POULTRY NOTES

The X-ray, Registration and R. O. P.

"Now and improved species of chicken will in the near future according to Dr. W. H. Deffenbach of the Flower Hospital, New York, be produced by the treatment of fertile eggs with the X-ray". He claims to have produced a definite deviation from the normal sex ratio in the chickens hatched from X-ray eggs, this resulting in a greater percentage of female chicks.

This is quoted from a New York dispatch without comment, but it necessarily reminds us of Canada's two great poultry breeding policies viz. Registration and Record of Performance.

Canada is the only country admitting the hen to National Live Stock Records. This is done through the Registration policy, and consists of the making of official qualifying records under Government supervision through the medium of Egg Laying Contests conducted on the Dominion Experimental Farms.

The qualifying records under the Records of Performance policy are made on the breeder's own plant, which is under constant government inspection. The policy is administered by the Dominion Live Stock Branch.

Both policies are to encourage pedigree breeding of poultry for production, and to originate a source of supply of male birds of known ancestry. The use of such males will be one of the great factors in Canadian poultry development, increasing as it must the average flock production, and making even more profitable an already prosperous industry.

Pedigree breeding is the surest, safest, and sanest way to develop the poultry industry.

Provincial Commissioner: P. J. Hapenny (City). Assistant Provincial Commissioner: R. C. Parent, Dominion Gov't Experimental Farm, Charlottetown, Provincial Secretary, to whom all communications regarding Boy Scouts may be addressed.

A GOOD SAMARITAN.—Once in awhile we are reminded that the Good Samaritans did not all cease to exist with the passing of the Apostolic age. This was evidenced recently in connection with the illness of Mrs. (Rev.) W. R. MacWalker, Sr. of North River. Mrs. Merrill Stewart of East Point, a former pastor of Mr. MacWalker, hearing of Mrs. MacWalker's illness, hastened to her aid, and for almost two months directed the affairs of the household. This she did at much self-sacrifice, foregoing the pleasures and the luxuries of her own home, that her former pastor and his family might have their burden lightened. Mrs. Stewart is a much valued woman of Kingsboro (East Point), where she is active in the work of the Church, the Women's Institute, and in all things that promote the welfare of the community and bring joy into the lives of others. Surely such as she merit the Lord's "Well Done!"

RUMOR NOT TRUE.—The rumor referred to yesterday's Guardian, that a prisoner had escaped from the Prince County jail, turns out to be untrue. The story came to the Guardian office at midnight from an apparently reliable source. Efforts were made to verify it, but on account of the lateness of the hour no further information was available. The matter was enquired into early next morning, when it was learned that the rumor was not true. The prisoners are all safe in the jail at Summerside.

EAST ROYALTY.—The regular monthly meeting of the East Royalty Women's Institute was held at the home of Mrs. Arthur Robertson on May 25th, with twelve members and three visitors present. The meeting opened with the Ode and Roll Call. The minutes of last meeting were read and adopted. It was moved and seconded that all hills be paid. Mrs. Allison Holmes and Mrs. Nell Darrach were appointed delegates to attend the Convention. The next meeting to be held at the home of Mrs. Alex. MacNevin, Roll Call to be answered with "Recipes for the Summer." The meeting closed with the National Anthem. Luncheon was served by the hostess, and the remainder of the evening was spent very pleasantly.

BOY SCOUTS.—Some of those interested in the above Association met at the invitation of Mr. J. A. MacMillan in Charlottetown, on June 11th, to reorganize the Provincial Council. Those present expressed the desire to have the association for the use of the boys of the Island, with a view to helping them to become citizens of a high type. The loss by death of the late Hon. D. A. McKinnon, Provincial Commissioner, was sincerely regretted. The following were elected to office:—J. D. McGuigan, M. D. (City) President; Rev. G. T. Spriggs (Kensington).
