Central Guardian

SKATING TONIGHT—BAND 3885-2-2

POLICE COURT—At the Police Court Saturday morning, a case of unlawful possession of intoxicating liquor was adjourned for a week. A man charged with being drunk and incapable was fined \$5 and costs on ten days. A case of non-support was adjourned for a week.

MARITIME DINNER—The annual Maritime Men's Dinner will be held in the Board of Trade Rooms, Toronto, on March 10th, the guest of honor to be U. S. Congressman Dr. Charles A. Eaton, formerly Minister of the Bloor Street Baptist Church, now Yorkminster. Ye olde Tyme Village Quartette will furnish the music.

WEATHER FORECAST—The forecast for the month of March is March 1 to 7, high winds followed by snowstorms. 8 to 14 this week mostly fair and quite cold. 15 to 21, temperature rises, some fine warm days. 22 to 26, much damage from wind storms. 28 to 31, month ends clear and cool.

LENENT SERMONS—"Frequent Confession" was the subject of the Lenten sermon preached by Rev. C. McCarthy at St. Dunstan's Basilica last evening. Benediction was pronounced by Rev. P. McMahon, Music was rendered by the Corpus Christi Choir. The sermon at the Church of the Most Holy Redeemer preached by Rev. Jos. McGree, was on "The Beauty of the Catholic Church." Devotions were in honor of Our Lady of Perpetual Help. Benediction was by Rev. Gerald Murphy. The singing was congregational.

WEDDED SATURDAY—The marriage took place at the parsonage, Trinity United Church, by Rev. Dr. Ramsay on Saturday of Miss Rita M. Campbell, daughter of Mr. and Mrs. D. D. Campbell, O'Leary, and Mr. George Wilkinson, son of Mr. and Mrs. J. C. Wilkinson, O'Leary. Mr. and Mrs. R. H. Ellis were present at the marriage. The happy couple leave for Boston and other American centres on their honeymoon trip this morning. They will be accompanied by the good wishes of their many friends in this Province.

DIED IN DULUTH—Word was received yesterday by Lieutenant Governor Dalton and Mrs. Dalton of the death in Duluth, Minn., on Feb. 22, of Mr. Peter Gavin, formerly of Tignish, an elder brother of Mrs. Dalton. Mr. Gavin, who had been absent from the Province for about 35 years, formerly represented the First District of Prince in the Legislature. He had reached the advanced age of 63 years. The widow and one son survive in Duluth, where the funeral will be held. The family will have the sincere sympathy of many friends, both in this Province and abroad.

Mr. Judson Clow, Jr., 9 Park Terrace, who entered the P. E. I. Hospital a week ago, is resting comfortably.

IMPORTATION OF FUR IN FINLAND
 Mr. Frederick H. Palmer, Canadian Trade Commissioner in Oslo, writes under date, January 29, 1931, that he has been advised by the Finnish Ministry of Foreign Affairs that persons in Finland who desire to import fur-bearing animals, of any description must receive permission from the Ministry of the Interior. Each application is treated separately, and if permission to import be granted the conditions under which the importation will be permitted will be specified, in accordance with a law of May 16, 1926.

MARITIME MAN DROWNED AT BUENOS AIRES
 CAMPBELLTON, N. B., Feb. 26.—Word has been received of the death of Geo. R. Keith, aged twenty-five, of Campbellton, N. B., from drowning in the harbour at Buenos Aires on Saturday, Feb. 21st. He was employed as boatswain on the Canadian Skirmisher, which docked at Buenos Aires the same day.

"Pedro, I owe about three thousand francs," said a Parisian grocer to his shopman. "Yes sir." "I have two thousand francs in my safe, but the shop is nearly empty; I think it is the right moment to fall." "That's just what I think." "But I want a plausible pretext for my creditors. You have plenty of brains; think the matter over tonight and advise me tomorrow morning." The shopman promised to think it over. On entering the shop the next morning, the grocer found the safe open, the money gone, and in its place a note which ran as follows—"I have taken two thousand francs and an off to America. It is the best excuse you can give to your creditors!"

