THOS. WILSON'S BODY FOUND.

ST. JOHN'S, N. F., Oct. 17.—At 2 o'clock yesterday afternoon, the body of the late Thomas Wilson, who has been missing since September 18, was found floating in the harbor, opposite Harvey & Co's premises. The schooner Eliza Ann was hauling in to the wharf and the rope struck the body, raising it out of the water. It was noticed by some people standing on the wharf who at first did not realize what it was. David Glover of the schooner Passover said that it was the body of a man, and securing a boat went out, and found his surmise to be correct. He attached a ligger to the clothing and towed it to the wharf. The police were notified of the affair and Sergt. Peet and two constables repaired to the scene, had the body wrapped in canvas, and taken to the wharf of the Horwood Lummer Co., from which it was taken to the morgue. Wilson is supposed to have fallen over the wharf of March & Sons about three weeks ago. His remains will be interred in the morgue this morning by Undertaker Martin.

POLITICAL PURITY IN THE ELECTION

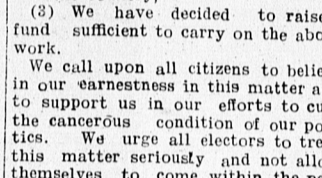

The Moral and Social Reform League of Charlottetown have decided to engage in the work of electoral reform, and to that end have decided upon the following lines of work:

- (1) We shall conduct a campaign of education by having addresses made at public meetings, sermons preached and distributing pamphlets on the duties of citizenship;
- (2) We shall prosecute any violators of the law and will employ a force of detectives to work throughout the country;
- (3) We have decided to raise a fund sufficient to carry on the above work.

We call upon all citizens to believe in our earnestness in this matter and to support us in our efforts to cure the cancerous condition of our politics. We urge all electors to treat this matter seriously and not allow themselves to come within the penal cause of the Dominion Election Act. Other constituencies have been able to free themselves from this great evil and we mean to adopt the methods which have been successful elsewhere. It is no light matter when our citizenship is made a matter of barter and is thus dishonored.

It is no light evil when the honest voters are defrauded of their due influence on the Government of the country. When the political managers use funds and liquor to debauch the electorate.

4. It is the object of the League to secure pledges against all forms of bribery and corruption on the part of the candidates, party workers and as many as possible of the electorate throughout the Province.

The Charlottetown Branch of the League is working Queen's County in the coming Dominion Election and urgently solicit the active co-operation of all good men in our work. A. W. Vapo-Cresolene

Whooping Cough, Croup, Bronchitis, Cough, Grip, Asthma, Diphtheria
 Cresolene is a boon to Asthmatics

Does it not seem more effective to breathe in a remedy to cure disease of the breathing organs than to take the remedy into the stomach? It cures because the air rendered strongly antiseptic is carried over the diseased surface with every breath, giving prolonged and constant treatment. It is invaluable to mothers with small children. Those of a consumptive tendency find immediate relief from coughs or inflamed conditions of the throat. Sold by druggists. Send postal for booklet. Mr. T. C. James, joint-treasurer of the MacKenzie fund, reported that he had forwarded to Mr. A. D. McKenzie, Demerara, the sum of one hundred dollars to pay expenses connected with his recent illness. On motion, the action of Mr. James was unanimously sustained.

This sederunt was closed with the benediction. Parcels of Assembly minutes have been forwarded to all Moderators of Sessions.

A. CRAISE, Presbytery Clerk.

Dyspepsia

Don't think you can cure your dyspepsia in any other way than by strengthening and toning your stomach.

That is weak and incapable of performing its functions, probably because you have imposed upon it in one way or another over and over again.

You should take **Hood's Sarsaparilla**. It strengthens and tones the stomach, and permanently cures dyspepsia and all stomach troubles. Accept no substitute.
