Tight defensive work featured the play of both senior teams. Offensives were confined mostly to individual running and Joe-Jo Feindel, Acadia's star, came to grief on several occasions when he should have passed.

Speedy Evan Lloyd and sure-footed Red Hare scored all points for Wanderers Intermediates. Lloyd scored two tries after long runs. Hare converted twice and booted a free kick over the bar from the 25-yard line.

Withdraw As Candidates

(C. P. By Guardian's Special Wire) MONTREAL, Oct. 13.—Two officially nominated candidates in the Montreal district announced to the electorate during the week-end they had withdrawn from tomorrow's general elections.

They were Leslie G. Bell, Conservative member of the last Parliament for Montreal St. Antoine and nominated this year in Montreal St. Antoine-Westmount; and William B. Baikie, nominated Independent Liberal for Montreal-Mount Royal.

In St. Antoine-Westmount, a seat created by the 1933 redistribution taking in parts of St. Antoine and parts of Mount Royal, Mr. Bell was opposing R. S. White, veteran parliamentarian who sat for Mount Royal in the last Parliament.

Pawson Is Winner In Thrilling Race

(C. P. By Guardian's Special Wire) PORTCHESTER, N. Y., Oct. 13.—An idea of what happens when two of the best marathoners on the continent clash in the same race when both are "hot" was given New Yorkers Saturday in the 11th annual running of the Portchester Marathon.

Leslie Pawson of Pawtucket, R. I., emerged the winner by three seconds over the Baltimore Welshman, Pat Dengis, but not before the pair had staged one of the most thrilling duels in the marathon's history.

They started off together from the heart of New York City and before Pawson finally secured the lead in the last few strides the duelists had changed first and second positions no less than 30 times. Pawson finished in 2:37:40. Toronto's distance contingent, which seldom fails to show up in the major running events south of the border, did not do so well as usual. Ezra Lee of the Gladstone A. C., snared eighth position in 3:03:01 while James C. A. Begley of the Gladstone Club was 14th, in 3:12:13. The Toronto Club finished fifth in the battle for the team prize.

August Johnson, negro runner from East Portchester, was third in 2:45:56 with Mel Porter of New York fourth.

Helen Stevens Dominates Sprinters

(A. P. By Guardian's Special Wire) COLUMBIA, Mo., Oct. 13.—Elizabeth Zay, 17, the "mystery sprinter" of the Ozarks, was just another racer today to Helen Stevens. "The Missouri Flier" ran Elizabeth into one-sided defeat Saturday in two match-race dashes.

Miss Zay, of Springfield, Mo., was beaten by 10 yards in the 50-yard dash and was left so far behind in the 100 yard dash that she quit after 75 yards. Miss Stevens, who has beaten Stella Walsh, covered the 50 yards in 5.9 seconds and the 100 in 10.9.

Leafs Are Sure Of Best Talent From Home Town

(By Elmer Dumlage) (Canadian Press Staff Writer) TORONTO, Oct. 13.—It has been said more or less openly for years that Conny Smythe, boss of Toronto Maple Leafs, holds tickets on all the good National Hockey League material in Toronto. Various other N. H. L. managers are supposed to be grinding their teeth in futile rage about the situation.

Some of them are represented as needing young players far more than Smythe. It irks them to read in the papers about assorted amateurs around Toronto plotting great hockey while Boss Smythe awaits the opportune moment to call in his tickets. They don't like to feel Conny has so much valuable ivory tied up for delivery on demand.

It isn't true that the Leafs hold promise, written or verbal, on all the bright young hometown players. It is probably more true that the boys would rather play for Toronto than any other N. H. L. club and that Smythe, who knows a good young "un" when he sees him, encourages the best of them to stick around. It's method of encouragement is Mr. Smythe's business.

He lauded Regis "Pep" Kelly from St. Michael's College juniors as his prize rookie of last year. Kelly's was a stunning success from the start and in the N. H. L. playoffs became a local hero by scoring the tying and winning goals for Leafs against Boston Bruins in the fourth game of the series.

Kelly, Red Metz, Art Jackson and Davidson were the cream of that Toronto lot. They don't like to feel Kelly-Jackson forward line at the start of next month's campaign. The flame-haired, trail Metz is one of the most graceful skaters in the sport.

