**CONVENT REPAIRS**—The work of repairing the Convent School at Tignish is now completed and we are glad to say that everything has been adjusted in a very satisfactory and capable manner under the direction of Mr. Frank S. Gaudet.

**SLEIGH GOES THROUGH ICE**—On Monday morning a horse and sleigh hauling logs for the Town Wharf went through the ice just west of the railway wharf at Summerside. The driver with the assistance of another teamster managed to get the rig on to sound ice again. S.

**FUNERAL OF MRS. NEIL MACLEOD**—The funeral of Mrs. Neil MacLeod was held on Saturday afternoon and was very largely attended. The service at the home was conducted by Rev. Mr. Campbell, assisted by Rev. Mr. Jeans. Trinity United Church was filled to capacity with friends of the deceased. The Summerside Chapter of the I. O. O. F. attended the service in a body. The Missionary Societies from the different Churches were well represented. The service conducted by the pastor, Rev. Mr. Campbell, was very impressive. In a short address Rev. Mr. Campbell spoke very highly of the many rare qualities of the deceased and that the Island had lost an appreciative historian. Her place in the community would be very hard to fill. Rev. Mr. Jeans offered prayer. A full choir rendered the hymns very feelingly. Mr. George Bonness sang that beautiful hymn, "Not Now but in the Coming Years." The pallbearers were Messrs. A. R. Brennan, William Llewellyn, T. M. Linkletter, Major Townsend, T. D. Ramsay and A. S. MacLellan. Interment was in the People's Cemetery. S.

### EASTERN GUARDIAN

**TRANSFERRED**—Mr. James Cameron, who served for some time as night operator in C. N. R. Station at Summerside is transferred to Montague Station.—H.

**SOCIAL EVENING**—Mrs. C. H. Poole entertained some friends at Bridge at her home in Lower Montague on Tuesday evening, March 1st. Three tables were in play. After Bridge the hostess served a very delicious and dainty lunch, assisted by Miss Doris Thompson and Mrs. Elizabeth Shirmer. The remainder of the evening was spent in dancing, after which the happy guests said good-night to their charming hostess and thanked her for the very pleasant and entertaining evening.—H.

**WEEKLY BRIDGE**—The Montague Weekly Bridge Club was entertained at the home of Mrs. Harry Davison on Friday evening, March 4th. Four tables were in play. Honors were awarded to Mrs. William MacLean, Mrs. Herbert Poole and Miss Mary Lamont. After the play a dainty lunch was served by the hostess, assisted by her sister, Mrs. M. Hubley, Mrs. J. P. Beer, Miss Martha Cunningham and Miss Marjory Hyndman.—H.

**HORSE RACES**—Races took place on Clark's Bay on Wednesday afternoon. Keen ice and a fine day brought scores of people to the scene of activities. Among the horses on the winning list were Babe Aubrey, owned by Mr. Leo Collins, of Montague; Minnie Aubrey, owned by Mr. Key Stewart, and Bobbie Burns, owned by Mr. Pat MacCarron. Babe Aubrey carried off first money. A very fine exhibition in the art of jockeying was given by Mr. Cass Clay, Montague, with his fast horse, Peter Verde.—H.

**CHURCH HOCKEY LEAGUE**—Much enthusiasm is shown among the young people in connection with the Church Hockey League. Two teams have emerged as "runners-up" and they are to play off for the Dominion Life Cup in the near future. This cup was kindly donated by Major J. A. MacKenzie through Mr. C. Armstrong, Montague, representative for Dominion Life, for annual competition. The boys are very grateful to Major MacKenzie and Mr. Armstrong for their kindness and appreciate the interest they have shown. It is to be understood that this cup is to be competed for by members of the Hockey Club who do not play on the Imperial team.—H.

**NARROW ESCAPE**—What might have resulted in a serious accident occurred on the Montague River Sunday evening when a horse went through the ice. The horse was owned and driven by Mr. James Shaw, of Brudenell, and with him in the sleigh were two other men. Without warning the horse plunged headlong through the ice. The occupants managed to get out of the sleigh and jump to safety. The accident occurred near Montague so the call for help was soon heard and responded to by a large number of people. Valuable assistance was given by Mr. Harold Mabey at some danger to himself, since he was dragged into the water and could not get out before he was wet to the neck. His friends trust that Mr. Mabey will be none the worse for his immersion.—H.

**FORMER SOURIS CLASSMATES**—The second Annual Meeting of the "Samaco Girls' Club" was held at the home of the Misses Margaret and Dorothy Keays, 45 Woodcote Street, Everett, Mass., on Wednesday, February 24th. The President, Margaret Deagle, called the meeting to order, and the minutes of the first Annual Meeting were read and accepted. The Secretary-Treasurer, Margaret Keays, then read the financial report for the year. Various activities and social events enjoyed by the members during the past year were reviewed by the President and even greater results for the coming year are anticipated. The members of the Club regret deeply the death of Sister Mary Bride (Barbara Campbell), a Sister of Mercy at St. Joseph's Hospital, Aurora, Illinois, who was a former classmate and a very dear friend. Sympathy was also extended to Mrs. Sarah MacDonald (Sara

# A FRANK CONFESSION

## —A STATEMENT BY THE GILLETTE SAFETY RAZOR COMPANY

THE Gillette Safety Razor Company in fairness to its millions of customers feels called upon to make a confession and a statement that are undoubtedly unique in the annals of Canadian business. It is with deep regret and no little embarrassment that we do this in order to tell you frankly what actually happened about a year ago when we introduced a new Gillette razor and blade.

For more than twenty-nine years the Gillette Safety Razor Company has been the acknowledged leader of its industry. Consistent with a long established policy of improving our product whenever ways and means could be found for so doing, we developed a new razor and blade. Soon after this was done, we found to our great disappointment that the public was not as enthusiastic about the new Gillette blade as we had confidently expected it would be.

We learned why. Our equipment had been over-taxed in producing millions of new razors and blades to supply the market at one time. Quality had been sacrificed without our realizing it. Immediately everything possible was done to bring quality back to the established Gillette standard. More than this, we determined to prevent the possibility of similar trouble occurring in the future. Accordingly we set out to develop or find a better production process, impossible as this seemed of accomplishment at the time. We consulted one authority after another, laid our problem before qualified experts everywhere. Finally we discovered and purchased for our ex-

clusive use and at tremendous cost a manufacturing process that was amazingly superior to our own.

By this method, modern and automatic, millions of blades can be made at top speed without variation in quality. Furthermore, it produces an incomparably keen, smooth-shaving blade. We incorporated refinements of our own invention and installed the new machinery, throwing out all of our old equipment. Factory procedure was changed from start to finish.

Now we are ready to announce today's Gillette blade. It has been on the market for several months, and the reception accorded it has been enthusiastic beyond our fondest expectations. We felt sure we had a blade of extraordinary quality, but we wanted to be positive beyond doubt before making a formal announcement. Today we have that assurance—the unstinted praise of shavers throughout the Dominion. Every dealer has this Gillette blade. We believe none of the old blades are in stock. The green Gillette package remains unchanged but the blade is new in every respect, quality, performance, and method of manufacturing.

You can try today's Gillette blade without risking a cent. If you don't agree it is superior, return the package to your dealer and he'll refund your money. Our reputation depends upon the proof of these claims. Being absolutely certain of the quality of this Gillette blade, we do not hesitate to make this statement over our signature.
