CANADA WILL HAVE A NAVY TO BE PROUD OF

QUEBEC, Aug. 30—Commander C. D. Roper, of the royal navy, who has been loaned to the new Canadian department by the British Government, to advise as to the establishment of Canada's navy, and the construction of vessels, who arrived here yesterday, says that the attempts to build the new navy of Canada were contemptible and that Canada would have a navy to be proud of, if the plan decided upon is followed out.

GREAT RACING AT READVILLE

READVILLE, Mass., Aug. 30—A couple of American harness drivers' two minor events, and an unsuccessful attempt by C. K. G. Billings to drive his big black gelding, Ulian, better than 2.01 to a wagon, marked the opening of the grand circuit today at the Readville track. Bob Douglas, a local horse, won the \$10,000 trotting Derby from scratch; Aileen Wilson, another Boston entry, for paces; while Ulian was beaten by also from scratch, captured the Derby one and three quarters seconds by old Father Time. Both the Derbies were won in poor time and the officials apologized in sending Ulian over a slow track and against a navy breeze. Yet the crowd enjoyed the sport, for the weather conditions seemed superb.

JOHN SVANBERG BREAKS THE MARATHON RECORD

LAWRENCE, August 29—John Svanberg, the Swedish Marathon runner, last night broke the world's Marathon record for 26 miles, 385 yards, recently made by himself at New York, running the distance at Cannon Lake Park in 2 hours 29 minutes 40 seconds. Pat Dineen, of Boston, was two laps behind, finishing in 2.31.55, while Harry Prime, of Lynn, finished third. His time was not taken.

INVITATIONS FOR NEXT CONFERENCE

SACKVILLE, Aug. 31—Ottawa and Sault Ste Marie have each invited the conference to hold its next meeting there in 1911. It is proposed to give women membership in all church courts but that proposition does not meet with much favor.

Some people are confounding the caterpillar with the tussock. The latter does not spin a web in the boughs, but only a cocoon in some temporary shelter. The inch worm, however, is a serious pest. On whatever part of the tree he operates the leaves will not appear again. Such affected branches should be cut off.