As the saying goes, Mr. Smythe has pulled in a few more tickets this fall. He has reached into the amateur grab-bag—his own private Toronto bag—and pulled out Normie Mann, Jimmy Fowler and George Parsons, among the best forwards this town has produced in years. It is just possible at last they will make the major league grade right off the bat.

If they can't, the training ground will be Syracuse. Smythe operates an International League team there merely for the purpose of developing talent for his Leafs. It will be check-full of ambitious youngsters this winter.

Mount A. And Saint F. X. Play Draw

(C. P. By Guardian's Special Wire) SACKVILLE, N. B., Oct. 13.—Smoothness of the St. Francis Xavier backfield and fighting spirit shown by Mount Allison University featured an exhibition rugby game ending in a scoreless draw here yesterday.

The Antigonish fifteen had the advantage of territory during the first half but the Allisonians came back strongly. Although the local scrum had the ball a majority of times, fumbles in the backfield broke up many plays.

The Nova Scotians, led by Les Toppshie and Perry Cardegan, gave good examples of passing and broken field running during the first quarter.

With Robertson, Nelson and Gascoigne particularly outstanding, Mount A. stopped every rush of the visitors backfield with crushing tackles.

Captain Bob Brodie of the Garnet and Gold was unable to play as he was writing an examination at the time.

The Allisonians forwards had the advantage in weight and were following well. Dribbles led by Robertson, Kerr and MacFarlane were highlights of the tussle.

LINEUPS
St. Francis Xavier—Forwards, Kerr, Bardswick, Conlon, J. MacNeil, Chisholm, Anderson, Beaton; halves, Toppshie, W. MacNeil, McIsaac; three-quarters, V. Cardegan, MacLean, Venot, McHollan; fullback, B. Cardegan.

Mount A.—Forwards, Johnstone, Stone, Mosher; three-quarters, Adair, Owen, MacLean, Gascoigne, Nelson; fullback, Johnson.
Referee: Izzie Hyiski.

Tintagel Wins Futurity At Belmont

(By Orlo Robertson Associated Press Sports Writer) NEW YORK, Oct. 13.—He carried the label of a quitter as he went to the post, but a few minutes later when 18 of the country's ranking two-year-olds dashed down the Widener chute, it was Tintagel in front, carrying the silks of Marshal Field to victory in the 46th running of the futurity at Belmont Park.

The bay son of Sir Gallahad III had won five of his eight previous starts largely because of his early speed but when the real tests in the stretch—yesterday, however, before a crowd of 30,000, he refused to quit and coupling the new found stamina with his famous speed, finished the 6 1-2 furlongs a length in front of Hal Price Headley's Hollywood to earn \$67,620—the winner's share of the turf's second richest prize amounting to \$48,420.

With Silvio Coucci in the saddle, Tintagel, yet to meet defeat on the Widener course, shot out of the pack in the first furlong and with the little Bronx veteran speaking words of encouragement in his ears, staved off the closing challenge of his rivals. Hollywood, 20 to 1 shot, just managed to take the place by a head from Walter M. Jeffords' fleet Jean Bart, seeking to duplicate the 1919 performance of his famous sire, Man O' War.

Nine Rookies To Train With Blackhawks

(A. P. By Guardian's Special Wire) CHICAGO, Oct. 13.—Taking with him nine rookies, Manager Glenn Loughlin of Chicago Blackhawks of the National Hockey League left yesterday for Champaign, Ill., to begin training for the opening of the National Hockey League.

The recruits will work out at the University of Illinois skating rink. Next Wednesday they will be joined by the Blackhawks regulars.

"The outlook is good for another winning season," Loughlin said. "All we need is a good right winger and I think we'll find him among the new men."

Rangers Win Glasgow Cup

(C. P. By Guardian's Special Wire) GLASGOW, Oct. 13.—For the 22nd time the name of Glasgow Rangers will be inscribed on the Glasgow Cup. The league champions and Scottish cupholders defeated their old rivals, Celtic, 2-0, Saturday before a crowd of 60,000 at Ibrox Park.

The Rangers deserved to win the game which was hard though not a particularly brilliant exhibition of soccer. Kenneway, Celtic goalkeeper, was injured and left the field for 10 minutes in the first half, but it was not until the second 45 minutes that the champions asserted their superiority and Fiddes and Gillick netted.

In Glasgow Cup battles Rangers have defeated the Celts 10 times while eight games have gone to their rivals.

