Rev. W. Harrison, City, returned
Friday night from Dorchester, N. B.,
where he assisted at the funeral ser-
vices of the late Mrs. Jessie E. Clark.

F. Louisa Tufts, who made many
friends during her engagement in this
City at the People's Theatre, is at
present singing at the Unique, St.
John.

The mail train arrived in this city
at 10.25 Saturday evening, being
35 minutes late. With the
exception of the morning train from
the west, which was half an hour
late, all other inward trains on
Saturday were on time.

A new sign, the work of Fred Wal-
ler, of the firm of McNelis Bros.,
carriage builders and painters, city,
has attracted some attention since
put in position on Kent Street in
front of their factory. The design is
an original one, and is a carriage
wheel and at the end of each of the
spokes a letter. These letters are
gilded and form the words "Carriage
Builders" in a circle next the rim.
Surmounting the whole is a nicely
carved and gilded hand indicating the
location of the shops. The sign is
very attractive.

The Agriculture College at Truro
opened on Tuesday, Nov. 1st. The
present enrollment is forty-eight, but
from ten to twenty more students
are expected. Last year the enroll-
ment was forty-three. It will there-
fore be seen that the College is mak-
ing good growth and is being ap-
preciated by the farmers of the Pro-
vinces. There are students from Yar-
mouth County in the west to Cap
Breton in the east, and there are al-
so a few from P. E. I., New Brun-
swick and Great Britain. This prom-
ises to be by far the most success-
ful session yet conducted at the Col-
lege.—Halifax Chronicle.

The announcement in another col-
umn of a change of pictures every
night at the People's Theatre will be
read with approval by the many who
may make this pleasant picture house
the place to spend an hour in every
evening. The manager says that two
new reels will be run every night
thus making a change for each even-
ing, while the best of the reel of the
night before will be used as a start-
er while the people are getting seat-
ed. If the people will consider the ad-
ditional cost of the service, the added
expense in more ways than one, they
will also realize just how faithfully
the manager tries to keep faith with
the patrons of the house—and to pro-
vide always something new to at-
tract. Vaudeville does very well as an
occasional attraction—but cannot com-
pare with good, instructive and amus-
ing pictures. The matter has been un-
der consideration for some time, and
at last has been decided upon, it be-
ing now left to the patrons of the
theatre to show their appreciation.
It is only due in passing, and by
way of giving credit where it is due,
to remark, that those of the people
who have been abroad, come back
now saying that they come home to
see a real good show at a mighty
low price. Elsewhere a larger admis-
sion is charged, and the same care is
not exercised in the choice of picture.
Here the price of admission is
very low and the same to all, and it
must be admitted that the shows are
not only good, but are as good as
they can possibly be, not excelled any-
where, be it America of the Upper
Provinces. The city should be proud
of the People's Theatre, and especial-
ly its management and manager—the
only theatre in Canada managed by a
lady. The Guardian wishes it success.

About that toothache—You prob-
ably haven't one now, but when you
have, you will want something at
once that will safely stop pain. A
good dentist, of course, is best, but
you cannot always have one with
you. The next best thing is Ingra-
ham's Toothache Stopper. It eases
the pain soon as applied. Only 10c.

The marriage of Lulu Marion M.,

lay, of Sydney, to Arthur Charles
Horne of Regina, Sask., took place
on Oct. 25, at the Metropolitan
Church, Toronto. The ceremony was
performed by the Rev. Dr. Arm-

ceeding to their home in Regina. The
presents received were both numerous
