FREE PRIZES and How They Can be Won

Summerside bargain week, Oct. 23—30th will be a great shopping event. In addition to the phenomenally low prices there will be over \$500.00 worth of valuable prizes given away absolutely free to the persons guessing the nearest to the number of beans in the glass jar and each dollar left at any of the below stores entitles a shopper to one guess, so that a person buying one hundred dollars worth of goods is entitled to 100 guesses.

Just look at the list of prizes. Now wouldn't you like to get one of these valuable prizes FREE. You have your chance during Summerside bargain week.

Don't miss this splendid chance to secure wonderful values, and a valuable free prize as well. Free show in Happyland Theatre Saturday afternoon October 23rd at 3.30 p. m. Admission ticket procurable at R. T. Holman, Ltd., Sinclair & Stewart, Ltd., and Brace McKay & Co., Ltd., on presentation of receipt showing cash purchase amounting to \$1.00 or over.

All aboard for Summerside for Bargain week—Oct. 23rd to 30th. A duplicate numbered ticket will be given free with each purchase of \$1.00. For instance the person buying \$10.00 worth of goods will receive ten tickets—or more or less tickets according to the size of the purchase. The person will then examine the jar of beans and make guesses as to the number of beans the jar contains—mark guesses on the tickets; tear the tickets on perforated line, deposit one half in ballot box directly alongside of jar, and retain the other half with the guess in each case. The lucky numbers will be advertised later on and those holding lucky numbers will mail them to the address directed, and the prizes won by each person will then be advertised.

As the prizes are more valuable this time no person can win more than one prize. This will make it possible for more people to win prizes. Employees or members of Summerside firms are not eligible to compete.

The ballot box will be located in front of Mrs. McLellan's Bookstore. The ballot box will close finally Saturday evening, Oct. 30th.
