In Memoriam

MRS. CHARLES H. BIGGAR

Relatives and friends learned with regret of the sudden passing of Mrs. Emily E. Biggar, widow of the late Charles H. Biggar at her home in Stanley Bridge, on Saturday evening, January 25th, 1947, at the age of eighty-four years.

Stricken with a stroke the previous afternoon she remained conscious until almost the last, when she passed peacefully away, despite medical attention and the loving care of her loved ones.

In her passing she will be greatly missed by her children, grandchildren and great grandchildren to whom she leaves cherished memories. She had a keen sense of humour and a pleasant greeting and cheery smile for all.

Although a shut-in for the past number of years on account of rheumatism she was always interested in the daily things of life and liked to converse with her friends and neighbours and was well versed in past and present events. Regardless of her maturity, she had a remarkable memory and also was able to write many letters to her friends and loved ones. She was always a great lover of the out of doors and in her younger years was always happy while working in her garden or among her flowers which she loved so well. As a neighbour, she was ever willing to lend a helping hand in time of sickness or to a friend in need. For many years she was a regular attendant at the Presbyterian Church at Clifton, and her place on Sunday was seldom vacant until she became unable to attend.

Mrs. Biggar was a daughter of the late James and Jane Whitehead Williams of Graham's Road and was one of a large family of whom two sisters and one brother now survive The sisters are Addie, Mrs. Joseph W. Burns of Pinehurst, Mass., and Minnie, Mrs. MacKay of Beachmont, Mass., and the brother is Mr. Edward Williams of Graham's Road, P. E. I. Besides her sisters and brother she leaves to mourn the loss of a kind and loving mother, one daughter, Bertie, Mrs. Davis Baker of Summerside; one adopted daughter, Robina, Mrs. Lorne E. Houston of North Rustico, and two sons, William W. of New York City and J. Stanley with whom she resided and who, as she had remarked so many times was so good and kind to her through her declining years. Besides her little grandson Lawson Biggar at home she leaves two other grandchildren and six great grandchildren.

The funeral was held on Tuesday, January 28th, from the Presbyterian Church at Clifton and despite the inclemency of the weather was very largely attended, attesting to the esteem in which she was held by all.

The services at the church and at the grave were conducted by Rev. D. A. Campbell assisted by Rev. W. I. Green, a friend of the deceased.

Music was supplied by the choir with Mrs. Angus Green as organist. Hymns sung were favorites of the deceased, "The Lord is My Shepherd", "Nearer My God to Thee" and "Safe in the Arms of Jesus."

The pall bearers were: Cameron MacGregor, James Williams, John Andrews, George McKay, Hazen Doughart and Angus Green.

The remains were laid to rest in the People's Cemetery at New London, beside those of her husband who predeceased her about fourteen years ago.

We cannot think of her as dead
Who is here with us no more;
Along the path of life we tread
She has only gone before.

The Floral Tributes were as follows:—

Wreath—Mother:— Bertie, Stanley, Addie and Lawson.
Crescent—Grandmother: — Stanley, Bessie and Family.
Wreath—Grandmother: — Hazel, John and Lowell.
Wreath—Robina, Lorne and Family.
Wreath—Mr. and Mrs. W. G. Gillespie, Mr. and Mrs. L. J. Orr and Mr. and Mrs. A. E. Campbell.
Wreath—Miss Eva MacNelli and Miss Ruth McLeod, Summerside.

PETER FERGUSON

At Hampton on February 3, 1947 there passed peacefully to his eternal reward after a short illness Peter Ferguson, one of Hamptan's oldest and most highly respected citizens at the advanced age of 88 years.

He was a man of sterling qualities whose word was as good as his bond and died as he lived in the faith of his fathers, reconcilled to God's will.

Born of Irish and Scottish parents he was the last surviving member of the family of the late Finlay Ferguson and his wife, Eliza Luce, who immigrated to P. E. I. from the British Isles taking with them the Holy Bible for their spiritual instruction and knowledge.

Besides his sorrowing widow, nee Annie E. Lamont, there is also left to mourn the passing of a kind and affectionate father, four sons and one daughter: Albert of Schenectary, N. Y., Everett of Western Canada, Cecil K. of Charlottetown, Robert on the homestead at Hampton, and Ruth of Cambridge, Mass.

The funeral was under the direction of Mr. Percy Dawson, Crapaud, with services at the home and graveside being conducted by the family pastor, Rev. J. H. Bishop assisted by Rev. Peter Jackson of Hampton United Church. The pallbearers were George Cannon, John McQuarrie, Gordon MacDonald, Lorne Ferguson, Lemuel Lamot and John A. McKinnon. A large number of friends and neighbors followed the remains of a kind friend and neighbor by motor car to the family plot in Argyle Shore cemetery where interment took place. Arriving by plane to attend the obsequies of their father were Ruth of Massachusetts and Albert from New York.

In Memoriam

In loving memory of Walter MacGregor, who passed away in New Glasgow, N. S., February 28, 1946.

Our family circle has been broken,
A link gone from our chain;
But though we're parted for a while;
We know we'll meet again.

