet, if "Saints" are willing. Judging from press reports quite a number are in shape and a rearm't to go, so let's have a game.

AGAIN—ORGANIZATION

Almost every town and hamlet in the Maritimes have organized so far as baseball is concerned. Schedules have been drawn up, constitutions and by-laws framed, etc., so that all seems rosy on the mainland. How about Charlottetown? A committee has been appointed, but up till now nothing has been done. Things seem flatter than a pancake.

We'll have to shake ourselves fellows—Old King Sol is doing his share of the work, so get busy and do yours. The fans won't wait too long.

THE ROAD RACE

The Patriot Road Race or "Murray Derby," with upwards of twenty-five starters will take place today. Much interest is manifested in the outcome which is anxiously looked forward to by citizens; many favorites have been picked, but that old man "Dark Horse" is in the offing, hence the usual enthusiasm of the rabid fan. May the best man win.

CHILDREN OF PLEASURE WELL WORTH SEEING

Gay technicolor hues, vaudeville skits, song hits and other phases of New York's "Tin Pan Alley" are amusingly pictured in Metro-Goldwyn-Mayer's new all talking, singing dancing romance, "Children of Pleasure" which opened at the Capitol Theatre yesterday.

And as though that were not enough the fast-moving plot of this Harry Beaumont production also includes scenes of New York society in their palatial Long Island estates. The contrast of the two widely separated social classes is ably realized in the moving tail of a song writer who falls in love with a society debutante only to realize that the gulf which separates his life from hers is too wide to cross.

PROMINENT RESIDENT

Jabez Lea of Victoria was in the city yesterday. Although Mr. Lea will be 88 years of age on the fourth of September next, he has all the vigor and energy of a man of 50. He has never been a day sick and judging from his appearance he will evidently pass the century mark barring accidents. For 69 years Mr. Lea has sung in two churches, the choir at Victoria and Crapaud and he is still an active member of the former choir. His voice if anything becoming more mellow with age. Although Mr. Lea retired from farming about eleven years ago he is far from being inactive and this spring has been busy in his garden and at other duties. He is one of the best known horsemen in the province and for the past three years has judged at the fairs held at Alberton, Georgetown, Souris, and Mount Carmel and expects to officiate again in the same capacity this year.

ISLAND RAILWAY VETERANS' ASSOCIATION

A special meeting of the Railway Veterans Association, attended by approximately twenty members, was held in the Railway Club Room yesterday afternoon. The

