Stock Markets At A Glance

TORONTO, Oct. 2 — (CP) — The gold stocks moved into new high ground for the last eight years in today's operations on the Toronto Exchange, registering an index gain of .43. Western Oils were up .29 at the close and the Base Metals were down .11. Volume was the smallest in two weeks at 1,854,000 shares.

NEW YORK, Oct. 2 — (AP) — Selling of steels and motors in the final few minutes stalled the Stock Market today after the averages earlier had hit new peaks for more than eight years.

Transfers of 1,800,000 shares compared with 1,900,000 Monday.

The Associated Press 60-stock composite was unchanged at 71.6, which still was a high mark since April 21, 1937.

WINNIPEG, Oct. 2 — (CP) — Rye prices on the Winnipeg Grain Exchange today were irregular moving up from small gains in the first half of session on commission house buying and local demand stimulated by advances at Chicago. The market then receded but firmed again. It was believed a small quantity of Canadian rye was worked to Iceland.

CHICAGO, Oct. 2 — (AP) — Wheat was in demand at today's session of grain futures trading and all deliveries advanced above yesterday's close. Buying said to be of an investment nature carried the deferred deliveries up more than a cent at times. The December delivery sagged during the morning under profit taking, but mill buying developed on the dip.

MONTREAL, Oct. 2 — (CP) — After giving a spotty and hesitant display for most of the sessions the Stock Exchange and Curb Market turned upward in late trading today. Industrials and papers went to new eight-year highs in the averages. Golds, mainly juniors, joined in the belated upswing but the index was down.

Trading box score: total sales 201,500 shares; mines, 156,700; industrials, 44,800; stocks higher 63; lower 59; unchanged 60.
