**GOOD WORK DONE.**—In looking over the list of successful candidates in the last entrance examination of Prince of Wales College, I notice with pride that our school has made fully as good a showing as any in the Province, with the exception of the City schools. One of the pupils, master John W. Bears has received one of the scholarships for King's County and the others also ranked very high. In such a difficult examination, this is certainly very gratifying and encouraging to both scholars and parents and is further proof of the excellent work done by our efficient and painstaking teacher, Alexander McLeod.

At the meeting of I. O. G. T. July 28th Rosemeath Lodge, No. 74, the following resolutions were unanimously adopted.

Whereas the hand of Divine Providence has removed from our midst a beloved brother of our Order in the person of George Bulpitt and whereas we mourn for, and regret the loss of our former brother and associate, therefore be it resolved that is but a just tribute to the memory of the departed to say that in regretting his removal, we mourn for one who was well worthy of our respect and regard.

Further resolved that we express our deep sorrow and heart felt sympathy to the family of the deceased, and that a copy of these resolutions be forwarded to them and also to the newspapers for publication.

Signed F. H. C. (Joseph Shaw, Edgar Docherty, Robert Mellish).

**20 YEARS OF ITCHING PILES.**

Seven years ago he asked a druggist for the best cure for piles and was told to use Dr. Chase's Ointment. He continued this treatment until entirely cured, and as he has never had any return of his old trouble considers his cure permanent and remarkable on account of the length of time he suffered.
