Harding, minister of Christian Church, Greenmount, preached. His text was found in the 16th chapter of Matthew and the 18th verse, The foundation of the Church. He gave a fluent and eloquent address and emphasized plainly the easy matter it would be if all people would accept the New Testament just as it reads, without any additions or subtractions. Simply unite on that grand name Christ and Christian only but so long as people continued to hold on to these man-made creeds so long would the division of God's children exist which was contrary to God's teaching and would leave His prayer still unanswered.

Nervous People Made Cheerful Dr. Williams' Pink Pills Re-build Shattered Nerves.

Good blood—rich, red blood—makes all the difference between health and sickness. The blood is thin and watery, the health of the whole body suffers. The sufferer becomes nervous and irritable, the stomach fails in strength and the appetite becomes poor. Food does not give the necessary nourishment, and the first feeling of weakness passes, as time goes on, into a general breakdown in the health. The case of Mrs. Angeline Gagnon, of St. Jerome, Que., illustrates the truth of these statements. Mrs. Gagnon says: "I am fifty years of age and up to a few months ago always enjoyed the best of health. Then I began to feel rundown and weak, without patience or ambition. My appetite grew poor, and my nerves seemed to be on edge, and the least noise or worry would make me irritable and nervous. Life became an actual burden and I could no longer look after my household duties. My doctor prescribed and ordered a change, saying that I was a nervous wreck. I tried to become interested in other things but failed, and my condition was really deplorable. I continued in this condition for several months, gradually going down, and as my doctor was not helping me I was easily persuaded by a friend to try Dr. Williams' Pink Pills. After taking the Pills for a few weeks I could see an improvement, and I gladly continued using them for a couple of months, when I found my health fully restored. I am more than thankful for what Dr. Williams' Pink Pills have done for me, and I gladly recommend them to all who are weak, nervous and rundown."

By making rich, red blood Dr. Williams' Pink Pills cure such cases as Mrs. Gagnon's. In the same way they cure nervous headaches, neuralgia, indigestion, rheumatism, St. Vitus dance, and the ailments that come to growing girls and women of mature years. If you are at all unwell start to-day to cure yourself with Dr. Williams' Pink Pills, what they have done for others they will surely do for you, if given a fair trial. Sold by all druggists or by mail, post paid, at 50 cents a box or six boxes for \$2.50 by addressing The Dr. Williams' Medicine Co., Brockville, Ont.

"Follow Me." This discourse was listened to by a crowded house, as the people were overjoyed to hear Bro. McLeod. After this sermon Rev. Mr. McVie, pastor of the United Churches of the Cross Roads, P. E. I., gave an address on Missions in South Africa, which was very attentively listened to. At 7 o'clock Sunday evening Rev. Mr. Wilson, Field Secretary of the Temperance Alliance of P.E.I., gave a fine temperance address, urging the great necessity of all churches putting their shoulders together and banishing out this curse and to uphold the Prohibition Law. He was followed by Mr. W. H. Harding, pastor of Greenmount Church, who gave a discourse on the Great Marriage Feast, "Come, for behold all things are now ready." This sermon was forcibly delivered.

The service in the Presbyterian Church at seven o'clock was conducted by Mr. John Lord of the Montague Christian Church, taking for his text Ephesians, 4:5 verse. There is one body and one spirit even as ye are called in one hope of your calling one Lord, one faith and one baptism. He brought thoroughly out the explanation of these verses before the large audience which he had.

MONDAY'S SESSION. On Monday morning devotional service was led by Mr. H. R. Bell, then after the reports of the churches were given, which were the best of any year yet, much business was put through in a grand and noble spirit and without murmurings and disputings. The convention was invited to three different churches for the coming year, but it was decided to hold it at Montague, changing the date a little earlier in the week. The election of officers took place for the ensuing year. The following officers were appointed on the Board of church affairs regarding evangelistic work on the Island:— President—Samuel Kennedy, Jr. Vice-President—W. H. Stevenson. Sec'y-Treas.—C. E. Armstrong. Directors—Messrs. Silas Raynor, Frank F. Tuplin, Revs. W. H. Harding and H. R. Bell. Samuel Kennedy, Jr., President, and Charles E. Armstrong were appointed as representatives for managing the annual convention. The afternoon service was led by Mr. John Lord, on adult Bible class, and Mr. C. A. Hatfield on Sunday school. Some grand thoughts were brought out. At the 7:30 service Rev. H. R. Bell preached to a full house, after which the convention was brought to a close.

