

SOURIS TEA

In Aid of the New Stone Church

Our annual tea, in aid of the New Stone Church Funds will come off on the Souris Agricultural Hall Grounds on

Monday, July 14th 1902

The committee in charge are determined to make this gathering one of pleasure and comfort, and are sparing no pains to make the persons one and all happy. A visit to Souris at this season will be most enjoyable as it is one of the most charming seaside resorts in the province, and yearly visited by countless tourists from the neighboring Republic as well as from the different parts of Canada. Our name and fame are proverbial, and our name for giving the public more than the worth of their money in a grand tea party outing is a fact admitted by all.

Besides the programme furnished on such occasions a band of music second to none in the provinces will discourse the beautiful in the musical art on that day. It will be composed of the best of the Band of Miscoche assisted by the Egmont Bay and St. Dunstan's College Bands all of whom are musical stars. Remember the day and date and cancel all other engagements for this occasion.

Tickets for admission and tea 25c. Children half price.

A Little Coal Goes A Long Way

towards heating a house if fed into a Furnace made to heat—one which does not send the fuel up the chimney in smoke.

'Sunshine' Furnaces

will extract more heat from a unit of coal than any other good Furnace.

Every square inch from the bottom of fire-pot to top of dome is a direct radiating surface.

The dome is made of heavy steel-plate, which makes it more effective heater than the cast-iron dome put in common Furnaces.

The "Sunshine" has every improved feature and still is so simple that any person can operate it.

SAVE YOUR TEETH

Until quite recently whenever a person had the toothache, his friends one and all immediately gave him the sage advice, "Go and have it pulled." We extract teeth when necessary by the most painless method yet discovered and replace them with a plate of with crown and bridge work. BUT OUR PRINCIPAL BUSINESS IS SAVING AND FILLING TEETH.

If you have a cleft palate give us a call. We can refer you to cases in this province, that we have treated with wonderful success.
