### The Store That Saves You Money.

### Just the Thing To Broil or Coast

There is nothing so sweet and digestible as a piece  
 of broiled meat. The old way of broiling on top of the  
 range by taking off the cover is all right if you can  
 stand the smoke and smell. But the method by the  
 Enterprise Steel Monarch, made by the Enterprise Foundry  
 Co., Sackville, carries all smoke and odor up the  
 chimney as will be seen by the accompanying illustration.  
 It is as easily done as lifting a cover. This range  
 has many other advantages which will be enumerated  
 in later announcements. It burns either coal or wood  
 and will be supplied with hot water front instead of  
 tank if desired.

Call and see this range at Fennell & Chandler's,  
 Charlottetown or Brice, McKay & Co's, Summerside.
