HER LITTLE SON WAS DYING

Gave Him "Fruit-a-lives" And Saved His Life.

CAMPBELLVILLE, ONT., May 5th, 1913. Our little boy, Lawrence, was sorely affected with Chronic Indigestion, and the doctor did not think he would recover. He started with a sore mouth and it developed into this other trouble. Everything he ate just passed right through the system without change. He cried incessantly and life was a misery to him. My husband had been using "Fruit-a-lives" for Indigestion, getting much benefit from them, and I thought what did him good, might help our boy. We tried "Fruit-a-lives" giving Lawrence 1/2 a tablet at a dose, and the result was marvellous. Today, he is the picture of health, and he is perfectly well". Mrs. J. VANFLEET.

IF PAYS to buy in this Province. UNION BALLS.—The annual Labor Union Ball was held in the Union Hall Friday night. It was one of the best ever held by them, the merriment continuing into the morning when the dancers departed for their homes.

WOUND—HEALED.—It is pleasing to note that Mr. Richard Burhoe, the Connaught hockey player, who was injured in the first match of the year, has almost completely recovered. The bruises on his eye have healed up nicely that he can now do without the bandage and will soon be in his usual robust condition.

HOCKEY SPECIAL.—A large crowd of excursionists came to Charlottetown, Friday afternoon on the special train to attend the Hockey game. After seeing the Crystals win both games they returned to Summerside by the special about 1 o'clock Saturday morning.

FOX TRAPPING.—Gerald Fitzgerald of Waterford, Lot 1, who has spent several years trapping and who has trapped and dug out of the ground upwards of fifty foxes, has been very fortunate this winter. He has succeeded in getting a red fox, a patch one, and a beautiful silver black one. Mr. Fitzgerald says there are as good foxes in the woods as ever were caught and that the search of trapping them has in making a close study of their habits—and also in having a reasonable amount of perseverance.

ON DENTISTRY.—Last week the ladies of the Short Course had the pleasure and privilege of a talk from Dr. Ayers, on the care of the teeth. Practical hints were given on the proper methods of cleansing the teeth, dwelling especially on the constant and regular attention necessary for their preservation. The Doctor spoke in the great school accomplished through the dental inspection in vogue in the schools of other provinces, and greatly interested his hearers in this important branch of public welfare. At the close of the period the thanks of the students were tendered Dr. Ayers for his very helpful talk.

P. E. ISLANDERS REUNION.—On Wednesday evening Feb. 18, 1914, the fourteenth Annual Reunion and Ball of the Prince Edward Island Benevolent Association will take place in Paul Revere and Tabbot Halls, Mechanics Building, Boston. This is one of the most important events of the year to Prince Edward Islanders. It affords them the one opportunity of the season to meet old acquaintances and renew friendships. The Committee of Arrangements has endeavored to provide a program which will be full of interest for those attending. There will be a splendid concert program by Winchesters Orchestra, Grand March and dancing in both halls until two o'clock. The proceeds are for the sick and death benefit and as the Association has been doing much this year, among other things, sending a donation to the Charlottetown Cathedral fund, it is hoped that the Prince Edward Islanders of Greater Boston will turn out in large numbers. It is greatly to be regretted that every Prince Edward Islander in Boston is not a member of this organization, when one considers the fact that the dues are but twenty-five cents a month, and that the benefits therefrom are very great. The officers for 1914 are: Pres. Dr. F. W. Christopher, Vice Pres., Mr. Joseph MacDonald; Treas., Mr. Michael Walsh, Fin. Sec., Miss Annie MacDonald; Rec. Sec., Miss Annie Foley; Cor. Sec., Mrs. Hall; Guard, Mr. MacVane; and Sergeant at Arms, Mr. MacDonald. Pres. Dr. F. W. Christopher and a large reception committee will see to the welfare of the invited guests, who will include prominent Prince Edward Islanders and officers of the various Canadian Societies. The members of the committee of arrangements have been untiring in their efforts to make this Ball the greatest in the history of the organization and have arranged to handle the great crowd without the usual confusion of large parties. All who attend are assured of a most enjoyable evening's entertainment.

THE STEAMERS.—The Earl Grey left Georgetown at 7 a. m. Saturday and docked at Pictou at 10.10 a. m. She had on board 90 tons of freight, 15 passengers and 40 bags of mail. The Minto, which docked at Pictou at 6.40 Friday evening, left at 7 a. m. for Georgetown with 27 1/2 tons freight, 90 sacks of mail, and passengers and docked at 2.35.

TEAW AFFECTS ICE.—The soft weather of Saturday will likely affect the safe condition of the ice on the rivers and make it somewhat dangerous to travel on. The excellent sheet of ice in the Arena Rink will also be affected to a certain extent. However, on Saturday afternoon the crowd that attended had a good skate to good music and a very good sheet of ice.

EAGLE SHOT.—A rumor is current around Murray Harbor that a man, by the name of Arthur White living at Cape Bear, while out shooting last week shot and killed a large eagle. The eagle is a splendid bird and is rightly termed "the King of Birds." It is measured six feet, eleven inches from the point of one wing to the point of the other and has been purchased by a Charlottetown man.—Q.

LADY TO REST.—The funeral of the late Miss Elizabeth Koughan took place from the residence of her father, Elm Ave, Charlottetown, to the Pro-Cathedral, thence to the Catholic Cemetery, Saturday morning and was largely attended. A Mass of Requiem was celebrated at the Church by Father Frank McQuaid, who also conducted the funeral services. Father Duffy officiated at the grave. The following were the pall bearers: Messrs. J. George McQuaid, Peter McDonald, Ambrose Joy, Harry Murphy and Fred McRory.

MR. TRAINOR DEPARTS.—Mr. Thomas Trainor was a passenger by the mail special to Georgetown on Friday night en route to Antigonish, N. S., where he will enter St. Francis Xavier College to take up a course of studies. Before leaving Mr. Trainor was waited upon by his fellow employees of the firm of L. J.
