THE PHONOGRAPH which really sings.

The NEW EDISON

"The Phonograph with a Soul"

actually sings. It has stood beside Anna Case, Giovanni Zenatello, Guido Ciccolini, Arthur Middleton, Thomas Chalmers and a score of other great artists; and has sung duets with them, and then sung in comparison with them.

The musical critics of more than five hundred newspapers, concede in the columns of their own papers, that it is only by watching the lips of the artist standing before them, that they can tell whether it is the artist singing or The New Edison singing.

We almost hope you will disbelieve what we say—and come to our store and make us prove our statements. You will not be asked to buy. We merely wish to prove that the New Edison Re-creation of music is a fact.

WEDDING BELLS—The home of Mrs. Catherine Campbell of Montague was the scene of a quiet wedding on Thursday, Nov. 29th when her daughter Gertrude Lois became the wife of James Bennett Gordon of Roseneath. The ceremony was performed by Rev. C. E. Armstrong in the presence of immediate relatives of the contracting parties. The bride was becomingly gowned in Maize Crepe de Chine and carried a bouquet of pink carnations. After the ceremony and congratulations and best wishes the guests repaired to the dining room where a delectable wedding supper was served. The wedding presents were useful and beautiful. The groom's gift to the bride was a set of gray fox furs. The young couple will make their home in Roseneath.

Many throughout the province will learn with regret of the death of Mr. John A. Ferguson of Marshfield which occurred at his home yesterday morning after an illness of some months. The late Mr. Ferguson was one of the most successful farmers in the province and his well kept farm at Marshfield with its magnificent herd of Ayrshires, one of its beauty spots. Although busy with the management of his farm he yet found time to keep abreast with the times and few men were as well posted in current events. An interesting conversationalist in social life, a keen debater and fluent speaker in public his assistance in all matters concerning the general weal of the province in demand and cheerfully given. His death is a distinct loss to the province and especially to the community in which he was a leader and a most highly respected neighbour and friend. There are left to mourn his widow, formerly Miss Emma Weatherbie, daughter of the late Mr. Timothy Weatherbie of Village Green, two daughters, Mrs. Ernest Coles of Milton and Mrs. Alexander McNevin of Win nippeg who, with her husband, recently arrived and was with her father during the last days of his illness and at his death; also one son, Tupper, on the homestead. The deceased was the last surviving member of the family of the late Mr. John A. Ferguson of Marshfield, his only brother, the late Senator Ferguson having passed away some years ago. To the bereaved family the Guardian tenders its deepest sympathy.

CUT THIS OUT

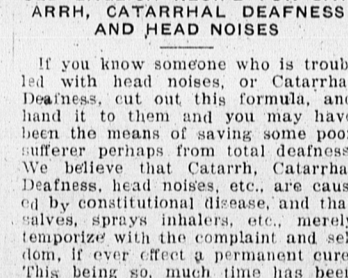

OLD ENGLISH RECIPE FOR CATARRH, CATARRHAL DEAFNESS AND HEAD NOISES

If you know someone who is troubled with head noises, or Catarrhal Deafness, cut out this formula, and hand it to them and you may have been the means of saving some poor sufferer perhaps from total deafness. We believe that Catarrh, Catarrhal Deafness, head noises, etc., are caused by constitutional disease, and that salves, sprays, inhalers, etc., merely temporize with the complaint and seldom, if ever effect a permanent cure. This being so, much time has been spent in perfecting a pure, gentle, yet effective tonic that should quickly dissipate all traces of the catarrhal poison from the system. The effective prescription which was eventually formulated is given below in an understandable form so that anyone can use it in their own home at little expense.

Secure from your druggist 1 oz. Paracetamol (Double Strength). Take this one and add to it ¼ pint of hot water and 4 oz. of granulated sugar; stir until dissolved. Take one tablespoonful four times a day.

The first dose should begin to relieve the distressing head noises, head ache, dulness, cloudy thinking, etc., while the hearing should rapidly return as the system is invigorated by the tonic action of the treatment. Loss of smell and mucus dropping in the back of the throat are other symptoms that show the presence of catarrhal poison, and which are often overcome by this efficacious treatment. If nearly ninety per cent of all ear troubles are directly caused by catarrh, there must be many people whose hearing may be restored by this simple home treatment.

Every person who is troubled with head noises, catarrhal deafness, or catarrh in any form, should give this prescription a trial.

CHURCH REPAIRS—The exterior and interior of St. Mary's R. C. Chapel, Montague have recently been painted under the capable supervision of Mr. William H. O'Brien of Georgetown. The distinctiveness and harmony of the colours which so beautifully blend together show that Mr. O'Brien is one of the leading painters of the Maritime Provinces who need no recommendation as his work on this and other churches shows the high class of work done by him and his staff. The congregation of St. Mary's is to be congratulated on securing the services of so competent a workman.—G.

DANGEROUS COASTING—For several days past children, were up to 15 years old have been coasting down that section of Euston Street, known as "Gallows Hill" and on many occasions collisions with passing teams have been narrowly averted. There are plenty of good coasting places in the outskirts of the city without resorting to the principal thoroughfares, especially such a dangerous part as the one just mentioned.

DIXON-MACDONALD—An interesting ceremony took place at Waterford on December 5th when Mr. Fredrick W. Dixon of Marmad and Miss Margaret S. MacDonald, daughter of Mr. Alexander MacDonald, of Covehead were united in the holy bonds of matrimony by the Rev. D. MacLean. They were unattended. At the conclusion of the ceremony they drove to their future home at Marmad, where a number of their immediate friends assembled to welcome the happy couple. A rich repast was provided by the mother of the young man who had just taken to himself a wife. The best wishes of a very large circle of friends accompany the young couple in their journey through life, to which are added those of the Guardian.

To Mr. and Mrs. George C. MacKay and family:—We your friends and neighbors, having learned with deep regret of your departure from our midst, after having spent over twenty five years of very pleasant intercourse among us, in this time you, Mrs. MacKay and family have endeavored yourselves to us all, and we cannot let this occasion pass without expressing some words of appreciation to you. The latch string of your door has always hung on the outside and we your friends did not neglect using it quite often. Your social life has been an inspiration to the community and in this as in many other ways we feel the severance of this almost daily intercourse a great loss to us all. We have highly valued your generous and cheerful giving of time and means in all patriotic work and we can assure you we will greatly miss your help in this great work, but greater than all you have given your son Earl to the great cause of freedom and while we regret his health is not such as we would wish, we trust he may soon be fully recovered and we hope for his safe return with our other brave boys who have not already made the supreme sacrifice.

Your leading help in Church work will not soon be forgotten by us and in this we will also miss you. We trust the happiness and prosperity you so richly enjoyed here may continue in your new home and again voicing our deep regret at your departure, we wish you all long life and God's best blessing.

We ask you to accept this silver service, as a slight token of our esteem and a reminder of our many
