MOUNT HOPE NOTES.—The snow has almost completely disappeared from the fields and highways, and the familiar sound of the cart rattling over the stony road is once more heard in the land. Owing to the unfavorable weather very little farming will be done before the 10th of May.—The suggestion made by the Albion Cross correspondent re the uniting of Albion and Mt. Hope School Districts has been favorably received by the parties interested, and we trust to see the movement take practical shape at an early date.—Norman McSwain has again secured the contract for milk hauling on this route.—Several of the young people of Mt. Hope who have been wintering in Uncle Sam's domains intend returning to the Island shortly in order to spend "the good old summer time" at their former homes.—A number of entertainments, social parties etc. have been held recently. An enjoyable time was spent at the residence of Allan Robertson, Esq. on the evening of Friday the 22nd inst. Mr. Robertson's spacious new dining room, an ideal place for a dancing party, was crowded by an assembly of "fair women and gallant men" who "tripped the light fantastic toe" in right good style till the early hours of the morning. The music which was excellent was furnished by Mr. Whitley of Farmington. After a bountiful supper, spread in Mrs. Robert's best style, the company departed to their homes. The parties who organized the dance take this opportunity of thanking Mr. and Mrs. Robertson for their kindness in placing their house at their disposal and assisting materially in bringing the matter to a successful issue.—D. A. Matheson of Dundas, has purchased the old Coffin homestead on the south side of St. Peter's Bay.—John D. Emery of Wood Islands returned home after spending some time with friends and relatives in this vicinity.—The Guardian is the most popular newspaper in this part of the country, the fearless stand it takes on all public questions being much appreciated.

THE City of London had one hundred and thirty passengers from West River to the city yesterday morning. She returned last night after her second trip with a good cargo of eggs, pork, etc.

A social in connection with Great Eastern Lodge, I. O. G. T. was held in Kingsboro Hall, on Wednesday evening, April 20th. Stirring addresses supplemented by instrumental music and song, made up a program that was much enjoyed by all present. The evening's entertainment was opened by selections on the organ and harmonics, by Miss Lydia McDonald and Ira Brown. The speaker of the evening were Alexander Robertson, William McLean, T. S. Robertson, G. C. T., and Alex Scott. The speeches were all of a high order, and the audience were deeply interested in the different addresses. The ladies having brought well filled baskets, the wants of the inner man were well supplied, after which the audience was again called to order. Arthur Robertson then gave a song, followed by selections on the organ by Miss Bessie Scott, song by Robert Robertson, and quartet by Misses Ruby Stewart, Bessie Scott, Maggie Scott and Libbie Robertson. A vote of thanks was then tendered the ladies for the satisfactory manner in which they carried out their part of the entertainment, and after singing God Save the King, all hands dispersed to their several homes, after spending one of the most pleasant evenings that was ever passed in the old hall at Kingsboro.

Do You Tire Easily?
If you Lack Strength, Energy and Force, it's Because Your Blood is Thin and Watery.
The Best Tonic is Ferrozone—Read of the Marvel it Performed for Three Sisters in Lawrencetown—It can do the Same for You.

Speaking for herself and sisters, Miss Dorothea Bordman writes: "I am anxious to make known the great benefit that I and my sisters derived from Ferrozone. A short time ago I was tired out and depressed, and felt as if some severe illness was hanging over me. I was so nervous that I found it hard to keep up with my work. Noticing that many Canadian women were being built up by Ferrozone, I sent for a supply and took it regularly for a month. So great was the improvement that my sisters also took Ferrozone. Not one of us had a spark of color in our cheeks, but Ferrozone soon made our complexion ruddy. We soon had good appetites, slept better, and were helped a lot by Ferrozone. We still use Ferrozone, because we find it keeps our systems in a wonderful healthy condition. It is certainly a wonderful tonic, and a fine remedy for weak women. Ferrozone has been worth its weight in gold in our family."
To take Ferrozone means you get more strength; means a reserve of energy, and protection against weakness and sickness. Ferrozone is a food medicine that supplies the body with everything needed to build up the brain, blood and nerve tissues. If its health you seek, Ferrozone will bring it quickly. It is a food- tonic that every woman should use. Refuse a substitute and see that you get the genuine Ferrozone. Price 50c. per box or six boxes for \$2.50. at all Drugists or N. C. Polson & Co., Kingston Ont., and Hartford, Conn., U. S. A.
