**Mount Stewart Notes**

Her many friends will be sorry to learn that it was found necessary to have Miss Doris Jay, daughter of Mr. and Mrs. Lester Jay removed to the P. E. I. Hospital to undergo an operation for appendicitis.

Miss Alice Jardine is visiting her parents Mr. and Mrs. Albert Jardine, Head of Hillsboro.

We are sorry to learn that while Mr. Gus McDonald was employed in drawing a spike out of a rail road sleeper, where the new rails are being laid, the bar he was using, fell, catching his thumb between it and one of the rails, badly smashing it.

We are sorry to learn that it was necessary for Freddy Clark, little son of Mr. and Mrs. Ira Clark to enter the P. E. I. Hospital for an operation.

On Friday night the 20th inst a delightful function was held at the home of Mr. and Mrs. Urban Bambrick, Head of Hillsboro. A large number attended it and enjoyed themselves in dancing, games etc., after which a sumptuous supper was served in Mrs. Bambrick's usual good style. Then followed dancing again. Mr. William Connolly, fiddler for the evening. After this, good nights were said, all thanking Mr. and Mrs. Bambrick and daughter, Miss Etta for the good time they had given them.

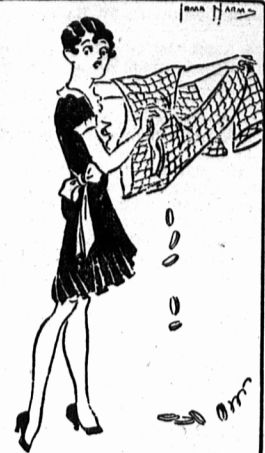

On Monday evening last while Mr. Jonathan Affleck left his lawn mower on the lawn preparatory to mowing it, one of his small children who happened along just then fell upon it. The child was badly lacerated about the head and was bleeding profusely also, so Mr. Affleck in drawing a spike out of a rail road sleeper, where the new rails are being laid, the bar he was using, fell, catching his thumb between it and one of the rails, badly smashing it.

Mr. Joseph Duffy, who has been assisting Mr. Roy Jay in his barber shop returned Monday to his home in Fort Augustus. But his patrons hope to see him back again after having—F.

The letter carrier expects every one on his route to take things as they come.

GABBY GERTIE

"If a man picks his wife's hats, he can expect to have his pockets picked."

STILL THINKS SO  
 "Didn't you think that fellow who ran away with your wife was your best friend?"  
 "I still think so."

EXPLAINED AT LAST  
 "How do you suppose that Chicago came to be such a great railroad center?"  
 "Why to furnish a quick getaway for the bandits, of course."

"Tom doesn't care for tight skirts."  
 "No. He doesn't think girls should ever get 'tight'."

Boarder: Mrs. Stewprune, I found a mouse in the milk this morning.  
 Mrs. Stewprune: Oh, the poor thing! Was it dead?

A man's first love isn't his last and his last love knows that she is not his first.

**The Woman Driver**

I like to drive with Champion Spark Plugs because I know I'll not be annoyed with engine trouble due to faulty spark plugs.

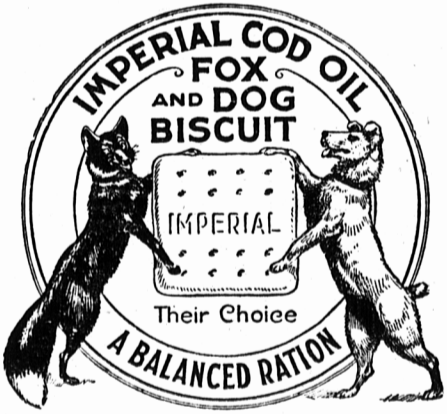

Champion is the better spark plug because it has an exclusive silicemite insulator specially treated to withstand the much higher temperatures of the modern high-compression engine. Also a new patented solid copper gasket-seal that remains absolutely gas-tight under high compression. Special analysis electrodes which assure a fixed spark-gap under all driving conditions.

**Successful Fox Feeding**

Is the problem of our Fox Ranchers today. How to grow strong, vigorous foxes, that will produce pelts of fine texture and lustrous sheen, is uppermost in all minds. THE IMPERIAL BISCUIT COMPANY, LIMITED, have found the solution in their increasingly popular

IMPERIAL COD LIVER OIL FOX BISCUITS  
 and  
 IMPERIAL PUPPY FOOD

Regular feeding of these is giving the desired results in our Prince Edward Island ranches. "Imperial-fed Foxes" are in a class by themselves. They "produce the goods." Ensure success by liberal feeding of "IMPERIALS."

For sale by leading Island dealers or direct from factory.