Church Services

THE BAPTIST CHURCH
 At the morning service Rev. A. W. Banfield, for thirty years in West Africa, fifteen years as a missionary and fifteen as a representative of the British and Foreign Bible Society, was the preacher. Mr. Banfield based his address on the words of 2 Peter 1: "And we have the word of prophecy made more sure; whereunto ye do well that ye take heed, as unto a lamp shining in a dark place, until the day dawn and the day star arise in your hearts; knowing this first, that no prophecy of scripture is of private interpretation. For no prophecy ever came by the will of man; but men spake from God, being moved by the Holy Ghost." The problems of the labor and the rewards of missionary work in West Africa were vividly sketched by the eloquent speaker. The almost insurmountable difficulties involved in making translation of Holy Scripture into any of the 215 African languages, reduced to writing in most cases by missionaries, were given clear, picturesque illustration. And the miraculous results of such translation into the language of the people in general and regenerated lives were set forth. The minister, Dr. A. C. Vincent, his subject being "The Days of Noah and 1931" which presented an eloquent, earnest evangelistic appeal. "Crossing the Bar" was sung at the morning service. The male quartette Messrs. Quigley, Calder, Dingwell and Sterns sang very effectively "That Beautiful Land." Miss Spencer gave a brief organ prelude as usual from 6.45 to 7 o'clock, a much appreciated feature of the evening service.

TRINITY UNITED CHURCH
 If the Sunday School is an index of the Church's life and activity then at no previous period since the consummation of Union has a better growth and condition been experienced. Yesterday was Missionary Sunday. The attendance was 508 and the collection was \$68.87. The attendance at Dr. Ramsay's Bible Class is steadily improving. There is however room for more of the men of the congregation.

Dr. Ramsay gave an interesting and much appreciated sermon on the Prophet Amos and his message. Amos lived in the 8th century B. C. he was a shepherd filled with a sense of God's majesty, universality and unity. A dominating figure. There was a divided kingdom at the time—Israel in the north and Judah in the south. The people originally pastoral, afterwards agricultural, had now become industrial and commercial. There was a brilliant court life and also a brilliant religious life, but there was also oppression of the poor. The message of Amos was that Morality is the prop of a nation, not religionism, not churchiness. Religion is not in doctrine, in mental belief, not in knowledge of God or observance of ordinances, but in right conduct, not in feeling, but in doing right and our standard is the teaching of Jesus and the New Testament.

In the evening, Rev. A. W. Banfield, who was born in Quebec Province, but who has spent 80 years of his life in Missionary and Bible Society work in Africa, occupied the pulpit and gave a most fascinating account of some features of the power of the Gospel, especially as carried on by natives of Africa. In the Ivory Coast country, a man who in six months had converted over 100,000 from idolatry, a man who was truly sent of God and to a people prepared by God to receive the message. In his address, Mr. Banfield gave an inkling of the wonderful progress made in Africa in the past 80 years. European nations are spending millions of dollars there. Thousands of Europeans are making their homes there and the B. and F. Bible Society are sending in half a million copies of the Bible annually.

In the garden of a certain nobleman's country house there are fixed up at different spots boards with these words—"Please not to pick the flowers without leave." One day however, a youth got a paint brush and added an "s" to the last word.

School attendance has been at a discount for the past week, as the storms in many cases were too severe and the roads too full for the teachers as well as for the scholars to reach the schools.—M.

Mr. and Mrs. Compton of Belle Riv.

Mr. and Mrs. Compton of Belle Riv.

MURRAY HARBOR NORTH
 Snowstorms seem to be the order of the day. Owing to the storm of Friday last the observance of the World's Day of Prayer announced for that day in the Presbyterian Church here was postponed for a week when the program prepared by the Executive will in a great measure be used. The regular monthly meeting of the W.M.S. will be combined with this and also that of the Ladies Aid of the congregation. A cordial invitation is given to all as this meeting is intended for the advancement of the public good and has been the means of developing a bond of sympathy between the different denominations of Christ's Church here on earth and points forward to the consummation of his kingdom and His second coming.

Excelsior Division, Sons of Temperance, look after their sick members in good shape. Bro. Harry Waugh, of Wilmet Valley, has been indisposed for several weeks, and a short time ago, the sick and visiting committee, composed of Sisters Ada Large, Evelyn Mayne and Lillian Sobey visited Brother Waugh and left a nice basket of fruit.

Attentive and fairly large congregations were present both morning and evening at the Presbyterian Church on Sabbath last as the morning was mild and the horses could stand outside. A very impressive discourse was given by the pastor on Luke XXIII, 48, the second word from the Cross. Next Sabbath he will deal with the fourth word as the Third word is reserved for the subject on Mother's Day and is so important that a special treatment is possible. The Wednesday evening meetings will deal with subjects that are appropriate to the Lenten Season the first being the nature and meaning of true Repentance.

