CAPT. MAY PROMOTED.—The approval of Capt. G. P. May's commendation by headquarters to be attached as major at the Military Depot established in St. John in connection with the military service act was received yesterday at headquarters from Ottawa. Capt. May enlisted in the 28th Battalion and saw much severe fighting at the front. His services will be of great value in the drilling and training of the men to reinforce the Canadians at the front, and more particularly the unit to which he originally belonged. He will enter upon his duties immediately at the barracks in the exhibition building says the St. John Telegraph.