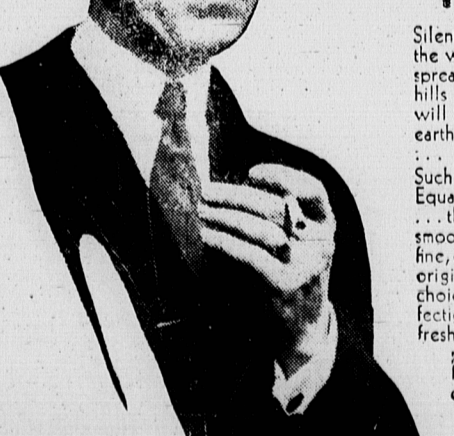

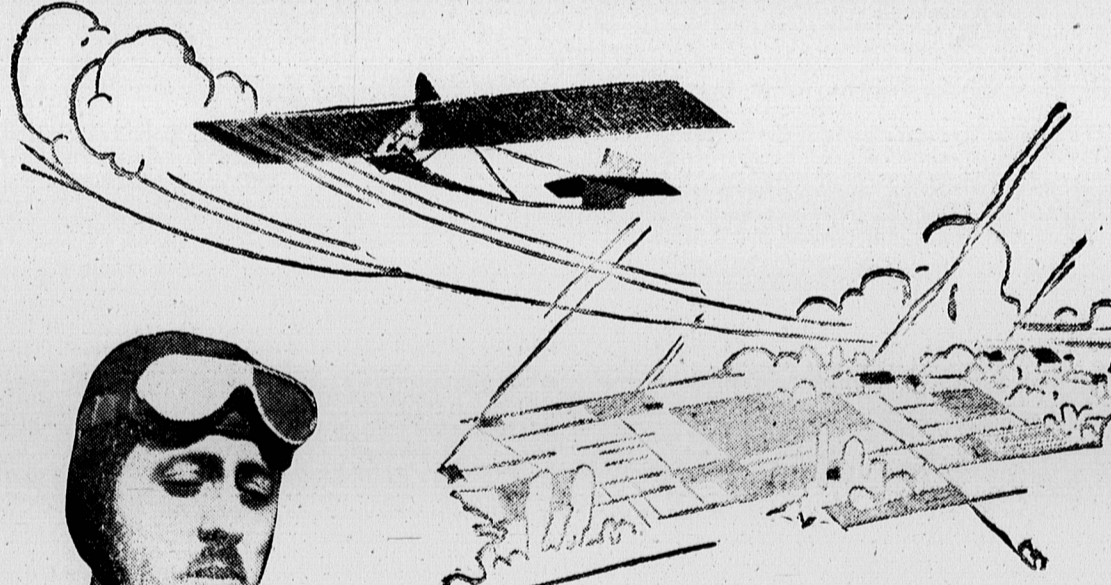

President, D. Fraser, occupied the chair. The principal object of the meeting was for the purpose of presenting a long service medal to Mr. K. Matheson, retired pipe fitter. Mr. J. D. McNutt, Superintendent, presented the medal and addressed the club. He stated it gave him much pleasure to be called upon to make the presentation and complimented Mr. Matheson on his long and faithful service, citing the meritorious performance of duties required to win the decoration. Mr. J. Lightizer, Master Mechanic, who was present, made a short address. He stated he was pleased to be present on this occasion, congratulating Mr. Matheson, who he always found to be a good employee, and impressed upon him and other veterans the necessity of living up to the high reputation of service medal winners in the future as they had done in the past. Other members of the Association then addressed the meeting, congratulating Mr. Matheson upon his distinction. The singing of the National Anthem brought the meeting to a close.

Silent Wayfarers of the skies... following the ways of the seagull... hovering with spreading wings... gliding smoothly over hills and valleys... rising, descending at will... soaring sunwards... swooping earthwards... float on the oceans of space...

Such is the thrill of motorless gliding. Equally fascinating is the Buckingham thrill... the thrill awaiting every smoker of this smooth, irresistible blend. Buckingham's are fine, quality cigarettes... exclusive in blend, original in flavor... manufactured from choice mellow tobaccos... brought to perfection by the Buckingham Blend... kept fresh, fragrant, and flavorful by the sealed patented package. There is no substitute for Buckingham's... no other cigarette can give you the Buckingham thrill.

THE FIRST GLIDER

ever presented to a flying organization in Canada took to the air on May 17th from the Leaside Flying Field, Toronto. Thousands turned out to witness its epoch-making flight. The Glider, was the gift of the manufacturers of Buckingham Cigarettes to the Toronto Flying Club and was formally christened the "Buckingham Booster".

—CHILDREN IN THE WEST OF THE PROVINCE RECEIVE TREATMENT—Miss Zinck, Red Cross nurse for Prince County, is in the west of the Province giving the school children their first treatment of toxoid for immunization against diphtheria. Eight centres were visited last week and 307 school children received the treatment, twenty nine schools taking advantage of the treatment. 59 pre-school children were inoculated, making the total 362. On Monday of this week Miss Zinck visited Tyno Valley School and from there will go to the following centres during the week: Ellerslie, Alberton, Montrose, Elmstead, Bloomfield, Palmer Road, St. Louis and Tignish. Miss Zinck would be very pleased if the teachers and parents would send the

children from the various schools in their districts to the centre nearest to them to receive the treatment. Mothers are especially invited to bring the children of pre-school age.

1807 DATE OF FIRST NEWFOUNDLAND PAPER

ST. JOHN'S, Nfld., May 19.—(By Canadian Press)—A recently resurged copy of the Royal Gazette of June 1st, 1841, recalls that the Royal Gazette and Newfoundland Advertiser, first paper ever published in Newfoundland, was issued for the first time on August 27th, 1807, when St. John's was a fishing settlement of some 6,000 inhabitants and "its buildings were scattered here and there." The paper was established by John Ryan, one of a band of Loyalists who left the United States following the War of Independence in 1775-76. Stating that Ryan came here from New Brunswick an article by the late J. W.
