JAMES WARBURTON, Mayor of the City of Charlottetown. City Clerk's Office, Charlottetown Jan. 23rd, 1901.

CARD: To The Electors of The City of Charlottetown.

LADIES AND GENTLEMEN:-

At the request of a large number of my friends, I offer myself as a candidate for the position of Commissioner of Sewers and Water Supply at the forthcoming election.

If elected I will as far as possible devote my time and attention, to carry out the Provisions of the Sewer and Water Acts in the interests of the citizens.

Trusting to be favored with your support and thanking you in advance for same

I remain Yours &c &c THOMAS CAMPBELL.

To the Civic Electors of Charlottetown.

LADIES AND GENTLEMEN:-

At the request of a large number of my friends I again offer myself as a candidate for Commissioner of Sewers and Water Supply. During my term of office I have sought honestly and conscientiously to serve the best interests of my fellow citizens.

In the construction of the Sewerage System I endeavored to give good substantial work and first-class material with as little expenditure of the public money as possible. The fact that Charlottetown now has an efficient sewerage system at the cost of \$145,000 or \$5,000 less than the sum fixed for construction, fully justifies this assertion.

The large increase in the revenue of the water department over previous years shows that branch to be on a good financial footing.

Should you again elect me you may be sure that I will do all in my power to deserve the confidence of my fellow citizens.

I am, Ladies and Gentlemen, Respectfully yours, HENRY SMITH. Ch'town, Jan. 17, 1901.

In making this announcement I am most anxious that my position be clearly understood.

It has been alleged and freely reported during the last few days that in this election I have formed an alliance with, or am in some way associated with, the candidature of Mr. S. W. Crabbe. I most emphatically deny that any such alliance or combine exists.

I beg to say that I am perfectly capable of taking care of myself in the coming contest, and has never spoken to me in reference to his or my election.

I am simply seeking re-election on merit, as one free and independent of any combine, party or persons having a desire only to gain my election honestly and fairly without prejudice to any.

I now solicit for myself the same generous and hearty support you so freely gave me when you so handsomely returned me at the last election for a Commissioner.

Should you again elect me as one of the said Commissioners I shall endeavor as in the past, to represent you honestly and faithfully to the best of my ability.

Yours truly, CHAS. McGREGOR, Com. of Sewer and Water Supply. 164 td.

Blood Disorders

are simply kidney disorders. The kidneys filter the blood of all that shouldn't be there. The blood passes through the kidneys every three minutes. If the kidneys do their work no impurity or cause of disorder can remain in the circulation longer than that time. Therefore if your blood is out of order your kidneys have failed in their work. They are in need of stimulation, strengthening or doctoring. One medicine will do all three, the finest and most initiated blood medicine there is.
