PSORIASIS AND ECZEMA

Milk Crust, Scalded Head, Tetter, Ringworm and Pimples

COMPLETE TREATMENT

For Torturing, Disfiguring Humours, From Pimples to Scrofula, From Infancy to Age.

The agonizing itching and burning of the skin, as in eczema; the frightful scaling, as in psoriasis; the loss of hair and crusting of the scalp, as in scalded head; the facial disfigurement, as in pimples and ringworm; the awful suffering of infants, and anxiety of worn-out parents, as in milk crust, tetter and salt rheum—all demand a remedy of almost superhuman virtues to successfully cope with them. That Cuticura Soap, Ointment and Pills are such stands proven beyond all doubt. No statement is made regarding them that is not justified by the strongest evidence. The purity and sweetness, the power to afford immediate relief, the certainty of speedy and permanent cure, the absolute safety and great economy have made them the standard skin cures and humour remedies of the civilized world.

Complete treatment for every humour, consisting of Cuticura Soap to cleanse the skin, Cuticura Ointment to heal the skin, and Cuticura Resolvent Pills to cool and cleanse the blood may now be had of all druggists. A single set is often sufficient to cure the most torturing, disfiguring, itching, burning and scaly humours, eczemas, rashes and irritations, from infancy to age, when all else fails.

Cuticura Resolvent, liquid and in the form of Chocolate Coated Pills, Cuticura Ointment and Cuticura Soap are sold throughout the world. Depot: London, 17, Cannon Street; Paris, 1, Rue de la Paix; Australia, R. Towns & Co., Sydney; Boston, 12, Columbus Ave.; Boston Drug & Chemical Corp., Sole Proprietors. Send for "How to Cure Every Humour."

THE LIVER TO BLAME.

So long as the liver is active in filtering the bile from the blood there is no biliousness and no constipation, because the bile is passed from the liver into the intestines where it acts as a cathartic in keeping the bowels active. Because of their direct action on the liver as well as the bowels, Dr. Chase's Kidney-Liver Pills thoroughly cure constipation, the real cause of nine-tenths of the common ills of life.

Charlottetown BUSINESS COLLEGE
WRITING ACADEMY
This College re-opens on Tuesday next, August 16th. During the vacation, the rooms have been handsomely fitted up and about 1200 feet of floor space have been added to the Shorthand and Typewriting departments to accommodate the increasing patronage. IN ALL DEPARTMENTS, the latest and best methods will be taught by a staff of COMPETENT teachers, specialists in their departments. Nine teachers will form the staff during the coming term. Our Business Training course, always taking rank among the best will be more interesting and inviting than ever before because of the many new features being introduced. Our Shorthand and Typewriting departments have been enlarged and Mr. Trainor, the principal, will have all the assistance he requires to bring them up to that high state of perfection to which he aspires. His unparalleled success last year was a revelation to many, and we cannot help it if some would be competitors are angry and "throw mud." Everyone to his calling. Mr. Trainor will continue to educate the young men and women in the art of Shorthand and Typewriting and will always be found attending to his business. SEVENTEEN graduates last year from the Phonographic Institute of Cincinnati. While it is a record unapproached by ANY OTHER teacher last year, yet, Mr. Trainor with his efficient assistants, hopes to double the number this term. There are some so called business colleges that claim everything on paper. But when it comes to thorough, high grade work, lowest expense with absolutely no risk on the part of the student, College environments and opportunities, the Charlottetown Business College stands out in bold relief. Two things should be remembered by intending students:—Our high grade work and unheard of low tuition rates. Students may enter at any time. For full particulars, address, **L. B.