Miss Ellen McLure of Montague, spent the week end at the home of her parents here.

Mr. Donald David Livingston from High Banks was in our district some days last week taking orders for Nursery stock and fruit trees.

The many friends in this locality of Mr. Neil B. Johnston of Peters Road regret to hear that he had taken a stroke last week which is expected will have a fatal termination.

Messrs MacDonald of Greek River were Sunday visitors in our neighborhood.

Again the hockey boosters turn over another page, this time the Read's Corner Boys versus the Wilmet Valley Boys, played a good fast game in the Central Bedeque Rink on Thursday evening, February 19th, with Read's Corner winning by a score of 3 to 1. Both teams showed a good exhibition of hockey, a few calls at the "sinners' avenue" kept the boys on the straight line continually. The first period, the boys worked hard, playing fast, giving the substantial goals, respectively, some fancy shots to encounter. At the end of twenty minutes hard play there was no score. The second period opened a little more enthusiastically, when "Ginger" MacQuarrie scored the first goal for Read's Corner. Following this came a score for Wilmet Valley. After some minutes of fast skating and hard shooting, Lefurey, of Read's Corner came popping through the mid ice and shot a fancy shot, which Hogg was unable to conquer. The period thus ended 2-1. After taking up their sticks for the third period, the boys then displayed their combination work and again Lefurey, of Read's Corner, gave Hogg another straight shot and the game ended 3-1 in favor of the Red and Blacks. Two referees kept the game to the point and to the satisfaction of all. The Wilmet boys had a hard "goalie" to get shots past. Halle Lefurey, a brother of the well known Ose Lefurey, goal keeper for the Crystal hockey team, Summerside. Needless to say "Halle" will prove as valuable a goal keeper as "Ose" before too long. Hogg, Wilmet Valley goalie, done some excellent work in handling the shots. Quite a crowd of fans attended this game.

The horse race on Summerside harbor last Friday afternoon was well attended. Mr. George Sobey, Wilmet Valley, was fortunate in getting second place with his mare, Helen. "Good luck, George."

Miss Jennie Muttart, Miss Selma Myers, and Mr. Jack Myers, of Lower Carleton, attended the hockey match in the Central Bedeque Rink.

Friends regret to hear the indisposition of Mrs. Robert Hogg, of Wilmet.

The many friends of Mr. John R. Bowness, of Summerside and a former resident of Centreville Bedeque, will be pleased to hear that Mr. Bowness is able to be around again, after having been very seriously ill.

A number of families in our locality have suffered from a form of cold that seems prevalent this winter but on the whole good health has been the rule and attendance at school has maintained a good average.

parent prospect of a raise, makes

BEDEQUE NOTES

Mr. Emmerson Huestis, Wilmet, the grand Worthy Patriarch of the Sons of Temperance, of Prince Edward Island, paid a business visit to Graham's Road last week for the purpose of organizing a division of the Sons of Temperance there. While the mission was not entirely successful, yet hopes are entertained that a strong temperance organization will be functioning there soon.

Quite a number of hockey fans from here boarded the "special train" conveying them to the Crystal-Ramblers game in Amherst Friday evening.

On Monday evening, a fast and exciting game of hockey was played in the Central Bedeque Rink between the Albany St. Pats and the old rivals, the Bedeque Beavers. The Beavers by fast skating, good combination hard shooting throughout and back-checking were a hard combination to beat that night, and ended in a score of 3-1 for the cutting Beavers. The game was very fast with excitement galore. Ralph Callbeck, speedy and hard checking defence man on the Beavers played an extremely high part all through the game. Both teams were out to win and many were the shots that faced the sturdy goalies. Mr. Clayton Green refereed the game to the satisfaction of all. The St. Pats showed a good game, fast skaters and are dangerous at all times to hit against. Lack of combination is necessarily interrupted recently by the old rivals which in time, it is hoped, will show increased combination to a more interesting game. The penalties were very few. This was the last game to be played between the St. Pats and Beavers for the MacLean Trophy. A very large crowd of fans witnessed this final game.

Mr. Watson Fyfe, of Emerald, was a visitor to Charlottetown on Monday.

Rev. Mr. A. J. Reynolds, pastor of the Bedeque United Church, attended the Presbyterian of the Island Churches in Charlottetown last week.

