—AUCTION CLUB CLOSES. — The concluding meeting of the Grand River Auction Club was held in Maple Leaf Hall on Monday night. Good roads and a beautiful night brought out an unusually large crowd and all present appeared to enjoy themselves. Auction forty-fives held the centre of the stage for the first couple of hours, the final count showing the following prize-winners: First, ladies, Mrs. James Campbell, Cross Rivers; first, gent's, Mr. John McKinnon, Cross Rivers; consolation, Miss Angela McKinnon, Cross Rovers. Following the card party, a Leap Year dance was held and much appreciated by the fair sex. Excellent music was furnished by Messrs. Kinch and Gallant, and a dainty lunch was served by the ladies. For the successful conduct of those weekly card parties, much of the credit is due Mrs. Patrick McLellan, the enthusiastic and zealous secretary of the society under whose auspices they were held. N

—WELL-KNOWN RESIDENT.— The death of Miss Elizabeth McKinnon occurred on March 15th., at the home of her neice, Mrs. Thomas Cummings, Cross Rivers. Miss McKinnon who had reached the advanced age of ninety-one had lived on the old Murdock McKinnon home, Bayside, until the death of her brother, Neil, eight years ago. She was the last surviving member of a large and highly respected family and her passing severs another link connecting the present with the pioneer days of the settlement. She was a genial sympathetic soul and in her home her friends were always sure of a hearty welcome. During her illness she was visited by her pastor, the Rev. John A. McDonald and she died, fortified by the last consoling rites of Holy Mother Church, administered by his loving hands. Her funeral was held on Saturday to St. Patrick's Church, Grand River, and her remains laid to rest beside her parents.—N—

—Mrs. Frank Kane, Miss Margaret McDonald and Mr. Michael James Praught, arrived from Boston on Tuesday, called home by the serious illness of Mrs. Angus Praught, Richmond. We are glad to report that Mrs. Praught's condition is considerably improved. —N—

..*EASTERN AGENT—Mr. J. W. Murdock is Guardian Agent in Montague and will be pleased to receive news items, advertising, new and renewal subscriptions.

..*SPECIAL SERVICES — From Jan. 29 to Feb. 12, a splendid series of evangelistic meetings were held in the United Church, conducted by Dr. H. N. McLean and Miss Gladys McKinnon as soloist. The local choir, 18 in number, were on hand in full force at nearly every meeting and helped very materially to make the meetings a success. The attendance ranged from 30 on a very stormy night, to 210, making the average of 150. A very deep impression was made upon the whole community, and those involved thank God for the great blessing received. It has resulted in bringing to a head the faithful work in the S. S. of the Methodist and Presbyterian Churches during past years, and also the earnest preaching of former pastors. On Feb. 26th communion was held in the United Church, 40 being received on profession of faith and two by certificate. 11 adults were baptised and 80 partook of communion.

Announcement Re New Annan Races

The genial Jim Pendergast of New Annan race track fame, was in the city yesterday afternoon interviewing the horsemen preparatory to making an announcement for New Annan Racing date for 1928. After talking it over with a number of prominent owners, he got in touch with his partner, Mr. MacKinnon of New Annan and they decided on having races on Wednesday, August 8th. The reason for the change in date is that Charlottetown Exhibition will this year be held one month earlier than usual, the new dates being August 20th to 24th., and it was felt that there should be over a week between any local racing and exhibition. The Charlottetown Exhibition is being held earlier to accommodate the Potato Growers and farmers generally. Owing to the schedule of other class A Exhibitions, the only date available was August 20 to 24 or the latter part of September, which would be the season when potato digging would be at its height.