THANKS. The annual Convention of the Christian Churches on P. E. Island hereby wish to convey their many thanks to the Presbyterians of New Glasgow for their kindness in allowing them the use of their church building on Sunday evening, appreciating the same very much. The annual Convention of the Christian Church hereby wishes to extend their many thanks to the P. E. Island Railway for their kindness in reducing the fares in connection with said convention, appreciating same very much.

FRIDAY. TIME EXTENDED.—On account of the late season the time for making entries in the Fields of Standing and August 1st. All entries received before that time will be accepted at the usual entry fee after that date the double entry fee will be charged. Full information can be had from the Department of Agriculture at Charlottetown.

WEDDING BELLS.—A quiet wedding occurred at the home of Mr. Pitt M. Page, Drew, Maine, on July 1st, when Miss Beatrice Hazel Hill was united in marriage with Mr. William Bruce Blaisdell, formerly of Souris East, P.E.I. The bride was becomingly gowned in white silk messagerose, and carried a bouquet of white roses. Mr. Page, who is a local magistrate, tied the knot in his usual impressive manner in the presence of the immediate family and from eight until ten the happy couple received the congratulations of their friends. Miss Hill is the daughter of Mr. and Mrs. Edwin Hill of Woodland and has resided in town for the past six years. Mr. Blaisdell is the son of Hiram Blaisdell of Souris East, P.E.I., and has been in the States for the past two years, coming to Drew early in the present year. Both young people have a host of friends in town who are glad to know that they expect to reside here for the present.

Summer Hair Tonic

Parisian Sage, the Hair Renewer is now sold all over Canada.

Since its introduction into Canada, the sales of Parisian Sage have been phenomenal. This success has led to many imitations similar in name. Look out for them, they are not the genuine. See that "The Girl with the Auburn Hair" is on every package. Parisian Sage is the quickest acting and most efficient hair tonic in the world. It is made to conform to Dr. Sangerbon's (of Paris) proven theory that dandruff, falling hair, baldness and scalp itch are caused by germs. Parisian Sage kills these dandruff germs and removes all trace of dandruff in two weeks or money back; it stops falling hair and itching scalp and prevents baldness. Remember that baldness is caused by dandruff germs, these little hard-working persistent devils that day and night do nothing but dig into the roots of the hair and destroy its vitality. Parisian Sage is a daintily perfumed hair dressing, not sticky or greasy, and any woman who desires luxuriant and bewitching hair can get it in two weeks by using it. Comes in large 50-cent bottles at Geo. E. Hughes, and all drug or toilet goods counters. The R. T. Booth Co. Ltd., Fort Erie, Ont., Canadian Makers.

Ottawa, Ont., 16th July. Hon. J. A. Mathieson, Premier, Charlottetown. In the absence of the Minister I have your wire of the 15th re black foxes. In view of the immense value of this industry to your Province steps will be taken at once to protect it by establishing inspection of all foxes from outside points by a veterinary inspector. Any diseased foxes detected will be refused permission to land and quarantined in a suitable place for proper treatment.

GEO. F. O'HALLORAN, Deputy Minister of Agriculture. (The above telegram, received yesterday, explains itself and shows also that Premier Mathieson has lost no time in acting upon the representations made to him in connection with what is now one of the greatest industries in Canada, and of which this province is the original home. The prompt action of the Department of Agriculture in so quickly setting the necessary wheels in motion will also be appreciated. The move is a first and very necessary step in the direction of conservation and will doubtless be followed by others in due course.—Editor.

LONG COURSE.—The Department is arranging for a Long Course in Agriculture this winter to be held in Charlottetown. It will begin about the middle of November and will be concluded early in April. The subjects included in the Course will be: Animal Husbandry; Horticulture; Dairying; Poultry; Agronomy; English; Mathematics; Book-keeping, Chemistry and Economics. The practical work will be given in the Agricultural Building, and provision is being made for Live Stock of all the different classes and breeds, etc. The lectures will be given in Prince of Wales College. A competent staff is already in this province, and it is expected that the course will be quite equal to any First Year's course in Agricultural Colleges. A limited number of students only can be taken for the first year, not more than forty-six, as some of the rooms are built and equipped to accommodate just this number. To assist and encourage students to attend this Course a small scholarship will be granted each pupil upon recommendation of Principal of the School of Agriculture, stating that the pupils have attended their Classes regularly and have completed their work in a satisfactory manner. It is intended to accept applications in the order in which they are received, but no applications will be received from boys under 18 years of age. Further information may be had from the Department of Agriculture, Charlottetown.

