

A ROUSING ANNIVERSARY SALE

Of Men's and Boys' Clothing

THIRTY THREE YEARS AGO we started business in one of the stores still occupied by us and we are celebrating the event with a mighty price smashing profit sacrificing clothing sale.

THIS IS THE MOST WONDERFUL SALE that even this house has ever held particularly at the very beginning of the season, the time when the goods are most needed, and presents an opportunity that thrifty buyers cannot afford to overlook. Every article marked in plain figures. We would suggest that you shop early or the very suit or overcoat you need may be gone.

The Current of Public Confidence Sets Strongly Towards This Store

AGAIN AND AGAIN we have been told that this is the busiest store—and often that it is the BEST STORE. It's busy—ness is obvious to those who come here and look about. And busy—ness in these days of sensible discrimination means a sure measure of excellence. It is fairly safe to follow the crowds.

Those who come here this month will not fail to find summer stocks larger and finer than were ever before shown in this vicinity.

Vast array of merchandise that cannot be duplicated outside of this store at any price.

A full money's worth all over the store—and always a better money's worth than can generally be found.

This is an Opportunity. Investigate at Once. You'll Save Money