Lovingly Remembered by His Sister, Mrs. C. D. Bolsmer.

"COME YE APART"

At this season of the year it is natural that men's thoughts should turn to leisure, change, and a period of physical and mental renewal. The taut bow must be unstrung, the mind and the body given an opportunity to recuperate. And, indeed, in the modern press of world circumstances more than ever is felt the need of temporary relaxation. The balance needs to be restored; symbolically, the crowd must sometimes be exchanged for the cloister.

What is necessary for physical and mental well-being is just as essential for the life of the spirit. In (St. Mark, vi, 31) it is said that after a time of strenuous activity Jesus called his disciples apart that they might "rest awhile." The balance between activity and rest—always difficult to achieve—had to be adjusted.

Modern life, while it provides holidays for ever greater numbers, does not make easy the kind of withdrawal and refreshment which the soul requires, though the need of such withdrawal was never more apparent. A short time, therefore, spent in a church at the beginning or in the midst of a busy day can be of great spiritual value, and may provide that quiet interlude so difficult to obtain elsewhere.

To remember these words of our Lord to his disciples, particularly in this holy season, and to find opportunities for quiet meditation on his life and teaching, including it may be the daily reading of some portion of the Bible, will not only be a source of physical and mental renewal; it will also refresh the deeper springs of the spirit and so make for that integration of the two worlds suggested in the prayer that "we may so pass through things temporal, that we finally lose not the things eternal."

Shortly afterwards he was promoted to a clerical position, in which capacity he was employed until 1944 when he was appointed district ticket in petro at Charlottetown, P E I. Child's Plea For Mother Is Answered

DETROIT, Feb. 26 — (AP)—A recorder's court judge, tempering justice with mercy, today answered the humble plea of nine-year-old Frankie de Vore by freeing her mother on probation in the slaying of her father.

Mrs. Vera de Vore, 39, tense and silent, broke into tears when Judge W. Mckay Skillman placed her on five years' probation for the shotgun killing last Oct. 14 of her husband, Robert, 41.

No Price Increase For Washing Machines

OTTAWA, Feb. 26 —(CP)— Householders thinking of purchasing a new washing machine can relax—there has been no increase in the price ceilings on these articles, the Prices Board said today.

Yesterday, in a report on 1946 production of washing machines, the Canadian Press erroneously stated that the ceilings had been boosted 10 per cent this week. Figures reporting on last year's Canadian output—111,396 units compared with 59,396 in 1945—were correct, but the new machines still are selling at the same prices.

Minister Questioned Re Coal Subsidies

OTTAWA, Feb. 26 —(CP)— The Government cannot "honestly withdraw" from its subsidy contract with the strikebound Dominion Coal Company, Reconstruction Minister Howe told Clarie Gillis (CCF—Cape Breton South) in the Commons today.

Mr. Gillis had asked for an estimate of what the subsidy on the company's losses—which extends to March 31—would cost, assuming the strike ran beyond that date.

Mr. Howe said he doubted it would be possible to get that information.

"Would the Government give consideration to whether it would be just as cheap to subsidize a wage increase?" Mr. Gillis pursued.

The Minister said the fact that an "unsatisfactory situation" had developed was not the fault of the Government.

(The miners are on strike for a wage increase of $1.40 a day.)

Box Car Shortage Is Causing Layoffs

MONTREAL, Feb. 26 — (CP) — The box car shortage, coupled with limited kiln capacity, has brought about a layoff of employees at one Montreal district woodworking plant with a consequent delay in house construction.

At the Fairchild aviation plant in suburban Longueuil, Wartime Housing Limited is having made some 70 items of woodwork that go into its houses. The contract employs about 180 men.

Because of lack of lumber as result of the box car shortage the plant closed Monday and Tuesday. Small supplies came in yesterday and work was resumed today and will be continued tomorrow.

LESS STORAGE BEEF

TORONTO, Feb. 26—(CP)—Cold storage stocks of beef in Canada, Feb. 1, were considerably less than a year ago, the industrial and development council of Canadian meat packers reported today. Frozen stocks, it was stated, have declined since Jan. 1 as a result of withdrawals to meet current domestic shortages and for export delivery. As a result, compared to a five-year period, 1942-1946, present supplies for this time of year are the lowest recorded.

ATTENTION--- MOTHERS

Do you know that 85% of all Whooping Cough deaths occur under two years of age? Do you know that it is preventable? Do you know that 61% of all Diphtheria deaths occur under five years of age? Do you know that Diphtheria can be prevented? Do you know that your child should receive this protection when six months of age? Do you know that delay may be fatal.

Knowing these facts, surely all intelligent mothers will demand this needed protection for their babies, pre-school and school children. Commencing early in March, the Health Division of the Department of Health and Welfare will start their annual spring inoculating clinics in each of the City schools. The time and place of each clinic will be announced in the press later. Watch for these announcements. All babies and pre-school children will be protected with the combined Diphtheria and Whooping Cough immunizations. School children will be protected from Diphtheria only. Reinforcing doses are administered when required to school children immunized three or more years ago.
