Clean Up Paint Up

Clean Up & Paint Up

"Make every home clean and beautiful with paint and varnish" is the call of the Clean Up and Paint Up Campaign.

A run-down home with cracked and faded paint on it reminds you of a frowsy woman or an unkempt man. You don't see such people in homes kept spick and span.

The humblest cottage can be made beautiful with the right kind of paint and a few shrubs and flowers, and cleanliness and order. And these spell economy as well as beauty.

Our Paint Department is rendering a service which is appreciated by particular home owners. It means more than the cost of paint and labor yet you pay no more.

The Clean Up and Paint Up Campaign calls for Paint. Use the phone—NOW—and let us tell you all about what we can do for you in this campaign.

LETTER OF SYMPATHY

To Mr. James MacKenzie and Family.

Dear Friends,—The members of Murray Harbor North Ladies Aid Society desire to extend to you our sincere sympathy in the great bereavement you have been called upon to bear in the death of your beloved wife.

She was an honoured member of our Society for quite a number of years, and we take this opportunity of extending to you our heartfelt sympathy in the very sore bereavement that God in his inscrutable wisdom has called on you to endure (this is the second death in our Society during the last month) reminds us all of the slender web that exists between us and the great eternity to which we are all hastening.

Although such bereavements are hard to endure we yet know that when God in the secret ways of his wise Providence which are different from our ways sees fit to take our loved ones from us he is doing what he knows to be best, that God in his infinite goodness may give you strength and grace to lighten the gloom which must necessarily hover over the home, for we fully realize tat it will be in the home she loved so well that her death will be most deeply felt.

We would kindly remind you that though parted here we can cherish the great thought that when done with the things below we hope all to meet in the Great beyond where parting and sorrow are unknown.

On behalf of the Ladies Aid Society of Murray Harbor North.

LITTLE THINGS.

Life's such a round of little things.
How can we stop to see
The vast, still splendor of the sky.
The high stars' mystery?
For all our days are filled so full
Of little fretting cares.
Of little unexpected joys.
And sudden small despairs.

And yet the little graces come
To be so sweet and dear,
The little fires can burn despair,
The low walls shut out fear.
Perhaps the God who keeps us all
Beneath His watchful care
Knows that the round of little things
Is all that we can hear.

Hair Often Ruined By Careless Washing

If you want to keep your hair looking its best, be careful what you wash it with. Do not use prepared shampoos or anything else that contains too much free alkali. This dries the scalp, makes the hair brittle, and ruins it.

The best thing for steady use is Mulsified cocoanut oil shampoo, which is pure and greaseless, and is better than anything else you can use.

Two or three teaspoonfus of Mulsified is sufficient to cleanse the hair and scalp thoroughly. Simply moisten the hair with water and rub it in. It makes an abundance of rich, creamy lather, which rinses out easily, removing every particle of dust, dirt, dandruff and excess oil. The hair dries quickly and evenly and it leaves the scalp soft, and the hair fine and silky, bright, lustrous, fluffy, wavy and easy to manage.

You can get Mulsified cocoanut oil shampoo at any drug store. It is inexpensive and a few ounces will supply every member of the family for months. Be sure your druggist gives you Mulsified. Beware of imitations. Look for the name Watkins on the package.
