"ORANGE LILY" SAVED MY LIFE!

These words, or expressions having the same meaning, are contained in hundreds of letters I have received during the past year. Many were from women who had suffered from falling of womb; others from women who had suffered from dangerous surgical operations, as the tumors and ulcers had been removed by the action of Orange Lily; others who had suffered from suppressed menstruation, leucorrhoea, painful periods, etc. For all these and other troubles known in general as Women's Disorders, Orange Lily furnishes a positive, scientific, never-failing cure. It is applied direct to the suffering organs, and its operation is certain and beneficial. As a trial actually proves its merit, I hereby offer to send, absolutely free, a box worth 45c, sufficient for ten days' treatment, to every suffering woman who will write for it. Enclose 3 stamps. **THE LOBSTER SEASON.**—There is a petition going round among fishermen of Wood Islands, Bellefleur, Flavel River, Pinette and Point Prim, to have the lobster fishing season changed from spring to autumn. It is hoped that their request may be granted as it is a known fact that they have the wrong season. They are under a great disadvantage on account of ice and cold stormy weather, also for want of bait. It is impossible to get bait until the vessels come from the Magdalen Isles and that is never before May 14th. As the present season opens on April 26th, that is 19 days of the season already gone. —Lobster Packer.

Mr. Martin who is only 23 years old deserves hearty congratulations on his unique success. He has proved a most painstaking student of law and promises to be as successful in his practice as his father with whom he will be associated.

There passed away on December 3rd, 1919 Mrs. M. D. Matheson wife of M. D. Matheson, Rose Valley. Mrs. Matheson was the daughter of the late John Munroe and was born at Montague Head, 74 years ago. She was the last of a family of nine. Mrs. Matheson was a woman of rare qualities of heart and mind. Her face shone with kindness and cheerfulness that gave a true welcome to her hospitable home and there were many who received tangible proofs of her generosity. A devout member of church and a christian wife she had been in her life long held in fond remembrance. She leaves to mourn, her husband, one son Donald E., at home, and two daughters in the United States, Mrs. Donald McArthur of Cambridge and Mrs. Rachel McPhee of West Newton. The funeral service which was largely attended was conducted by her pastor the Rev. John Stirling, Interment was in Hartsville Cemetery.

There passed away at the home of her son, Mr. Benjamin Richards, Murray Harbor North, on Saturday December 20, one of the best and most favorably known of the older ladies of the community, in the person of Mrs. Charles Richards. For some months she had been in failing health, but her fine strong constitution enabled her to get about until within a few days of her death, and when the end came she passed to her heavenly home as peacefully as a child falls asleep. Mrs. Richards was seventy-eight years of age and leaves to mourn three daughters and two sons, Mrs. E. Irving, Mrs. J. Irving, Mrs. S. Leeco, John Thomas and Benjamin. Two sisters also survive, Mrs. Butler and Mrs. MacLeod. Mr. Richards, husband of the deceased, died on April 5, 1903. Mrs. Richards' funeral was conducted by the Rev. Mr. Sutherland on Monday afternoon to the Murray Harbor North Cemetery, and attended by a good number of the neighbours and friends of the community.

On the early morning of Thursday, Dec. 18, there passed to his eternal rest, Finley McKinnon, an aged and well known resident of Brookfield. Born there seventy-five years ago, he was a life-long citizen of that place. He was a faithful member of the Church of Scotland, and a man of many good qualities. His kind and sociable manner made for him many friends. He leaves to mourn his loss and cherish the memory of a kind and doting husband and father, a sorrowing widow and three children, Mrs. Butler, Mrs. MacLeod, and John A. McLeod; Mrs. Katherine and Finley, on the homestead; also two sisters, Mrs. Matheson of Dorchester, Mass., and Mrs. A. N. McLeod of Brookfield. The funeral service, which was very largely attended, was conducted by Rev. T. W. Good will. The pall bearers were D. J. McInnis, F. C. Dollar, J. H. Paul, Myles McDonald, J. B. Dollar, and Nelson Bell. All that was mortal of an upright man and good neighbor was laid to rest in Brookfield cemetery.

