Greenberg's Homer With Sacks Loaded Hoists Tigers Into World Series Against Cubs

By The Canadian Press

A mighty home run by Hank Greenberg with the bases loaded in the ninth inning proved the championship punch for Detroit Tigers yesterday as they beat St. Louis Browns 6-3 in the first game of a concluding doubleheader at Sportsman's Park and sewed up the American League flag.

Premature darkness was settling over the field and a light mist was falling as big Hank stepped up with his team a run behind and gave one of Nelson Potter's screwballs a tremendous ride into the bleachers just inside the left-field foul line.

Rain, which had delayed the opener nearly an hour, washed out the second game.

Greenberg's sock buried Washington Senator's last hope of finishing in a tie and squared the Tigers away for the opening game of the World Series against Chicago Cubs Wednesday in Detroit.

The Bears made a determined bid in a hectic ninth but went down with the bases loaded

Cubs Take National League Flag

By The Canadian Press

Things were anti-climatic for the National League champion Chicago Cubs yesterday as they closed out the season by downing Pirates 5-3 at Pittsburgh.

A small crowd of 3,751 shivering in the chill autumn sun watched the Cubs win their 98th game of the season.

The Chicago champs who took over the National League lead in July and held it all the way against the surge of St. Louis Cardinals, nailed the pennant to their flagpole Saturday with an eight-hit 4-3 victory over Pirates in the first half of a double header.

Just for good measure, the Cubs also took the darkness-shortened second game 5-0 in seven innings.

70 Feared Lost In Refugee Ship Fire

CAIRO, Sept. 30—(Reuters)—Seventy persons including women and children, are missing and feared killed from the British ship Empire Patrol which caught fire Saturday and had to be abandoned in the Mediterranean 46 miles northeast of Port Said, when repatriating 562 Greek refugees.

Crew members described how they had to fight their way with a hose through a screaming crowd of passengers to get near the fire in the lower hold, while other members of the crew managed to get passengers to the fore and after parts of the ship away from the fire.

Women and some of the 208 children screamed and struggled as they were removed from the ship by force. They were tied with ropes and then lowered over the stern to British naval rescue boats below.

Search for survivors continued Saturday night, with British warships illuminating the scene with searchlights and R. A. F. bombers dropping flares.

The lowering gear of one lifeboat in which there were about 50 people is reported to have jammed, when the ropes were cut. The boat crashed down into a choppy sea, and a stiff wind added to the difficulties of rescue.

The majority of the survivors were landed at Port Said late today.

Canada Goes Back On Standard Time

OTTAWA, Sept. 30 — (CP) — Canadians had an opportunity to an extra hour's sleep last night and today the country, with the exception of a few places in Saskatchewan, was back on standard time for the first time in three years.

Officially, daylight saving time ended at 2 A.M., local time, Sunday while actually clocks were changed at bedtime Saurday night or Sunday night or Sunday morning.

Only exception to the time change was in a few Saskatchewan areas including Saskatoon and Regina, where clocks will be put back Oct. 14.

Canada's return to standard time corresponded to changes in the United States and marked the end of a war measure introduced on a Dominion-wide scale in the spring of 1942 to conserve electric power. Earlier, in 1941, daylight saving time had been made effective in certain areas of Ontario and Quebec.

Australia is said to be the most level in surface and regular in outline of all the continents.
