### ALL NEWS OF LOCAL INTEREST

A MEETING will be held in the Hall at Eldon on Saturday, Oct. 4th at 7.30 p. m. for the purpose of organizing a Rifle Club. All parties interested are requested to attend.

A. N. SIMPSON will preach (D. V.) next Lord's Day in the Christian Church in New Glasgow at 11 a. m. at Bradalbane in the Christian Church at 4 p. m. and in the hall in Fredericton at 7.30.

A VERY fine opera rehearsal for ladies was held at Prof. Eales studio last evening everything points to a grand performance of H. M. S. Pinafore at an early date. Particulars later.

The new Methodist church at Cornwall will be opened on the 19th of Oct. Three services will be held during the day. The Rev. Mr. Teasdale, of Fredericton N. B., will be present and preach the opening sermon. Rev. Mr. Fullerton of Charlottetown will preach in the afternoon and Rev. J. L. Miner at night.

ALL gymnasium classes in connection with the Y.M.C.A. open at once. The first class for young men will be held Friday evening at 8 o'clock. Special classes will be conducted for boys from 10 to 16 years of age. A class for working boys under 16 will be started if there is sufficient demand for it. The business men's class promises to be popular and well attended. The class will open next Monday at 5 p. m. All ladies desiring to enter the ladies' class are requested to hand their names at once to the general secretary.

AN interesting event took place at seven o'clock last evening in St. John's church, Milton, when Ambrose Coles and Miss Isabelle Hooper, daughter of David Scooper, Esq. were united in marriage. The bride was attended by her sister, Miss Ada, while Edmund Cole, brother of the groom, acted as groomsmen. The Ven. Archdeacon Reagh tied the nuptial knot. At the close of the ceremony a reception was held at the residence of the bride's parents, North Milton.

**NORTH TRYON AND VICINITY.**-Harvesting operations have been concluded for another season; and threshing and ploughing are now occupying the farmers' attention. -Misses Tizie and Carrie DeLaney, who have been spending their well earned vacation in Summerside, returned home Saturday. -Jos. Malone, Summerside, spent Sunday in Tryon as the guest of his sister Mrs. Pooley. -Our genial teacher, Gordon Warren, attended the Teachers' Convention last week. This gave the small boys a change to muscle their backs for potato picking which will soon be occupying their attention. -The North Tryon Rifle Association commences their annual practice on Tuesday, which will continue till the issue of ammunition is fired. -We compliment our genial butermaker, Frank Lang, on his having successfully gained 1st prize at the Provincial Exhibition. It is seldom Mr. Lang puts his batter in the show ring but when he does it always comes out first. -Gordon Dawson, who has labored successfully in the Yukon Region for the past three years, has returned home. He gives stirring accounts of that territory. Mr. Dawson enjoyed his stay out there and says any man who wants work can get it there with wages from \$3 to \$5 a day. -Mrs. Allison Lefurgy was severely bitten by a vicious dog a few days ago. The dog has been shot and our genial friend is progressing favourably under the skilful care of Dr. Robertson, Crapaud. -Chisholm & Son, our up-to-date furniture importers have received another consignment of furniture from Woodstock, Ontario. -Anything from "gold sovereigns" to "nickels" can be had in Tryon now since our friend has introduced his mineral rod. The Tryon River has become a modern Klondyke and prospectors can be had in salore; but one who has been in the business for years states that the keg of money has been found by an uninterested a.n.a. Smaller amounts are being picked up daily, so if those mineral rods keep working Tryon will be flooded with fortune hunters.

### Sterns' Fashionable Livery

Fashionable Livery means stylish rigs; that they are rubber tired, drawn by live and well groomed horses; that we have every style of wagon and carriage that a man of reason could ask for - in fact rigs that compare favorably with those from the finest private stables in town. Our turn-outs haven't got that "livery" stable-rig" stamp about them. This is very reasonable weather for driving - roads are excellent and the air bracing. The telephone if you like - too.

The followers of athletics in this Province will remember the stand taken this summer by the Abegweits in regard to sending a team to the Maritime championships they refusing to send a team away on the day the Union Men held their meet. Out of appreciation for what they had done the secretary of the Labor Day sports committee last night handed to the secretary of the Abegweits a check for \$40.00 to be used as they wished for the advancement of athletics. Through the press the Abegweits wish to thank the Union men for their generous gift which they can be assured will be used to the very best advantage.

The grand Autumnal Carnival at St. John, N. B., to be held there from the 8th to the 14th Oct. promises a splendid week of sport, and will doubtless go a long way to awaken the latent sporting instincts in that locality. Certainly the attractions which have been arranged for, leave little to be desired, and the cheap fares which have been secured from all points in the Maritime Provinces should attract a large number of people to St. John. Return tickets at single fare will be issued on the 8th, 9th and 10th October, good to return up to and including the 14th Oct. On Saturday 11th Oct. there will be a special cheap rate from the undernoted points, and the tickets will be good to return up to and including the 14th Oct.:-

### FROM NEWFOUNDLAND

The Island by the Sea, Sends Grateful Testimony for Dodd's Dyspepsia Tablets.

No medicine for Stomach Trouble has ever been favored with so many hearty and voluntary letters of recommendation as Dodd's Dyspepsia Tablets.

These unalloyed testimonials come from the people in all walks of life and in all parts of the world.

No evidence which might be offered could be more satisfactory and convincing. Men and women who have been sick and suffering for years have been cured and restored to perfect good health and in their gratitude write such hearty words as those of Mrs. John F. Sillars, of Western Bay, Newfoundland, who says:-

"It gives me great pleasure to be able to say that I have been cured of Dyspepsia by the use of Dodd's Dyspepsia Tablets.

"For several years I suffered. I could not eat anything without suffering intense agony afterwards. "I had tried everything I could think of but could get nothing to help me and had given myself up to die before I began the use of this remedy.

"Doctors had failed to do anything for me and there did not seem to be any help or relief.

"An advertisement in some paper drew my attention to Dodd's Dyspepsia Tablets and I began to use them about eighteen months ago.

"From the first I felt relief and now, after the use of five boxes, I am well and strong and a new woman.

"To say that I am grateful only feebly expresses what I feel.

"I will recommend Dodd's Dyspepsia Tablets as a cure for Dyspepsia.

Such letters as the above have been the means of convincing many doubtful ones that there is a shure cure for Dyspepsia and all forms of Stomach Trouble. Those who are now suffering should be guided by the happy experience of Mrs. Sillars.