There passed peacefully away at North Rustico, on Dec. 8th, Joseph Saultier at the early age of 42 years. The deceased had been in failing health for some years. During the past six months he had taken a number of bad turns, and a few weeks before his death he began to fall quite rapidly until, on the 2nd inst., he took his final and peaceful departure. He was a dutiful and efficient member of the Catholic church. Rev. Chaisson transmitted to him the last rites of the church, and prepared him for a happy death, which he always ardently desired. Saultier leaves to mourn a sorrowing wife and six children, four boys and two girls, one boy named James, away from home, and Victor, Phil, Vincent, Edene, Hilda at home; besides his mother, who cared for him, gave him the best possible attention. The funeral was held on Wednesday, Dec. 10, to St. Augustine's cemetery. Rev. J. Chaisson laid the mortal remains of the departed one. The pall bearers were Peter Blaquiere, Fidelle Blaquiere, Henry Doucette, James Blaquiere, Joseph Gallant, Jerry Blaquiere. May his soul rest in peace. (Patriot please copy.)

The annual Prince Edward Island Poultry Show opened yesterday in the Agricultural Hall. The show, while not the largest, compares favourably with the best held here in recent years and the excellence of the stock shown is probably as fine as any ever seen here. The show is being held at the rear section of the Agricultural Hall where everything has been nicely arranged for the purpose. Mr. George Lightfoot, who always has taken a deep interest in everything pertaining to the poultry industry in its various branches in this province was a busy man yesterday. With Mr. A. F. Houston, the energetic secretary, and others were engaged in arranging the coops and putting the fowls in place they certainly had their time fully occupied.

The number of entries is about seven hundred in all. The biggest showing is between white leghorns and white wyandottes, while there is a good sprinkling of single-comb black Minorcas. Besides the various breeds of fowl there is a good showing of geese, ducks and Belgian hares, as well as some beautiful pigeons which were shown by Mr. A. F. Houston.

Mr. James Cranwell had some wonderful exhibits of New Zealand rabbits with their cunning litters of young which attracted much interest.

In the basement a number of geese were on show as well as some additional exhibits of fowl and ducks.

Messrs Carter and Company in this section showed an interesting display of goods pertaining to the poultry industry. The formal opening took place in the evening, the President, Mr. R. V. Longworth, calling upon His Honour, Lieutenant Governor McKinnon to make the declaration. Lieutenant Governor McKinnon in a brief speech spoke of the great progress which had been made in the poultry industry in recent years. Great strides had been made by means of co-operation and the poultry of Prince Edward Island, he said, was steadily improving. The splendid display of birds was a remarkable demonstration of what could be done by careful attention to the breeding of stock, and he hoped that the poultry breeders would continue to improve their fowl.

Hon. W. M. Lea, Commissioner of Agriculture, struck a note of encouragement to the poultrymen made better progress than the stock breeders, a fact no doubt attributable to the multiplication of their stock. This exhibition, he said, would result in considerable competition for it brought together the very best stock from all parts of the country, and breeders were able to compare their own methods with those of others and to benefit by the improvements which they perceived in other stock. The reason back of every commercial reason back of every decision they made, and poultry raisers should keep quality always in view. He had seen prices offered as high as 36 cents per pound of eggs, and as low as 26 cents, according to the grade of bird. He spoke of the great value of raising was an indispensable part of mixed farming. The Commissioner expressed the hope that a great deal of good would result from the exhibition, which he wished every success.

Rev. Dr. Gauthier spoke of the great importance of co-operation and said that due credit must be paid to the splendid results that had been attained. The first year of their work the Association had done a quarter of a million dollars' worth of business, which had now greatly increased. They had done exceedingly good work, but after all, he said, they still lacked adequate organization, for they did not cover as much territory as the cheese factories and creameries, and there was a great deal more yet to be done. There was a dispute as to whether the important part of paying to this province, but he thought the best would come when the hen would settle the question. If the poultrymen of the province co-operated to the utmost and aimed high, there should be no reason why this prophecy should not be fulfilled, and in view of the progress that had already been made and the prospects which were now obvious, he had no hesitation in "voting" for the hen. The meeting then closed with the National Anthem.

