Membership Drive A membership drive will be started the first of the week and it is hoped that the Victoria officials will meet with a favorable response.

Tonight's Game Summerside Crystals, fresh from a 4 to 1 win over the Abegweits will invade local territory tonight, and according to Hoyle, will endeavor to annex a victory and consequently tie up the league leading red and black wearers. Silliphant and Rogers will, no doubt, continue to strengthen the Western lineup, and with predictions of a fast sheet of ice a great game is anticipated.

The Abegweits true to tradition are expected to play a whole of a game on home ice, and this added to the fact that "Dempsy" Diamond will again be back in harness makes things look promising, not only from the team's point of view but the fans as well.

LETTER FROM F. G. SPENCER

Read Carefully This Thorough Reference to the Very Latest Invention in Motion Pictures, Which Should be of Very General Interest. A Copy Has Been Mailed Personally to Those Whose Names are on the Prince Edward Mailing List, But as There are Many Hundreds Not Included, the Letter is Reproduced Herewith.

Saint John, N. B., January 25th, 1927.

Dear Patron:

Only once, if memory serves correctly, have I taken the liberty of communicating with my Charlottetown patrons, and this I recommend, if you will recollect, that motion picture marvel, "The Ten Commandments."

Now, in the hope of adequately introducing RADIO TALKING PICTURES, I believe I am again justified in writing you, as probably this, in some respects, represents the most important motion picture invention ever presented in Charlottetown, really an epoch, as it will glimpse the future in just the same manner as Radio Photography and Telephony have done during recent weeks and months.

Everyone from two to ninety, or older, will enjoy, appreciate and marvel at this wonderful invention, which has made possible the projection of the voice or instrumental music direct from the film, as it passes through the motion picture machine without recourse to phonograph, discs, etc., and, by simple adjustment under the control of the operator, music can be delivered in whatever volume may be desired.

At the present time there are two talking picture inventions, DeForest's, which will be heard in Charlottetown and Vithophone, now being presented in the biggest cities of the United States; and which will have its premier in London during February. The principle of Vithophone is no better, probably not so good as DeForest's, but the former company has spent many millions in garnering some of the world's richest talent, and in this respect, is several steps in advance at the present moment of the other and older company.

Vithophone has been playing Warner's Theatre and Colony Theatre, Broadway, New York for six months without a change of program, and will probably continue for a year. Those who have visited New York recently, know that Talking Pictures are very much in the public eye, and that Vithophone prices are from \$1.00 to \$2.50, but, in the New York Theatres referred to, the entire evening is devoted to this remarkable invention.

At the Prince Edward we will present DEFOREST TALKING PICTURES beginning WEDNESDAY, FEBRUARY 2nd, and each succeeding week for FOUR WEEKS, and you will be pleased and probably surprised under the circumstances, that the prices will remain the same as invariably charged for the mid-week program.

Please note that the Talking Pictures, which will require only between fifteen and twenty minutes, will be in addition to the REGULAR PROGRAM, and on the above dates also will be presented one of the most distinctly successful comedy dramas of the entire year, a one hundred per cent picture, "Her Big Night" featuring that alluring, captivating little star LAURA LAFLANTE.

The Talking Picture subject for February 2nd to 5th will be "Radio Franks," a clever talking and singing vaudeville act, one that is procuring a large salary on the Keith Circuit at the present time, to be followed weekly in this order—"Puck and White," man and woman comedy vaudeville act, "Recreation," a two act dramatic sketch, and "Ben Bernie's Band," a splendid New York concert organization.

Remember the SAME HOURS, SAME PRICES, FOUR DAY ENGAGEMENT, and a really WONDERFUL SHOW, which should bring patrons to Charlottetown from all over the Island.

Thanking you in anticipation of that patronage, which I assure you is always very greatly appreciated, and which we will at all times endeavor to merit, I am,

Yours Respectfully,
F. G. SPENCER.

"Bardley's The Magnificent" by Sabitini, Featuring John Gilbert and Talking Pictures, Feb. 9, 10, 11, 12.

New Uniforms.

It is understood that within the next week or so the newly organized Victoria Athletic Association will have received new hockey uniforms for the team, and by that time a program of exhibition games will have been arranged. The color scheme as in years gone by, when the above mentioned club was a power in the local and maritime hockey firmament, will be blue and white.

It is the intention of the club officials to arrange as many games as possible with local and outside teams as well; therefore local fandom may look forward to a very busy season of hockey, as it is understood that the Abegweits are also in communication with a number of mainland aggregations.

The Vics had their first workout at the Arena early this week and quite an array of material answered the whistle. Among the number who turned out were: Harry "Stonewall" Morgan, Percy Rodd, Chester Campbell, Lou Campbell, Wallie Scantlebury, O. Campbell, Frank Cronin, Con' Campbell, Elmer Murley, S. Biggar, Nels' Garn hum, D. Gillis, George Craig, McGuigan, McIntyre, Blanchard, Ward, and many others. The practice needless to say was considered a huge success.

Membership Drive A membership drive will be started the first of the week and it is hoped that the Victoria officials will meet with a favorable response.

Abbies And Crystals P. W. C. And Abbies

Tonight at the Arena a double header of hockey will be played between the Abbies and Crystals in the Provincial League and the Abbies and P. W. C. Intermediate teams.

The Summerside Crystals made a wonderful come back in their game at Summerside, with the Abbies on Tuesday night defeating the latter by a 4 to 1 score. A special train is coming from the Western capital this evening bringing the team and a train load of supporters.

The Crystals are out to jump into the lead in the Provincial series and are going to play without a let up until the final game. The Abbies are going to put on the ice the strongest line up possible in order to annex a win over the Western puck chasers, therefore this should prove the best game of the Island series.

The intermediate teams P. W. C. and Abegweits will have another go tonight, the college boys won last time in a close tally, but the Abbies think turn about is fair play.

Social Evening at Victoria Hotel

On Tuesday evening, January 25th, the main dining room of the Victoria Hotel was the scene of a joyous social evening, consisting of a carefully prepared seven-course dinner, served in the usual capable manner and perfect style of the "Victoria," toasts, speeches, songs and music galore. Miss Dolly Benoit, Miss Evelyn Connolly and Miss Ellen McEachern favored the party with a graceful exhibition of the "Charleston." Miss Mary Maddigan furnished the music, while the other girls joined in the singing of the popular songs of today.

The guest of the evening, Miss Viola Mullin, who leaves shortly for Mount St. Vincent Convent, Halifax, was presented with a very suitable gift, accompanied by the following address, which was read by Miss Mary Maddigan:—

Charlottetown, P. E. I., January 25, 1927.

Dear Viola:

During the time that the Red Mac Hockey Team passed through such a brief, yet victorious career, it was the joy of each and every member of the team to be able to point with pride to a noble, genuine girl and say: "There is our Captain challenge the Navy League to a friendly game of hockey to be played at the Victoria Hotel near future; D. MacDonald, R. Bevan, N. McIntyre, J. Nicholson, W. Walsh, D. Gillis.

Who is going to China?
