POLICE COURT—Yesterday morning at the Police Court two non-resident vagrants, remanded from the previous day, were ordered out of the province. Four truckmen who failed to pay their licenses were fined, with costs of court. Another having paid licenses before case was heard was fined costs. Two milk vendors failing to obtain licenses had their cases adjourned until this morning and Monday respectively.

THE B. I. S. SOCIETY—The all-week attraction was very largely patronized, enjoying an increase in attendance for the start of the new year. Upwards of twenty-five tables of auction were keenly contested, the results being as follows: Ladies first, Mrs. William Larter; second, Mrs. Leo Savidant; Gents' first, Mr. Charles Boisner; second, Mr. Leo Doyle; Lucky table, No. 16 and drawn by Mr. Reginald Coyle. The scores were the highest aggregate for the season. A feature of the evening's performance was Miss Margaret Gallant's demonstration of the latest dancing steps. This young lady is very talented in the art. She was heartily encouraged. Brother Stephen Trainor was the violinist. The dance period was outstanding in numbers, some difficulty being experienced in placing the many couples on the floor. The director of the orchestra, Mr. Alfred Chipman, rendered many new and favorable pieces of music. He was congratulated on the splendid work of his orchestra. A new member will be added to this orchestra at the week end entertainment. Brother P. Walsh's liquid wax once again routed the dust dancing and everybody enjoyed dancing on a clean wax surfaced floor.

ROSE VALLEY

The semi-annual examination of Rose Valley School was held on December 23, with a large number of parents and visitors present.

The school was artistically decorated and a pretty tree stood in one corner. The pupils were examined in the various subjects by their teacher, Miss Marion Blondin, assisted by Mrs. J. W. McKenzie and Miss Verna Frizzle, a d. showed by their prompt and accurate answers that they had been carefully trained during the year.

Mr. Daniel Todd was appointed chairman and a very interesting programme consisting of Christmas songs, dialogues and recitations was enjoyed by all.

The Xmas tree was then unloaded and all received gifts.

On behalf of the pupils, Miss Margaret Matheson read an address and Miss Ella Todd presented Mrs. Blondin with different lovely gifts. Miss Blondin, although taken by surprise, thanked her pupils in a few well chosen words and wished all a Merry Christmas.

The following is the address: Miss Marion Blondin: Dear Teacher: Once again the Christmas bells are ringing bringing to our minds the season of Peace on Earth Goodwill Towards Men, and we, your pupils of Rose Valley School feel that we cannot let it pass without in some way showing that we appreciate your untiring interest in our behalf.

We realize that often times we have not attended your instructions with that diligence which you required and we appreciate deeply your patience, gentleness and kindness with which you dealt with us in our listlessness, and now with our best wishes for a Happy Christmas season and our New Year's resolution to be more mindful of you in the future, we ask you to please accept the accompanying gifts which we hope will serve as a connecting link between us in the years to come.

Signed on behalf of the pupils of Rose Valley School, P. Harding

Linen From The King's Flax

A deputation of directors of linen manufacturing firms who are members of the Linen Industry Research Association last week presented in person to the King and Queen, at Muckingham Palace, a variety of linen goods manufactured by them from flax grown by his Majesty on the Sandringham estates.

This presentation marks the conclusion of a preliminary large-scale experiment in flax-growing and linen manufacture of value to British agriculture and the linen industry.

The flax was grown on three acres of land at Sandringham on British pedigree seed, Liral Crown and Liral Monarch, originated by the Research Association. The flax fibre was extracted from the crop at the Research Association's experimental flax factory at Lambes, and several films made linen articles from the yarns.

Their Majesties, after discussing the experiment and inspecting the linen, were pleased to express their warm approval of the results obtained and congratulated the Research Association on the success of this valuable piece of work.

With his Majesty's concurrence and support the Research Association intends to repeat this experiment at Sandringham on a larger scale of 100 acres or more in 1933. In due course a limited quantity of linen from the larger experiment will become available to the general public.

HOCKEY

A very interesting game of hockey took place on the out-door rink at Spring Brook on Saturday, Jan. 7, between the Maple Leaves of Sea View and the Ramblers, this team being made up of players from French River and Spring Brook.

Penalties were few and the clean game was due mostly to the efficient referee, Mr. Murphy.

From the face-off both teams rushed repeatedly upon their goals. Meek for the Ramblers and Murphy for the Maple Leaves, whose saves were marvellous.

In the first period both teams worked very hard, trying to score first. Eight minutes of play saw the first goal for the Maple Leaves, by Jim Murphy, when cheers from the Sea View fans, filled the air. Both sides battled for remainder of period without success.

The second period began very fast. After one minute play, Eddie Murphy, who was on centre ice, scored a very pretty shot. This period slowed up toward the last with score unchanged.

The third period was a thriller, this was the Ramblers first game and they seemed to have learned a lot in the previous periods. Sutherland and Duggan tried repeatedly to break through the Rambler's blue line, but were beaten back by Dennis and A. Pidgeon.

The following is the summary. Score 2-0 in favor of Maple Leaves. Shots: Ramblers 10; Maple Leaves 9. Referee: Wm. Murphy. Goal Judges: C. B. Paynter and Claude Adams.

The following is the line up: Ramblers Goal J. Murphy Defence J. Campbell R. Burt Forwards E. Murphy R. Sutherland W. Duggan B. Simmonds J. Murphy L. Campbell K. Pidgeon R. Paynter P. Harding

HOCKEY

Wednesday morning at the Arena Jim Hornby's Wozzies defeated Fred Shannon's Brighton Hawks in the first of a five-game series to the tune of 8-7.

The Wozzies as a team displayed a better brand of hockey than on their pre-season game, their teamwork and snappy passing being the main features of the issue.

The Wozzie defence showed a marked improvement over the last game while Hornby in the nets was, naturally, in top form, stopping hard shots a la Sargent.

On the Hawks' line-up the "Kid Line" out-did themselves, playing heads-up hockey throughout the whole game. They could not however cope with the "kitty-bar-the-door" tactics of the Wozzies.

Using their weight to advantage the Foster-Peake defence tried valiantly to keep the rubber from Hogg's new goalie, who was inadequately equipped, but who nevertheless turned in a stellar performance.

In the last few minutes of play the score was tied at 7-7 with the fans roaring themselves hoarse and Coach Shannon juggling his front lines in a desperate attempt to even the score.

Twenty-three and one-half seconds before the final bell tolled, Birtwistle, receiving a ball pass from Pete McLaine, the rangy right-winger, took his time and lifted the heel into the net for the winning score.

The line-ups are as follows: Wozzies—Goal, Hornby; defence, Robb and G. Gaudet; centre, A. Gaudet; right wing, McLean; left wing, Birtwistle. Hawks—Goal, Hogg; defence, Foster and Peake; centre, MacMillan; right wing, Hyndman; left wing, Chandler.

Mrs. Martin: "John, I've been awake for hours waiting for you to come home from that wretched club." Martin: "That isn't just like a woman! And I've been at the club for hours waiting for you to go to sleep."