Hon. McKenzie King, with his private Secretary, Mr. McGregor arrived in Summerside by the evening train last night. He was met at Borden by Messrs LeRoy Holman, Willard Phillips and A. C. McLellan, a delegation from Summerside. At luncheon they were joined by Premier Bell and proceeded to Summerside. After supper at the Clifton Hotel, they proceeded to St. Paul's Hall where an interview with the delegates from various parts of the constituency took place. There was a large representation of delegates and electors—about 300 in all.

Premier Bell presided and after a few introductory remarks opened the meeting and called upon Hon. Mr. King.

Hon. Mr. King then addressed personally the electors of Prince Edward Island for electing him by acclamation first the Liberals, secondly the Conservatives, who united with the Liberals in electing him by acclamation. Under the conditions he proposed to himself a representative of the whole county and not as the representative of one party only.

Hon. J. H. Sinclair, M. P., for Queens County, made a short address.

dress. He emphasized the advantages derived from free trade and reciprocity in this country.

The different delegations were then called upon.

Alberton Delegation—Petition introduced by S. R. Burke in connection with the railway wharf there. Papers were submitted to Mr. King.

O'Leary Delegation—P. M. Pate introduced a petition to have a public building in front of the Post Office and Customs House in O'Leary.

Mr. Pate also read a petition from Freeland for the dredging of the harbor.

West Point—Mr. Wortman read petitions from the farmers institute to have the Government reduce the cost of freight rates on transportation of mussels, mud and other fertilizer to the farmers.

Ellerslie—Mr. Wm. Bursleigh read a resolution from the inhabitants of the county for the dredging of the narrows in Malpeque Bay and he also read a petition for erecting a cold storage plant at Ellerslie.

Port Hill—Mr. W. J. Montgomery read a petition to have the railway line bent to include Tyne Valley when the rails are standardized in the coming summer.

Richmond—Mr. A. E. McLellan, M. L. A. read a petition to have a booking station there and also to have a Malpeque branch line for the purpose of tapping Richmond from New Annan or Kensington.

The subject also came up in the lighting of Kensington station.

This matter will be taken up today by Mr. King.

There was a matter of the Summerside Board of Trade re transportation, etc., but it was not presented and will stand over until today.

Mr. King spoke briefly on the subjects submitted stating that he would use his utmost endeavors to have the claims presented to the Government.

At the close he was accorded a vote of thanks and the National Anthem was then sung.

On the morning of December 7, 1919, Mrs. William Henry Holmes (nee Catherine Jane Stevenson) after a short illness of about three months, borne with Christian patience, hope and fortitude passed within the veil, her husband having predeceased six years since. Mrs. Holmes was in her 56th year. As a faithful mother she could not be surpassed. She was unselfish, untiring, and industrious in her efforts to make her home a place of happiness and bliss. But her influence could not be confined there, for it found an outlet wherever there was sickness or help needed, she was ever ready and willing to do her part cheerfully.

Mrs. Holmes was a member of the Church of Christ, New Glasgow, P. E. I. She leaves to mourn four sons: Everett, Tyrus, Melville, of Kingston, P. E. I., and Lee, of Davidson, Sask., besides four brothers and three sisters: William Francis Stevenson, George Walter, of Fredericton, P. E. I., and John and Tyrus of Dakota. Mrs. Montague Linkletter of Summerside, Mrs. J. MacKinnon, Charlottetown, and Mrs. N. Murray, Fredericton, P. E. I. The large funeral evidenced the fact that she was held in high esteem in the community. The funeral service was conducted by her pastor, H. R. Bell. Singular as it may appear, the same pall-bearers who six years ago had carried her husband to his last resting place, carried her. They were as follows:—D. T. Fraser, Bertram Younker, Reuben Barret, Ira Auld, Ben Ward, and William Younker.
