—IT PAYS to buy in this prov-
—SHOP FROM HOLMAN'S cat-
log.
—A CARNIVAL will be held in
Freetown rink Tuesday, February
1st. Admission 15c. to everybody.

—CIVIC CANDIDATES IN
SIGHT.—It looks like a civic elec-
tion in Summerside this year. The
Guardian understands that J. E.
Gallant, Druggist, is offering as a
candidate, and it is understood that
there are others to follow.

—ADDRESS AND PRESENTA-
TION.—Mr. Elmer Dunning who
for some years has been efficient
and popular clerk in Mr. P. M. En-
man's Drug Store is taking a posi-
tion with Mr. E. A. Foster of Char-
lottetown. An address and gift
was presented to Mr. Dunning on
Wednesday evening by the Presby-
terian choir.

—WEDDING BELLS.—St
Mary's Episcopal Church was the
scene of a quiet wedding on Thurs-
day morning, January 27th, when
the Pastor, Rev. C. De W. White
united in marriage Miss Ida, second
daughter of the late Mr. Richard
Palmer of Freetown, and Mr. Charles
Wells of Charlottetown, Sask.
Only the immediate relatives of
the bride were present. Her sister,
Miss Cassie Palmer, acted as maid
of honor while Mr. J. W. Palmer
of Freetown supported the groom.
The happy couple returned to Free-
town by train where a splendid
reception awaited them at the
home of the bride. Mr. and Mrs.
Wells will leave for Palmer, Sask.,
on February 12th, next where they
will reside.

—K. OF C. CONCERT.—The en-
tertainment on Tuesday evening
under the auspices of the Knights
of Columbus at their Home, was
one of the best of the present series.
After Whist and the distribu-
tion of prizes, a dainty lunch was
served, followed by dancing and
songs, the singers, each of whom
were generously applauded, were
Miss Beatrice LeBlanc, Mr. Leon
J. Blane, Mr. J. R. Conny and Mr.
W. J. Brown, Charlottetown. A
distinct success was also accorded
in a musical trio by Misses Irene
McLellan, pianist, Phemie Gallant,
soprano, and Mr. Henry Noonan, Vi-
olinist. Other visitors present were
Messrs. J. J. Horby, Charlottes-
town and Phillip Noonan, Mgr. of
the Royal Bank, Freetown. The win-
ners of Whist were Miss Laura
Hamill and Mr. James Pendergast.

—PORT HILL SOCIAL.—On
Tuesday last the W. M. S. of Lot
14 Presbyterian Church held their
Annual Social at the home of Mr.
and Mrs. H. D. Dobie. The weather,
though cold, was ideal, and there
was a large turnout of members
and friends. Mr. and Mrs. Dobie
made an ideal host and hostess and
were indefatigable in their efforts
to entertain the company. They
were ably assisted in this by mem-
bers of the society. The parlors,
dining room and the house in gen-
eral were at the disposal of the
guests, and while the young
members joined in games, the
older folks indulged in conversa-
tion, while selections on the phono-
graph added to the evening's pleas-
ure. A dainty lunch was served
by a committee of ladies. During
the evening a collection on behalf
of missions was taken and a sum
of over \$28 realized. Thanks are
due to Mr. and Mrs. Dobie and to
the ladies through whose efforts the
social proved such a success.

—NOTICE TO FARMERS.—We
are prepared to buy any quantity
of dressed hogs, paying highest
market price at Albany every Fri-
day. Green Bros., Borden.

—CRYSTALS DEFEAT REGALS
The Crystal Hockey Club defeated
the Regals of Alberton Thursday
evening in Alberton rink, score
10 to 7. The Summerside boys
speak highly of the treatment re-
ceived from the Alberton boys.

—HEAVY TRAVELLING.—Travel
over the country roads is re-
ported very heavy since the
storm of a few nights ago, the
snow in places being piled in
deep banks, this no doubt accounts
for the recent small country traf-
fic to town; however a few days of
fine weather will again adjust busi-
ness to normal conditions.—H.

