

Fight dust—make the house cleaner with Floorglaze

Surface any floor in a few minutes with Floorglaze (500 square feet to the gallon) and that room will get rid of most of the dangers that lurk in dust.

Practically, a Floorglazed floor is one seamless and germ-impervious sheet of beautiful color (ten charming shades of Floorglaze—anyone can put it on right)—and it just CAN'T wear off.

This is the floor finish that dries hard over-night, with a brilliant gloss which lasts. It is so durable that it does perfectly for floors exposed to the weather (verandas, summer houses etc.) Nothing else is so well worth the money.

Your dealer surely has Floorglaze. But, if he hasn't, we will send your demand filled. Tell us the dealer's name, and allow us to send you a Free Book you'd care to read.

I am Grateful

to the Independent Order of Foresters especially to the members of Court Minewawa, Bedouque, for their kindness in mediating the long illness of my husband the late Leslie Gould. While he was in the hospital for the insane the dues were paid by the members. At the funeral everything that a society could do for a member was done and soon after the amount for insurance was promptly paid. And I here tender my sincere thanks to the Foresters for their kindness.

Canadian wall paper factories introduced the flat price system of selling wall paper and borders for the same price over one year ago. Immediately upon this action of the factories this store commenced selling borders at the same price as sidewalls—months before any announcement of the fact was made—thus introducing this great improvement.
