You'll Sleep More Soundly If You Keep Healthy With Dr. Morse's Indian Root Pills

The men or women with a good appetite, sound digestion, and bowels and kidneys working right, is never troubled much with sleeplessness. It is when the bowels become constipated and the liver and kidneys sluggish that the trouble begins.

Lazy liver and constipated bowels quickly bring on biliousness, indigestion and sick headaches, making a sound, refreshing night's sleep impossible. Or the inactive kidneys allow the blood to become loaded with uric acid, which causes rheumatism, with all its sleep-destroying tortures.

Dr. Morse's Indian Root Pills, taken regularly, induce sweet and dreamless sleep by keeping all these organs active and regular. The headaches disappear, the digestion becomes good again, the blood is purified and perfect health returns.

Dr. Morse's Indian Root Pills have been a favorite household remedy in Canada for over half a century, and they are in daily use throughout the world. Being purely vegetable they are safe for young and old. Made by W. H. Constock Co., Ltd., Brockville, Ont., and sold by all dealers at 25c. a box.

who is judge of horses, made the wards in the different classes.

There was a fairly good showing of stock at the Kings' Co. Exhibition this year, all the classes being well filled, horses especially had an excellent showing. There was also a good exhibit of dairy cattle.

The fruit was of good quality, but the exhibit not so large.

The directors of the King's County Exhibition Association are to be congratulated on the efficient manner in which the judging for the different classes was carried on and the courtesy extended to the exhibitors. And others interested in the exhibition.

The showing in the miscellaneous class was very small, but there was a large exhibit of cheese and butter.

The only specialty in the grounds was a gasoline engine shown and operated by the Massey Harris Co's Agent.

A dancing booth furnished amusement for the youths of the surrounding country.

Through inadvertence in proof reading in the report of Gov. Rogers' address at the Kings' Co. Exhibition, the sentence, He showed how the "bread" exhibitors were of more advantage than if centered in Charlottetown, should have read "local" exhibitions, also in Prof. Ross' address the small "storms" should have read small "shows."

"Maple Grove," the home of Thos. and Mrs. Wright, Banks, was the scene of a pretty wedding on Monday evening, Sept. 18th, when their eldest daughter, Jean Kennedy, was united in marriage to Alexander J. Irving, son of D. P. Irving, M.P. P., of Vernon, P. E. I.

At eight o'clock the strains of the Lohengrin wedding march, played by Mrs. George Park, the bridal party entered the spacious drawing room, which was tastefully decorated with ferns and geraniums, and the simple service of the Presbyterian church was conducted by Rev. Geo. Milne, minister of Knox church, Banks. An interesting novelty was the introduction of the old-time custom of an exchange of rings between the bride and groom.

The bride, who was given away by her father, looked charming, robed in ivory paillette messaline silk, in empire style and trimmed with sequins of pearls. She wore the conventional veil and orange blossoms and carried a sheaf of lilies of the valley and maiden hair ferns. Her only ornaments were a real pearl necklace, the gift of the groom, and a pearl ring, an heirloom of the Wright family for over three hundred years. The bride was attended by her sister, Miss Lindsay Wright, who looked sweetly pretty in a gown of shell pink messaline silk with bandings of silvered insertion and carried a bouquet of white asters. Jean Malcolm, cousin of the bride, the little daughter of Geo. Malcolm, B. A., of Stratford, made the daintiest of flower girls, dressed in a simple white frock, and carrying a bouquet of pink carnations. The groom was supported by his brother, Thos. S. Irving, B.Sc., resident engineer of the Grand Trunk Railway, Detroit.

During the signing of the register, Mr. Layton, organist of Knox church, Lethbridge, played with much feeling and expression, a beautiful violin solo, accompanied by Miss S. Hughes, Collingwood.

Letters of regret were received from many parts and telegrams of congratulation were read from Rev. Geo. C. Irving, Monterey, Cal.; John H. Irving, Lethbridge; Miss McKay and Aunt, Lethbridge; Mrs. H. Fleming, Kingston, and from the bridegroom's fellow-members of the Massey-Harris staff, Lethbridge.

The bride's going-away dress was a handsome tailored navy blue serge, with hat to match.

6 YEAR OLD GIRL Cured of Kidney Trouble.

Mrs. Alex. Moore, of James St., Oxford, N.S., says: "Booth's Kidney Pills cured my little daughter, Christian, age six years, of many symptoms of kidney weakness. She complained of a sore back, the kidney secretions were frequent and uncontrollable, especially at night. Her stomach was weak and her appetite poor. This caused her to have frequent headaches, and the least exertion would tire her. We had tried many remedies, but she did not improve. Finally we learned of Booth's Kidney Pills and procured a box. In a short time she was well and does not now complain about her back, the kidney secretions have become normal, and she plays around the house with no apparent fatigue. We always recommend Booth's Kidney Pills."

Booth's Kidney Pills carry a guarantee that if you derive no benefit your money will be refunded. Booth's Kidney Pills are a specific for all diseases of the kidneys and bladder. Sold by all druggists 50c. box or postpaid from the R. T. Booth Co., Ltd., Fort Erie, Ont. Sold and guaranteed by Geo. E. Hughes.

OLD-TIME REMEDY DARKENS THE HAIR gives Color, Lustre To Faded And Gray Hair—Dandruff Quickly Removed.

From time immemorial, sage and sulphur have been used for the hair and scalp. Almost everyone knows of the value of such a combination for darkening the hair, for curing dandruff and falling hair, and for making the hair grow.

In olden times the only way to get a hair tonic of this sort was to brew it in the home fireplace, a method which was troublesome and not always satisfactory. Nowadays almost every up-to-date druggist can supply his patron with a ready-to-use product, skilfully compounded in perfectly equipped laboratories. The Wyeth Chemical Company of New York put up an ideal remedy of this sort, called Wyeth's Sage and Sulphur Hair Remedy, and authorize druggists to sell it under guarantee that the money will be refunded if it fails to do exactly as represented.

If you have dandruff, or if your hair is turning gray or coming out, don't delay, but get a bottle of this remedy to-day, and see what a few days' treatment will do for you.

This preparation is offered to the public at fifty cents a bottle, and is recommended and sold by E.A. Foster and McKinnon Drug Co., city.

Special agents MacKinnon Drug Co., Kent and Great George streets, and E. A. Foster, Sunnyside.

The groom's gift to the bridesmaid was a pearl ring, to the flower girl a gold bracelet, and to the groomsmen cuff links and tie pins.

The numerous and costly gifts received from all quarters, amongst others a beautiful silver tea service from Rev. G. C. Irving, Monterey, Cal., and a dainty afternoon tea service from Lady McMillan, Government House, Winnipeg, testified eloquently to the high respect entertained for Mr. and Mrs. Irving. They have evidently made for themselves many friends in the West, and they carry with them to their Western home the good wishes of all friends here for their happiness and prosperity.—Collingwood Bulletin.
