### MISSIONS ARE IN DANGER.

SHANGHAI, April 16—Rioting of natives at Ohangaba continues. Already three missions have been destroyed and fears for the safety of other missions are entertained. It is reported that the Governor was injured. The Governor's Yamen, in which the missionaries sought refuge was set on fire and the missionaries and other foreigners fled and were taken aboard a merchant steamer. The British consulate and Customs offices were abandoned. Two British gunboats are hurrying to the scene. The properties destroyed are the buildings of the Wesleyan China mission, of the Methodist Church, the Island mission and that of the Norwegian mission.

### KITCHENER IS WELCOMED.

NEW YORK, April 13—Lord Kit-chener arrived here from Chicago on his first visit to New York. He seemed pleased by the warm reception accorded him by about four hundred persons waiting at the station.

### SOCIETY GIRL WINS CASE.

NEW YORK, April 16—Rosalind Morris, a society girl, who was so badly burned by flaming gasoline in an automobile collision that she can no longer wear her low-worked evening gown, was awarded \$20,000 damages from the Metropolitan Street Railway.

### REFORMS IN THE CONGO

BRUSSELS, April 16—King Albert has approved the plans of the ministry of the Colonies for reforms in the Belgian Congo and they will become effective on July 1, when a large area will be opened to free commerce. The reforms include a reduction in the taxes, which will be collected in money and not paid by labor; the substitution of native for white officials; the restriction of obligatory labor on the part of adults to the works dedicated to the improvement of their own conditions; and the suppression of polygamy.

### MRS. THAW WINS SUIT

NEW YORK, April 16—Clifford W. Hartridge, one of the attorneys who defended Harry Thaw in his first trial for the murder of Stanford White, failed today in his effort to collect from Mrs. Mary Capley Thaw, the prisoner's mother, a balance of \$92,000 for counsel fees and disbursements which he claimed to be due him. More than that, Judge Holt of the United States Circuit Court, in denying a motion to set aside the sealed verdict of the jury which had heard Hartridge's suit against Mrs. Thaw, made the sensational statement that an inquiry was called for regarding the professional conduct of Hartridge.

## Boils and Pimples.

Whenever your complexion is unnatural, your skin in an unhealthy condition, your face covered with blotches and pimples, when boils and festering sores abound then your blood is bad. You can best cleanse it with that purely vegetable compound, Burdock Blood Bitters, which safely and promptly renews the blood and invigorates the entire system.

Mr. C. A. Mussen, Bawlf, Alta., writes: "I recommend Burdock Blood Bitters as being the best blood purifier there is. About three years ago I was greatly troubled with boils and our druggist advised me to try Burdock Blood Bitters and after taking two bottles I have not had a boil or even a pimple."

Mr. J. Morehouse, Zealand Station, N. B., writes: "My face and neck were covered with pimples, and I tried all kinds of remedies, but they did me no good. I went to many doctors, but they could not cure me. I then tried Burdock Blood Bitters and I must say it is a wonderful remedy for the cure of pimples. Far sale by all dealers. Manufactured only by The T. Milburn Co., Limited, Toronto, Ont."

### GROWING GRAIN IS IN DANGER IF COLD CONTINUES

WINNIPEG, April 16—After several hours steady rain, it turned to sleet and snow, and almost the whole of Western Canada is now covered with a white mantle with 10 or 12 degrees of freezing.

### CANADIAN CUT WIFE WITH RAZOR

NIAGARA FALLS, April 16—Following a quarrel at 2:30 this morning, Joseph Blount, of 2345 Main Street, Niagara Falls, N. Y., stabbed his wife, Bertha, in the breast and afterwards cut his throat from ear to ear with a razor, and was a ghastly sight when found dead, wallowing in a pool of blood. His wife was removed to the Memorial Hospital, where some hopes are entertained for her recovery.

For some time past Blount has been away, and returned home this morning and demanded a dollar from his wife, which she refused, offering him fifty cents only, whereupon he laid her low with the knife, after which he went into the bedroom and committed suicide.

### GAS BUOY EXPLODED.

SARNIA, April 16—Shortly after 5 o'clock this afternoon an explosion which could be heard a mile distant took place at the wharf of the Reid Working Co., injuring two men. Two iron gas buoys of the a. styrene generator type were being charged with carbide, preparatory to being placed in the river, the work being under the direction of C. F. Stewart, of the Marine Department. It is believed a small amount of water must have found its way into the tank, causing gas to generate. Mr. Stewart and a sailor named George Day of Sarnia were standing at each side of aperture and were thrown several feet and picked up burned and bleeding. Dr. James was summoned and found Stewart badly burned about the face, neck and head, and ordered him to be taken to the hospital. His eyesight may be affected. Day's injuries are less serious and he was taken to his home.