Many friends in Charlottetown and in the province, and throughout Canada, will learn with deep regret that Mr. W. C. Harris, the well known architect, passed away at Halifax, after a short illness, Wednesday afternoon. It is needless to say that the deceased gentleman stood in the highest class among men of his profession. Beautifully proportioned churches, houses and public buildings of his design, erected in various parts of our country, are the best proofs of the excellence of his artistic taste and ability, and the fact that he was an Associate of the Royal Canadian Academy may be taken as evidence that his merit was recognized by those who were most competent to judge. In the intervals of his professional labours he, at times, courted the muse. His poems have been widely printed and some of them are of a literary worth widely read and well-informed men of his day. Educated at Prince of Wales he studied architecture in the office of Messrs. Sterling & Dewar and was ever true to his love of the beautiful in nature and art. He was the fourth son of the late Mr. W. Critchlow Harris of this City. The survivors of the family are Mr. Robert Harris, C. M. G., R. C. A., the Rev. F. A. Harris, M. A., Rector of Mahone Bay, Nova Scotia, Mrs. W. L. Cotton of this city and Mrs. George E. Robinson, of Vancouver, B. C., to all of whom deep sympathy is extended.

MONDAY. —FLEA FOR AUTO.—A petition to the Lieut. Governor in Council asking that Automobiles be allowed to run in Summerside is being circulated and is being largely signed by the ratepayers. The latest up to Saturday evening containing over 400 names.

POLICE COURT.—In the Police Court in Summerside on Saturday last, two offenders, B. Williams, and Stewart on a charge of being drunk and disorderly were each fined \$5 and costs. Up to 6 o'clock Saturday evening four more drunks had been gathered in and will appear before his Honor this morning. J.P.

FUNERAL SATURDAY.—The funeral of the late Miss Carrie Mawley Summerside, took place on Saturday afternoon from St. Mary's Church where a short service was conducted by the rector Rev. C. De Wolfe-White and was largely attended. The pallbearers were—Messrs. H. C. Mills, John Grady, A. C. Saunders, L. B. Hunt, W. B. Mills and H. J. Massey.

SERIOUS ACCIDENT.—Isaac Gallant aged 18 years employed as a helper around the livery stable of Mr. Matthews, Summerside, met with a painful accident on Friday evening last. While cleaning the stall of a spirited young horse, which was there awaiting shipment to New Brunswick, he got too close to the animal's heels receiving a bad kick a little above the wrist resulting in a bad break to the wrist bone. J.

TUESDAY. —TOWN COUNCIL.—A regular monthly meeting of the Town Council was held last evening. The Mayor and all Councillors present. A letter was read from the School Board notifying the Council of the expiration of Dr. McLellan's term as school trustee. On motion he was re-appointed. A letter was read from Mr. Frank Tuplin, asking permission to run his auto car from his residence to the steamer when he wishes to cross with it to the mainland. The clerk was instructed to inform Mr. Tuplin that the Council had no jurisdiction in the matter. A letter from parties in Chatham, N. B. offering crushed stone at 75 cents per ton, f. o. b. schooner. The clerk was instructed to write for a 250 pound sample. The police were instructed to take samples of all milk and cream offered for sale in the town and have the same tested. The request of the police for the usual ten days vacation was referred to the police committee.

FRIDAY. —TRANSFERRED.—Roy McMurdo, accountant of the Bank of Nova Scotia, Summerside, has received orders transferring him to Edmonton. He leaves as soon as his successor arrives, by way of Boston at which place he will spend his holidays. J.

NEW ARMY HOME.—The loyal corps of the Salvation Army are having the second floor of the Baker building on Water Street, which they purchased from Messrs. Jos. Read & Co., fitted up as a barracks and expect to have the hall ready for opening about the 26th, inst. The Foresters, who have occupied this hall for some years, have been obliged to vacate and for the present will meet in the Braco Block. J.

