The Girl in the Crimson Cloak

By J. R. WILMOT

CHAPTER VI GERRY HEARS THE NEWS

It was while perusing the front page of his morning newspaper during breakfast that Gerry's eyebrows described full semi-circles as he read about the theft of the Leverson Diamond from Leverson Grange.

Handsome Slip Cover You Can Make Yourself

Like new with this smart slip cover. And surprising how easily and inexpensively you whip it up.

HEARTS IN EMBROIDERY

DESIGN X 556

Hearts are the order of the day, and needlework is no exception. The two large hearts, one with the figure of a young girl, and the other with the boy and girl, are ideal for pillows, luncheon and tray cloths, and luncheon and tray cloths.

The Disadvantages of Being a Woman Far Outnumber the Good Things That Come to the Female Sex, Yet She More Than Fills Her Place

Did you ever think of the disadvantages of being a woman? Goodness knows why, but Nature seems to have stacked all the cards against her at birth, and there is nothing in life that she has to do that isn't harder to do just because she is a woman.

You can begin with looks. It doesn't matter a hill of beans whether a man is handsome or not when he goes to ask for a job. His prospective employer is not concerned as to whether he has a Grecian nose and naturally wavy hair.

Women are traditionally branded as belonging to the weaker sex, yet they have not only to bear the race and rear it, but to do the most grueling, the most monotonous, the most exacting and the most never-ending labor in the world.

When you say that you couldn't support your adolescent daughter if you left your husband, and that there would be nobody to look after her and guide her and protect her if you foresaw her, don't you think you have a right to be asked to support her?

When girls have the freshness of youth they don't need make-up. But if they get any special kick out of using it there is no moral issue involved in the matter.

Most girls start stepping out when they are in their early teens, but they should only do so in crowds. Nothing is so unattractive as a girl trying to attract attention by herself.

Should one twist his feet around the rungs of a chair? It might be pardonable when in a chair on the lawn during a windstorm, but otherwise it is a find an anchor. Otherwise the feet should be placed in front of the chair, in a relaxed position.

What is the real definition of "etiquette"? A. The forms required by good breeding, social conventions, or prescribed by authority, to be observed in social or official life.

When two men and two girls are dining together at a table for four persons, how should they be seated? A. The two girls should face each other.

High haired out - except for evening. NEW YORK - Girls, take down your up-drawn hair and do it over with a "modified up-line."

Oh, dear, he's such a crabby old fellow. YES, BUT HE'S RICH - MAYBE HE'LL LEND US THE MONEY TO PAY OFF THE MORTGAGE - THIS DINNER OUGHT TO MAKE HIM FEEL GOOD.

Howdy, Jessie, howdy. COME RIGHT IN, ADRIAN - DINNER'S ON THE TABLE.

Waal, I'll set down, but I can't eat nuthin' but crackers an' milk.

THE COOK'S CORNER

CREAM PUFFS

1 quart boiling water, 1 pound butter, 1 quart flour, 16 eggs. When the water boils, add butter and bring to a boil. Four flour in all at once and stir vigorously.

One pound hamburger steak, the same amount in bulk of finely grated raw potato, salt and pepper. Mix together thoroughly, form into balls and fry in hot butter.

A young Scottish recruit was put on sentry-go outside the General's tent. In the morning the General rose, looked out of his tent, and said in a stern and loud voice: "Who are you?"

Mrs. Jones showing her guest homemade radio - "My hubby made the cabinet as well."

A Morning Smile

Correct luggage is demanding more and more attention in the fashion scheme. Color, style and choice of leather all count.

Although gloves have not always been as common as they are at the present day, they may lay claim to great antiquity.

The earliest gloves of which specimens are yet extant were of German make and devoid of fingers. It was not until after the disintegration of the Hephathic that these were introduced into England.

An ideal gift for the new baby is a thin hair pillow. This will prevent the baby's head from perspiring, thereby warding off the possibility of a cold.

A cocktail, excellent for adding to one's vitality, is as follows: Folk of one egg, juice of one or two oranges, juice of half a lemon, two teaspoonfuls of honey. Beat these ingredients together and drink every morning.

How can I make candles, that are too large, fit the candlesticks? It is an easy matter to make over-sized candles fit any candlesticks. Merely dip the candles for a minute into very hot water. This softens the wax and it can easily be pushed into the candlestick.

How can I remove paint spots from a woolen garment? A. Equal parts of turpentine and ammonia, shaken well, to remove paint spots from the woolen garment, regardless of how old the stain may be.

How can I be certain that spinach is not overgrown, when marketing? A. When buying spinach, be sure that straight leaves of a deep green covering the stems are selected. If the leaves are curved it indicates that they are overgrown.

TIMELY TIPS FOR THE HOME SEWER

Here is one of those simple versatile dresses that form the background of every smartly planned spring wardrobe. It's a dress for every occasion.

Not in many years have there been so many whimsical, colorful and original buttons on the market. They do wonders for your clothes. They come in all sorts of design - vegetables, reels of thread, birds, drums, nuts, fish, flowers, portraits, hats, and so on.

If your bathroom has varnished wallpaper, rub the paper over with olive oil. This will keep the steam and damp from "fogging" the walls, and also protect them.
