"HIGHNESS AND BELLBOY" INGRATIATING NEW M-G-M HIT WITH TOP-FLIGHT CAST

—Metro - Goldwyn - Mayer has teamed a top-flight trio of stars in Hedy Lamarr, Robert Walker and June Allyson and cast them in an appealing story titled "Her Highness and the Bellboy" to produce a picture which is bound to be one of the most popular hits of the year.

Miss Lamarr is exquisite as the princess of the title who comes to the United States to try to find romance again with an American columnist she once was forced to reject. Walker is the bellboy who accidentally meets her, becomes infatuated and soon fancies himself as a king-to-de. Miss Allyson, following her recent successes in "Music for Millions" and "Two Girls and a Sailor," is Bob's bedridden sweetheart who becomes the innocent victim of her boy friend's highfaultin' romance.

Joe Pasternak, who produced "Music for Millions" and "Two Girls and a Sailor" and has teamed with Director Richard Thorpe on "Thrill of a Romance," again has spared nothing to make a movie that is fascinating and heart-warming entertainment.

In addition to the stars, Rags Ragland never has been funnier than as Walker's not-too-bright pal; Agnes Moorehead is just right as the Countess and Carl Esmond as the princess' noble suitor. Warner Anderson, who has appeared in "Week-end at the Waldorf", is fine as the columnist who loves Princess Veronica.

Handicraft Display In Summerside

—At the request of the organizations sponsoring Boys and Girls Week in Summerside, the sisters of St. Mary's Convent exhibited a display of arts and handicraft, the work of the pupils of the convent on Friday afternoon at the Knights of Columbus Home.

Except for Grade I, the pupils of the school are all girls and the handicraft and sewing become their own property at the end of the school year. The display showed the practical value of this type of teaching which is, of course, additional to the regular course of studies. The teachers were complimented on the results of their efforts which evoked much praise from those who attended the showing:

Following is a list of the articles shown by grades:

Handicraft Display

Grade I Boys — Writing, scrap books, plasticine modelling.

Grade I Girls—Writing, coloring, number work, sewing (aprons), cut-outs.

Grade II—Writing, coloring, number work, sewing (handkerchiefs with embroidered corners).

Grade IV—Health and patriotic posters, free hand drawing, sewing (embroidered cup towels).

Consider Shipping Western Coal East

OTTAWA, May 6— (CP)—Consideration is being given by the Government to emergency shipments of Western coal to Eastern Canada should the United States soft coal strike continue, E. J. Brunning, coal controller, said today.

Mr Brunning said supplies of coal, particularly for industrial purposes, are steadily being reduced and the situation is becoming increasingly serious as the strike continues.

FIFTH-LARGEST RIVER

The Yukon, 2,300 miles long, is the largest river in Alaska and the fifth largest in North America.

I don't have much to do with "COTTON" says Mr Smith but.. COTTON HAS MUCH TO DO WITH HIM!
HE'S WEARING a cotton shirt. His tie and suit are lined with cotton. His underwear, handkerchiefs, socks and shoe laces are cotton. So are his window drapes, the tapes and cords of his venetian blinds... Those binders on his desk are cotton covered, so are the wires of his telephone. The cover of his dictaphone has a cotton base, so has his carpet. His secretary uses a cotton typewriter ribbon. Yes, cotton has plenty to do with Mr. Smith, and with all of us. That is why Dominion Textile is proud to be part of an industry which is so important to Canada and Canadians, not only as a part of our national economy, paying millions of dollars in wages every year, but also as a factor in our everyday living.
