"I fear madam I am not worthy of such an honor." "How dare you?" the woman boomed.

"I went out with a professional mind reader last night."

SERIOUS FIRE—The home of Mr. and Mrs. Merrill Green, Kingston, narrowly escaped destruction by fire last evening when during their absence in Charlottetown a blaze broke out in the kitchen, supposedly from the chimney. The children who were about ran a considerable distance for help to the nearest neighbour's and soon a large crowd had gathered. The fire was extinguished by seven members of the Charlottetown Fire Department who hurried to the scene in the Roly truck, but not before the entire kitchen roof had been destroyed. The main part of the building was saved by tearing a large number of shingles from the walls.

W. M. S. Rally P. E. Island Presbyterian

At a meeting of the Executive of the P. E. I. Presbyterian of the United Church which met recently, arrangements were made for the holding of three Rallies during the summer. These were intended to be of an inspirational nature rather than of business which necessarily takes up so much of the time at annual meetings.

The first of these rallies was held in Margate United Church on Wednesday afternoon and evening, July 10th. A large representation of the auxiliaries and young people's societies in the central part of the Island attended, eighty-two being present at the afternoon session.

The Convener was Mrs. (Rev.) A. J. Reynolds, Bedouque, who presided. Other members of the Executive present were Mrs. (Rev.) John Sterling, Montague, acting Pres., Mrs. Metcalfe, Victoria; Mrs. Keith Boswell, Victoria; Mrs. (Rev.) W. E. Aitken, Central; Miss Elma Enman, Carleton; and Mrs. D. M. MacLeod, Hunter River. A most helpful and inspiring part of the opening devotions, was the address by Mrs. Metcalfe, who based her talk on the So., Lesson Heb. 12:1-14.

Miss Dulcie Cooke, Bideford, who is a graduate of the Toronto Conservatory of Music and who goes next year to teach music in Japan was introduced and greeted, following which she gave a very excellent rendering of instrumental music.

Mrs. Sterling was greeted at this time and she too graciously acknowledged the welcome.

Mrs. Keith Boswell gave a summary of the Branch meeting held recently in Halifax after which a Round Table discussion conducted by Miss Elma Inman proved most interesting and profitable, and many ideas and suggestions were interchanged.

A resolution, unanimously supported, was moved by Mrs. MacLeod, seconded by Mrs. Metcalfe, expressing the sympathy of all with Mrs. Thomson, the President, in that, for the time being, she is laid aside from active work through illness and pledging a new loyalty to her and to the acting President.

A quiet half hour presided over by Mrs. Hammond Tombs, Kensington, was a fitting close to a most inspiring session.

At the evening session, Rev. Geo. Ayers led the devotional service and Rev. W. E. Aitken offered prayer. Mrs. Mann of Margate in a nicely worded address welcomed the delegates and visitors, which was replied to by Mrs. John Davison, Bedouque.

During the offering, Miss Cooke again delighted the meeting with instrumental music and a vote of appreciation, voiced by Miss Elma Inman was extended to all who had helped make the Rally such a success.

One of the most pleasing features of the meeting was the vocal solo, "In the Golden Evening," rendered by Miss Mildred Slackford, R. N. of Kensington.

Mrs. H. P. Newcombe of Halifax was then introduced, and for upwards of an hour, held her hearers enthralled as she dealt with the question of Prohibition.

Following Mrs. Newcombe's address which was given closest attention by the large audience present, a strongly worded resolution endorsing the Prohibition Law was presented by Miss Inman, seconded by Mrs. Metcalfe and carried by a practically unanimous standing vote. Meeting closed with prayer by Rev. Geo. Ayers.

The other two Rallies will be held at Alberton and Montague in August and September respectively. —L
