

MANY BEAUTIFUL TROPHIES WILL BE AWARDED

Fine Trophies For Fox Show

Collection On Display One Of The Most Magnificent Ever Seen In This Province.

The array of Trophies for the Fox show displayed in Holman & Co's window is possibly the finest ever seen in this Province, and should greatly stimulate interest and enthusiasm in this Exhibition. The display does not represent the complete number of trophies donated; many other splendid pieces of silverware not having yet arrived. These will be on hand however for the presentation of trophies and the official closing of the Show, the latter part of next week.

More than enough trophies have been donated to cover the big list of Championships, eighteen in number, while an equal number of reserve championship banners, artistically and beautifully fabricated, in the centre of each of which there is a painting of a Prince Edward Island Fox, have been presented by the Fox Exhibitor's Association.

A number of the larger trophies are of a perpetual nature. These are held by the winner for one year, when they are returned to the Association for re-competition. The winner each year also receives a miniature which becomes his or her personal property. Some very exceptional gifts have been also presented to become the complete property of the winner at this year's Show.

Among the donors who have generously contributed in this way to the success of the Fox Exhibition, are:

His Honor Lieutenant Governor Frank R. Hertz, a trophy in the form of an exquisitely patterned Silver Tea Service, comprising four pieces, and a tray to be awarded to

the Grand Champion Female Pup. The French Remedy Co., of Victoria, British Columbia, whose representative in this city is Mr. E.A. Foster, druggist; a very fine Sterling Silver hot water Pitcher. This valuable piece evidences the interest taken in the Show by firms of national importance. This trophy is presented for the Grand Champion Pup.

New Brunswick Government Trophy. This magnificent piece of Silverware in the form of an immense Cup was an object of admiration at last year's Show when it was won by A. L. Rogers, Kensington, for Grand Champion Adult Fox. It will be interesting to watch its capture this year in the same class.

The T. Eaton Cup. This is a new and very handsome Trophy, with miniature, awarded for the Grand Champion Adult Male.

The Levin-Fur Co's Trophy Many will remember the gracefully moulded Cup presented last year by this Company through their representative in this city, Mr. B. Roy Holman. The new Trophy, awarded for the Grand Champion Adult Female, is even more beautiful than this Company's previous contribution.

The Canadian National Silver Fox Breeder's Association Trophy is another excellent specimen of the Silver-Smith's art, and is to be awarded