—GOOD WORDS FOR SUMMER
SIDE.—A recent visitor to Summer-
side commented on the fact that
he had never visited a town of the
size of Summerside that afforded
more conveniences, comforts and
accommodations for the size of the
town. It offers the most complete
shopping facilities in Canada. It has
modern schools, college, churches,
theatre, clubs, fraternal organiza-
tions. It is recognized to
have the purest water as well as
modern sewerage system—all night
electric service with the possibil-
ity of an air day service as well
in the near future. While it has all
these civic advantages it has also
many of the advantages of country
communities, motor boating, bath-
ing and fishing in the bargain. We
trust these people do not fully
appreciate what a really wonderful
town we live in.

—JUST ARRIVED a large ship-
ment of dry Cod, Herring and

ation from Registered Seed. Car-

ples of this Oats have been grad-

where he has been invited to speak
at the annual meeting of the Kings
Mutual Fire Insurance Company.

—AMHERST, Jan. 27.—Leave of
absence recently granted to Bill
Stewart local star hockeyist now
with the St. Patricks, Toronto, by
the C. N. R. freight office here
where he was employed, has been
extended at his request to enable
him to continue playing with the
St. Pat's.

—BOSTON, Mass. Jan. 27.—George
Percy's Boston A's team beat the
Shamrocks of Montreal by 3 to 2
last night. It was a fine contest,
the Boston team's game, as taught
by Ralph Winsor, proving too
much for the invaders, who play-
ed typical across the Border hockey.

—HOMER WAS A BIRD.—The
baby's name was George Homer,
and in the vestry the clergyman
who had performed the baptismal
service was making the usual en-
quiries. When writing down the sec-
ond name he paused thoughtfully.
"Strange," he thought, as he re-
called the original Homer, the great
Greek poet. "It's a curious name for
the son of a navy." Then he turned
to the proud father. "Your favorite
poet?" he asked, pointing to the
name. "Poet, sir?" repeated the
man, with a surprised look. "Poet,
sir? No; I keeps pidgins!"

—CAMBRIDGE, Mass. Jan. 27.—

hockey was voted down at a con-
ference between the hockey heads

TORONTO, Jan. 27.—"Bill"
Stewart, the Amherst hockey play-
er, now with St. Patrick's of this
city, narrowly escaped being shot
here, Tuesday night when the
police were firing at automobile
thieves in Queen street. He stepped
onto the street crossing just
as an automobile going sixty miles
an hour dashed by and almost sim-
ultaneously two shots rang out
from the pursuing car. To use
Stewart's own expression he "stepped
back two paces with consider-
able elaciry."

SEVEN-MAN HOCKEY

CURRENT COMMENT

(Continued from Page Four.)

When our farmer friends listen-
ed so attentively to those misson-
aries from abroad and enjoyed their
little well told ditties, did they look
behind to discover a reason for
their presence? Were they on a visit
purely for the benefit of their
health? Did the Reverend speaker
forsake his pulpit, and the others
their editorial desks or farms, purely
on the charitable mission of con-
verting to some righteous cause our
Island's wayward people? Who
paid the expenses of these expen-
sive midwinter trips, and for why?
The Grain Growers have an im-
mense cash profit and reserve, and
the western farmer politicians are
not spending their money for
naught, but are casting their bread
upon the waters that in the form of
a three dollar wheat and a heavily
taxed east it may return to them
after many days.

Dalhousie, Five; Kings, Two

HALIFAX, Jan. 27.—In an inter-
collegiate hockey league game here
tonight Dalhousie University de-
feated King's College 5 to 2. The
Kingsmen were weak in the nets
and before their defence had set-
tled down to work, Dalhousie had
rolled up three goals in the first
period. In the second period, the
visitors showed better form, each
team scored a goal. Shortly after
the opening of the final period,
Fluck brought Dalhousie's total
to five and Ruggles soon after-
wards made King's final tally. The
tuggles played star hockey
throughout for the Windsor col-
legians, Parnell, Dunlop and White
iso showing up well.

Children Cry for Fletcher's

CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep.