Mr. and Mrs. Archibald MacGregor, of Springfield, spent a very pleasant week end in Sealestown, the welcome guests of Miss Ruth Sobey.

Mr. Alfred Reynolds, student of the Mount Allison Academy, Sackville, N. B., spent the week end with his parents, Rev. A. J. and Mrs. Reynolds, in Centreville Bedeque.

A large crowd of interested fans watched a good game of hockey displayed in the Bedeque Rink on Friday evening, February 13th, between the Wilmet Valley boys and the North Bedeque boys. A clean and speedy game was the decision of the spectators, as the game was ended by a score of 3 to 2 in a "neat little bundle" for the North Bedeque. The strong, able and fast skating Wilmet boys kept their opponents steadily hammering their way through continually, and good hard shots came flying through to the resistant goalies. It is splendid to see the younger teams displaying such good, fast humdrum hockey. It is hoped that hockey will prove interesting enough to the boys to continue the good sport. Generally speaking, when one sees "a boy on skates he has his stick right at hand." The game was for the Clark Trophy.

Friends regret to hear that indisposition of Mr. Theophilus Inman, of Central Bedeque.

The fishermen are reporting not very large catches this winter, although some seem to be more lucky in their catch than others. The prices so far, have not been very encouraging, corresponding with other produce prices, they are about equal as good. The fisherman is at last coming to his own. Co-operation is now going to do for the fishermen what it has done for the farmers, the potato growers, the egg circle men, the live stock club and the labor unions. Better late than never. Our farmers and live stock men waited many long years for this co-operation. "But everything comes to him that waits."

The following is the standing report of the Kingora School for the month of January:—
 Grade X—1, Leslie Keefe; 2, James Ranahan; 3, Eileen Greenan.
 Grade IX—1, George Donnelly; 2, Mae McCarville; 3, P. J. Greenan and Mary Keefe, (equal).
 Grade VIII and VII—1, Cynthia Reeve; 2, Gerald Shreanan; 3, Genevieve McIvar.
 Grade VI—1, Annie Greenan; 2, Bernice McIvar; 3, Marion Keefe.
 Grade IV—1, Louis Smith; 2, Ger-

ald Smith; 3, Dorothy Sullivan.
 Grade III—1, Agnes Sullivan; 2, Elmer Keefe; 3, Keith Mulligan.
 Grade II—1, Zita Johnston; 2, Preston Smith; 3, Leonard Keefe.
 Grade I—1, Lorne Keefe; 2, Raymond Gallant; 3, Hilda Sullivan.

The Sunday morning service in the Central Bedeque Baptist Church was not as largely attended as usual, owing to the inclement weather. Rev. A. G. Crowe, pastor, took as his subject, "Conversion and Consolation," and a very impressive sermon was preached by Mr. Crowe. The song and preaching service in the evening was led by the pastor, Rev. Mr. Crowe, taking as his subject "The Lost Christ." Special music and singing by the choir. Mrs. Earle Leard was regular organist. The congregation was not very large on account of the bad roads making it almost impossible to travel.

The thaw that visited us last week has helped the scarcity of water in the pumps considerably.

It is pleasing to report that Mrs. Henry Crozier, who has been visiting her daughter, Mrs. Horace Huestis since coming out of the Prince County Hospital two weeks ago, has now returned to her new temporary home, almost entirely recovered from her serious burns, when fire destroyed their home. Friends hope to see Mr. and Mrs. Crozier in their new residence before many months have elapsed.

A very pleasant evening was spent at the home of Mr. and Mrs. David Gardiner, Chelton, on Friday, February 13th, when Mr. and Mrs. Gardiner entertained the Chelton Institute and some invited friends from Lower Bedeque, Centreville Bedeque and Carleton at a "Valentine Party." The house was very prettily decorated for the occasion, and glad were the many "hearts" present. Contests and other games of entertainment made the evening pass altogether too quickly. On account of the severe snowstorm on the day previous to the entertainment, the roads were almost impassable to some of the invited friends coming a distance. However, a very pleasant evening was well spent. Lunch was served by the hostess and the assisting hostesses.

Although there is not much hauling of hay this winter up to the present time, other feed, as oats and potatoes being plentiful and very low in price, it is thought the demand will soon be active, as the winter has been very close and with steady cold, causing big consumption of feeds. The fact that oats, 30c or 75c. per bushel, is keeping so low and no ap-