SPORT BRIEFS

BELIEVES IN PREVENTION
TORONTO — Trainer George Stockwell of the Toronto Argonauts "Big Four" rugby football club is a firm believer that prevention is better than cure. In three years, the club players have not had an ankle injury and he believes it due to the fact that the ankles have been taped before every practice and game. So far this season, 600 yards of white adhesive and 300 pounds of black tape have been used.

BOOST BRADFORD SOCCER
BRADFORD, England—Following the example set by Charlton Athletic and Mancheser United, business men in this Yorkshire city are getting together under the leadership of E. Waddilove to boost the fortunes of the Bradford soccer club, now playing in the second division of the English league. It is not so long ago that Bradford and its rival, Bradford City, both played in the premier league.

GIRL GRIDER INJURED
DENVER—Zelma Shumate, 17, stopped to watch a sand-lot football game. She volunteered to join one of the teams and was dubsiously accepted. A few minutes later Zelma was hospital-bound in an ambulance with a fractured ankle.

SWIMMING RECORD
BRIGHTON, England—F. J. Godwin of the Brighton Swimming Club set up a new English one-mile swimming record of 23 minutes, 17 1-5 seconds at the Brighton Stadium recently. The previous best was 23 minutes, 20 seconds, made by Norman Wainwright of Hants.

HE KEEPS MOVING
EXETER, England — A much-travelled soccer player is James McCambridge, Irish international centre-forward. After two seasons with Bristol Rovers, English League third division club, he was transferred recently to Exeter City. He made a name for himself with Luton and Ballymena, Irish League teams and after coming to England was seen with Everton and Cardiff City before joining the Bristol outfit.

RING REPARTEE
NEW YORK—Before Joe Louis knocked out Max Baer in the fourth round of their battle in Yankee Stadium the Brown Bomber said he was glad Jack Dempsey was in Baer's corner and not in the ring—and after the fight Dempsey said he was glad he was in the restaurant business.

TO COACH YOUNGSTERS
NORTHAMPTON, England—Every effort is being made by Northamptonshire to improve its showing in the County Cricket championship competition next year. For the past two years the country has finished in last place. Ben Bellamy, veteran wicketkeeper, has retired from active service and next season will act as manager and coach of the club's nursery.

Canada's Pros Worthy Rivals In Fair Field

(By The Canadian Press) TORONTO, Oct. 13.—Perhaps they wouldn't be so effective as first on foreign fairways, but on home courses Canadian professionals would hold their own at least against the best from Great Britain and the United States in the opinion of B. L. Anderson, secretary of the Royal Canadian Golf Association.

Mr. Anderson has seen them all over a period of years and he saw a team of Toronto professionals trounce the British Ryder Cup team here a few days ago. He was probably less surprised at the result than the rest of the gallery, because the R. C. G. A. secretary holds a high regard for the competitive ability of Canadian pros.

"Don't forget," he remarked, "that this team was chosen only from the Toronto district and that several of our greatest players are not attached to Toronto clubs."

The team didn't include such stars as Jules Huot, of Quebec, Bobby Alston and Jack Little of Ottawa, Bobby Burns of Montreal, Jimmy Rimmer of Halifax, Taylor of Victoria, the veteran Dave Black of Vancouver. I wasn't the best team that Canada could muster. Yet it defeated the British in the Ryder Cup matches a few days before.

Mr. Anderson leaves Canadian professionals as good enough players to accomplish such feats regularly. He would not be surprised if they were invited, perhaps next year to compete against United States or British pros in other team matches. These might be played in Canada.

Lack of outside tournament experience would certainly handicap the Canadians pros on foreign courses. Year-around money players like Paul Runyan, Walter Hagen, Horton Smith, and Ed Dudley are at home on any layout. They make a living shooting courses they never saw before.

But Canadians don't get that experience and in matches played against top-notchers abroad—this would be a tremendous handicap. For a while, at least, they may confine their international events to Canadian soil.

Among the more prominent pros who may be expected to lead the way toward this new era are the young fellows—Dick Borthwick, Lou Cumming and Gordon Brydson, attached to Toronto clubs; the brilliant Alton of Ottawa and Hugh Brydson, gave up a promising professional hockey career to teach and play golf.

Willie Lamb, 1935 Canadian Professional Golfers' Association champion; Lex Robson, who has won all the domestic titles at one time or another, and several other stars will be available for international matches for several years. The prestige of these professionals was greatly enhanced by their win over England's greatest players.
