OVERLOOKED.

There are Patent Medicines and Remedies Without Number.

For Every Disease and Affliction but One.

A prominent physician was recently asked why it was that there are so many "blood purifiers," "nerve tonics" and remedies for every ill, except one of the most common and annoying, viz: piles. He replied, there are two principal reasons. First, physicians and people in general, have thought that the only permanent cure for piles was a surgical operation, the medicinal preparations were simply palliative. Another reason is, that piles is in no sense of the word an imaginary disease; the sufferer from piles is very much aware of the fact, and for this reason, the few so-called pile salves, ointments etc., have been short-lived. The patient very soon discovered their inefficiency.

He says further, fortunately, however, there is a new remedy for piles, which judging from its rapidly growing popularity, will soon take the place of all other treatment; it has certainly made astonishing cures in this obstinate disease and its merit has made it famous among physicians and wherever it has been introduced. This remedy is sold by all druggists under the name of Pyramid Pile Cure.

From the immediate relief which the Pyramid Pile Cure gives in all forms of piles, many physicians supposed it contained opium, cocaine or some similar substance, but upon analysis it was found to be perfectly free from anything of the kind, and that the instant relief and cure which follows its use is rather the result of its remarkable healing, soothing action on the parts affected. The Pyramid Pile Cure is the only remedy, except a surgical operation, which immediately relieves and permanently cures every form of piles. It is sold by druggists at 50 cents and \$1, or by mail from Pyramid Drug Co., Marshall, Mich.
