**The Right Food for Bullocks**  
--Molassine Meal

Bullocks and beef cattle are brought to prime condition more quickly when they are fed on Molassine Meal.

It increases weight, makes sound flesh and healthy fat, puts the digestive organs in perfect condition and thus enables the animals to secure the entire nutriment of their food. It builds up better beef, cuts down the feeding bill—will pay for itself in a day's use, try it.