MIDDLETON.—Another woman's Institute had its beginning on Monday, July 14th, at Middleton. Quite a number gathered in the Hall to hear from the supervisor a description of the woman's Institute movement, its aims and the scope of the work. Considerable interest was shown in the expressions of opinion by both the ladies and gentlemen present. As a result an Institute was formed for which the following officers were elected. Treas.—Mrs. T. W. Bradshaw, Vice Pres.—Mrs. J. Crawford; Directors—Miss Gertrude Wright, Mrs. Colin Craig, Mrs. John McCartney, Mrs. Clifford Wright, Mrs. M. McCate; Sec'y Treas.—Mrs. Vernon Craig. THE LIFE OF A MARTYR Was In Agony For Years And Nothing Gave Him Relief Until He Used "Fruit-a-tives" The Famous Medicine Made From Fruit.

ALFRED FERRIS, ESQ. PENETANGUISHENE, ONT., March 4th, 1913. "I want to inform you of what your remedy 'Fruit-a-tives' did for me. For years, I was a martyr to Dyspepsia and Constipation, often having to leave work from the agonizing pains of Acute Indigestion. Doctors treated me continually, but without satisfactory results. It seemed to me that I tried every advertised medicine on the market, and got no relief. On one of the days that I was compelled to absent myself from work, a neighbor came to my house to whom I told of my suffering, and he said to me that all I had to do, if I had Dyspepsia, was to take 'Fruit-a-tives'. They would cure me. He had cured himself. I immediately procured a box and continued taking them until cured. I suppose I took in all, about eleven boxes and I am glad to be able to say that I have been free of Indigestion for nearly two years. They cured the Constipation also. They were worth their weight in gold to me and I will be glad to have you publish this letter, along with my photo, if it will induce another dyspeptic to take the right road to a permanent cure." Yours truly, ALFRED FERRIS. Don't suffer any longer. To-day—right now—get 'Fruit-a-tives' and cure yourself. 'Fruit-a-tives' will sweeten the stomach—strengthen the stomach muscles, increase the quantity of digestive juices, regulate Kidneys and Bowels, and make the digestion as sound as a bell. 'Fruit-a-tives' will positively cure every case of Dyspepsia, Indigestion, Sour Stomach, Belching Gas, Bloating, Feeling after eating, and all other disorders of the Stomach, Liver and Bowels. 50c. a box, 6 for \$2.50, trial size, 25c. At all dealers or sent on receipt of price by Fruit-a-tives Limited, Ottawa.

On Wednesday, July 23rd, at seven p. m. in the Middleton Hall, subject, Canning and Preserving. All the women of the district are invited to attend the meetings whether or not they are members and it is hoped a large number will come to hear a discussion on this seasonable topic.

A BAKING SUCCESS WHICH YOU CAN DUPLICATE IN YOUR HOME WITH BEAVER FLOUR THE T. H. TAYLOR CO. LIMITED CHATHAM, Ont. George Weston, the baker, made Toronto a blended flour city. When Manitoba wheat flour first appeared, it became popular because it made a big loaf. But the bread was heavy, coarse, full of holes and not especially tasty. George Weston thought there were enough people in Toronto who would appreciate the difference between quality and quantity—and he determined to bake a real, old-time, home-made loaf, using blended flour. At that time, Weston was running only two ovens. In a week, he had to start new ovens, and it was not long before he was selling FIFTY THOUSAND LOAVES A WEEK. Today, 75% of the bread baked in Toronto is made of blended flour. There is no doubt in the world but that "BEAVER" FLOUR is better in every way than any western wheat flour. "BEAVER" FLOUR, milled of Ontario wheat and a little Manitoba wheat to add strength—makes a deliciously light, tasty loaf of bread—makes a big loaf—and makes more loaves to the barrel. "BEAVER" FLOUR is equally good for pastry, because it contains so much of the choicest Ontario fall wheat flour, the finest pastry flour in the world. What George Weston did in Toronto, you can do in your own kitchen with "Beaver" Flour. DEALERS—Write us for prices on Feed, Coarse Grains and Cereals. THE T. H. TAYLOR CO. LIMITED, C.F.
